CLARENCEVILLE NEWS

Mrs. Henry Troutaud
Phone Farm. 1038

The season for splay smelling kitchens, the business of filling fruit shelves and the last picking and storing of fruits and vegetables is nearing the end. Before we leave the subject, here's a tip for you who are making apple pies. Put your peelings and cores in a pan, barely cover them with water and boil 20 minutes. They strain through a cloth, add as much sugar as juice, and boil until jellied. Presto — you have a couple or three glasses of jelly.

Speaking of the end of seasons, this is the beginning of a new phase for at least two of our Clarenceville boys. Fred Gross, who won the Reginald Alman scholarship, leaves for Ann Arbor to take pre-med, and Bill Nichols is going to Michigan State to take Agriculture.

Mrs. Fred Grose, on Purlingbrook entertained Mrs. Edwin Getting, Mrs. Walter MacKendall, Mrs. A. Hocking, and Mrs. Albert Haas at luncheon September 21.

Mrs. Dewey Johnson of Purlingbrook left for Dallas, Texas, for a two-week vacation. She is helping her brother drive. He is helping there permanently.

Chucky, a plucky little six year old, the son of Mr. and Mrs. Peter Derrick, 2816 Hugh Street, is having a little rough going. He was knocked down a week ago by a couple of larger boys at the Our Lady of Sorrows school yard. He broke his leg and now has both of them suspended in the air with straps and a cast.

Mrs. Eric Walker, 28330 Purlingbrook, entertained her son and daughter-in-law from North Carolina for a week.

A baby shower was given in honor of Mrs. Hoffmeyer, 20126 Ontago, September 13 by three neighbors, Mrs. Fleming, Mrs. Hazen and Mrs. Moorhead. The shower was given at Mrs. Moorhead's home, 20131 Ontago.

Mrs. H. Fisher, 28708 Eight Mile, gave a baby shower for her daughter-in-law September 1. About 30 guests were present.

Mrs. Keller is now driving her car again. She badly damaged it a couple of weeks ago when she rubbed against a big truck.

Mrs. E. Wilton from Angling Road has gone to the hospital for a few days.

Mr. and Mrs. Tom LaFollette went to Warsaw, Indiana, September 13 where they attended the funeral of Mr. LaFollette's father.

He was a Spanish-American War veteran and was buried with full military honors.

Mr. and Mrs. LaFollette also entertained the school superintendent and his wife, Mr. and Mrs. Louis Schmidt, as well as Mr. and Mrs. Robert Dennis and Mr. and Mrs. Tom Wilson on September 12. They played bridge, with Mrs. Wilson taking first prize.

Mrs. LaFollette's sister and her husband, Mr. and Mrs. F. Myers, and Mr. and Mrs. Bernard Hoag of Big Beaver were also entertained at the LaFollette home Sunday night.

Mr. and Mrs. John Irvine of 20808 Pearl just returned from a tour of the northern part of the state, stopping at Mackinac Island, the Soo and St. Ignace. Johnnie, Jr., meanwhile, spent his vacation with his grandparents at Millford, giving the couple a chance for a second honeymoon.

The Irvines have had an interesting visitor this summer. John's cousin, Margaret Geddes, came here from the Shetland Island, Scotland, where she is a veterinarian - surgeon. Margaret won a scholarship which gave her a two month trip to the U.S.A.

Mrs. Dohany entertained three friends at luncheon Monday, Mrs. Etta Adams, Mrs. Julia Herbad and Mrs. May Kirsten.

The Brownie troops in the Clarenceville district are always busy. One troop, headed by Mrs. Meahan and Mrs. Fry, has made a fine start on their merit ribbon. Each girl has a paper her mother fills out with time she spends helping around the house. When she has completed 10 hours, she is awarded a red ribbon, a white ribbon for 12 more, and 15 hours more are required for a blue one.

Our dear roads in the subdivision of Forest Hills were given the once around and twice over by the road scraper. And that isn't all, either. We got gravel, too. Some of the bad spots in the road were sprinkled with the wanted stuff. We're all tickled rosy about it, but have just one word to say, "MORE!" Give us an inch of pebbles and we want a mile of it.

A "conga line" bent on giving a surprise party for Mr. and Mrs. Jimmy Johnson of Northwestern Highway was formed by Mr. and Mrs. Charles Skene, Mr. and Mrs. Wesley Palmer and the Harry Buvises. The six couples stole quietly up to Ruth and Jimmy's log cabin in home, and into the living room, then back to the kitchen where the conga line unloaded its cargo of ham, salami, liverwurst, cheese, bread, potato salad, pickles, soft drinks, beer and even fruit jello.

Mrs. Leo Gamache of 21515 Farmington Road, acted as one of the judges at the annual flower garden show held at Wayne Thursday and Friday of last week.

A hobby that has come down from his college days was enjoyed Sunday morning, September 11, by Harry Westlund of Orchard Lake Road, at the Detroit Gun Club. He went practice shooting in anticipation of a trip to South Dakota this fall. He claims the pheasants there are as thick as gallets in September.

Jimmy Stock, of 27548 Edgemoor Drive, has left for a week's vacation in Boston, Massachusetts.

Mrs. Robert McCarroll of Los Angeles returned September 20 after a month visit with her mother, Mrs. David Cairns on Lakeway Avenue.

There's no fool like an old fool because he has had more experience.

LAMB PIEES

Individual lamb piees are interesting on any dinner table. Brown cubes of lamb in a 'rying pan.' Add liquid and bite-sized cubes of favorite vegetables for a savory stew, then pour the combination into pastry lined tart pans. Cover with a pastry topping and bake the pies in a moderate (350°F) oven for about one hour.

The lightest wood in the world is believed to be tano. It is found in Siam and the Malaysian peninsula.
