TALK AROUND THE OLD HOT STOVE ...

is turning to buning, getting out the equipment and shining up the old trusty. It won't be long now before the hunters take to the fields and woods. But it seems that the talk and preparation is almost as much tup as the actual thing, At least there are plenty of follows enjoying the conversation.

THE BIG SIGN

THE BIG SIGN... in the Town Hall Park is a reminder to all Farmington residents to get out and support the Farmington Faicon football team. All of the games are listed, so look 'em over and make a note to follow the home team this year. They got off to a liying start last week on their own field with a record crowd enjoying the new bleachers. This Friday the Faicons journey to Rochester for a game under the lights. So let's all journey up there, too, and give the boys a cheer. The game starts at \$200 pm.

· · · · HELP FIGHT POLIO ...

HELF FIGHT POLIO... by contributing now to the Entergency Polio Fund Drive. The Jaycees are conducting a house to house caavass for funds to meet the present polio emergency. A special Jaycee booth will also be set up in front of the Farmington State Bank Friday evening to accept your contribu-tions. Funds are urgenity needed and now. If you can't get down to the hooth Friday send your contributions in through the mail by using the coupon printed in this week's Enterprise. Just address your envelope to POLIO in care of the Farmington Postmaster. Give a band - will yoo? the coupon printe ope to POLIO in - will you?

OTE NEXT MONDAY ...

OTE NEXT MONDAY ... you are a resident of the Clarenceville School District. A light vote is weak vote, so show your strength. Your ischools are only as good syou make hem. Lack of interest at the polls represents a lack of interest in the schools. Show your interest in the future of your com-unity, your schools and your boys and girls by voting Monday!

VE YOU NOTICED . . .

Son LITTLE CITY ... is getting back into the swing of things what with all the soelal groups in the city retarning to their normal autumn functions. There will be hake sales and a benefit card party and bacaris and othy activities for all logal Parmington folks to attend this week and next. We can show the groups how much we appreciate their community services by coming out to the affairs.

OME RED FACES . .

ME RED FACES . Id semi to be in evidence after the football game last Friday. From it we hear, the Plymouth band made the sad mistake of turning down mington Road instead of going down Shikawasse hill after they lef and River. Should judge there would be a lot of huffing and puffing ceep the horns going and come back up the hill, too.

At its meeting sionidy hight, the commission also approved a mo-tion made by Kenn Loomis to swap creatin public property for pri-vate property to provide a public alley behind be stores on the south side of Grand Alver Avenus. The present public process and west food by minigtion road along for 23. IF YOU THINK ... that all of the hortcultural freaks have been duly recorded and can be forgotten, wait until you see next week's paper. Too late to photo-graph came reports of giant innias, sweet pointees the size of equash, and such strange mutations. We'll try to record and publish them next week. Farmington surely is full of freaks this year. from Farmington road along lot 23. The commission, with commis-sioners Cavanaugh and Hatton dis-senting, voted to vacate the alley upon presentation of the deed for a 20 foot alley from Farmington Road east to Earl Vivier's property, Mayor Delos Hamila, not a voting member of the commission, had to cast a bailot to break the 2 - 2 tile between Hatton and Cavanaugh, and Loomis and Miller.

AGAIN THIS WEEK . . .

GAIN THIS WEEK... the have an installment of Mrs. Bush's freezing rules. Insamuch as irs. Bush is a kirly well recognized authority on low temperature pres-rvation, we're thinking maybe this series is worth clipping and saving here'll be more in the next two or three weeks, and in time for the title. We might be able to find out that way whether more of the ume would be desired.

same would be desired. MAYBE YOUVE NOTICED... the yellow posters in some of the business places around town? If you haven', read one the text line you site. If. The slopan on the poster is "Physical Haad to thick about. There is hothing wrong with the capability interest and willingness of many of our physically handi-capability interest and willingness of many of our physically handi-capability interest and willingness of many of our physically handi-capability deserve a job and ars ready to do a job. Help him become a useful, happy clitien and help yourself to a dependable employee. PERHAPS YOU'VE (SOTICED... Old BIII Schaupter is in to longer delivering the Sarto Times. BII retired a while back, after serving for 21 years on the same route. Sort of miss him around, too — he has become a plece of what is Farm-ington. Now there's a youngster on the job.

NEW FARMINGTON SCHOOL BUS MAKES INITIAL RUN **Trojans Set For Opener** Friday

A new 48 passenger hchool bis Was put in operation Tuesday open their 1949 football season this morning in the Farmington School Friday atternoon against Detroit District, Superintenden O. E. Dan-Lutkerna High School on the Clar-ckel stated this week.
