"How much will we save going Greyhound?"

A pleasant mile by Greyhound costs less than 1/4 as much as operating your private auto... far less than any other form of travel—land, sea or air. Going by Greyhound, you ride fully relaxed, free from all driving strain and traffic troubles. You enjoy the convenience of frequent schedules, downtown terminals, prompt service to thousands of towns and cities. Even on short trips, you save a pocket-full of change—often enough to cover other travel expense and shopping "extras".

Check these fares—then compare!

Cross Country Team Ready

With at least sixty veteran trackmen returning to spark its cross country team, Farmington is slated for a good 1949 season.

Coach Donald Hessler lists holdovers from last year as: Ralph Kees, Jim Whitman, Jim Keck, Jim Yull, Tom Clifford, Clifford Storey, John Brunk, Russ Stephens and Ay Soosok. Promising newcomers include Chuck Tull, Dave Olson, Jack Kalliff and Glen Shaw.

No freshmen members have signed up as yet. Coach Hessler stated, He urged ninth and tenth graders not playing football to try out.

Teams practice daily at 4 p.m. on the Athletic Field.

Coach Hessler announced the schedule as follows:

October 4, Berkley, here, 4 p.m.
October 14, Walled Lake, there, 4 p.m.
October 19, Milford, there, 4 p.m.
October 22, Albion Invitational, there, 11 a.m.
November 1, Interlakes Conference, Walled Lake, 4:15 p.m.
November 5, State High School meet, Ypsilanti, 11 a.m. A.P.

October 4, Berkley, here, 4 p.m.
October 14, Walled Lake, there, 4 p.m.
October 19, Milford, there, 4 p.m.
October 22, Albion Invitational, there, 11 a.m.
November 1, Interlakes Conference, Walled Lake, 4:15 p.m.
November 5, State High School meet, Ypsilanti, 11 a.m. A.P.

CALENDAR

September 29	Milford game, here, 3:30 p.m.
September 30	Glee Club Dance, gym, 8:30 p.m.
October 7	Clarenceville game, here, 3:30 p.m. S.S.

Art Class Elects Officers

The art class of Farmington High School, under the supervision of Mr. Benjamin, elected officers Monday, September 29.

Suzanne Labadie was named president; Richard Downman, vice-president; Richard Beam, secretary; and Jane Hamlin, treasurer.

Plans have been made to run the class in a democratic fashion with the student government. Special duties such as taking roll, calling class to order, supervising cleanup and dismissing the class have been assigned to each officer. S. L.

EDITORIALS

APPRECIATION

In addition to the senior girls whose names appear in the masthead, Larry Gilson and Herbert Deibel, beginning students in Journalism, are writing for the Blue and White.

Their offer to cover the football stories was gratefully accepted because the consensus is that the following are more familiar with the sports lingo used for the gridiron than the girls were.

Members of the Quill and Scroll appreciate their taking, however, bent and commend them for the good work they are doing. B.J.

HERE AND THERE WITH F.H.S. ALUMNI

Hi, gang!

Part of the fun of getting back into the swing of things every fall is hearing from old or about former classmates.

At the first home game they appeared on campus. We don't know about the other games, but through the one at the top of the steps many of our old friends passed: Bud Bryant, Keith Wieland, Fred McLean (all going to school Monday); Ed Mass; Rennie Bacon; Dorothy Simon; Ruth Gately; Milt Heywood; Bill Dalnes; Barbara (Putnam) Turner; Dave Sullivan; Jack Clark; Jim Barrons. They saw Farmington take Plymouth 14 to 0.

At P.T.A. last Tuesday, our sponsor sat next to Pat Lapham Bacon, who was attending as a parent. How long time flew! Rusty, her five-year-old, entered kindergarten this September. She has two other little guys at home, too.

If you're a patient of Dr. Gatliff, you may have met Margaret Volk, graduate of Mt. Carmel, who is now working as his nurse.

The armed services are attracting our alumni. Barbara Harrison is with the WAC's in the Medical Division; Alma Rose Wadsworth has joined the WAVES, and Frances McKay is seriously considering doing so. Larry Scott joined the U. S. Army in July. His kid sister reports he's quite impressed.

Louise Brown is working as secretary to Mr. J. F. Mulkey — out on Eight Mile.

There are a few more new names to add to the alumni rolls. Mary and James Tolman (Tm) proudly announce Richard Charles' arrival on September 6. We have heard that the former Bette Aschentreiner has a week-old son, and that the former Doris Colebank is the mother of twins.

Bill Russell visited last week—he's about forty pounds heavier and looks like a million.

Barbara Blackwell of Redford and Martin Oemus were married on September 17.

Marge Fisher's younger sister tells us Marge is going to be a psychologist. She has returned to the U. of M.

Sgt. Dave Sullivan has been home a few days. He's in the Army now instead of the Marines and just completed a nine-month radio training course in Georgia. His new address will be 222th Sig. Oper., Fort Monmouth, N. J.

That's all for this time. Send us a penny post card to let us know what you're doing.

So Long —
Your Friend, Lit.

Bremer of Sherwoodale, Farmington, was Saturday evening dinner guests of Mr. and Mrs. Stanley, Orchard Lake Road.

Charlie Heilker had a close call on Drake Road last Tuesday when he met another car on the Howard and Drake Roads intersection, which is practically a blind corner.

Mr. and Mrs. George Rexin and two children of Silverwood City, near Lapeer, and Mr. and Mrs. Donald Green were Sunday dinner guests of Mr. and Mrs. Otto Rexin.

Mr. and Mrs. Frank McGregory of Cass City are visiting with her daughter and family, Mr. and Mrs. Earl Fulcher, of 34824 Grand River.

Tec. Sgt. Danny Dever, who has been stationed at Bangor, Maine, will return to Farmington on October 15 to make the family home there. The Devers have a new baby girl, born August 26, and one other girl, Sharon Lee. Mrs. Dever is the former Betty Stanley of Orchard Lake Road and will live with her parents, Mr. and Mrs. A. Stanley, of that address until their home, which is now rented, is vacated.

Mrs. McVey and daughter, Jean Bartlett, have moved to Orlando, Florida, to take up residence there. For the present they will reside with another daughter and family, Mr. and Mrs. Ernest Bartlett of Orlando.

Mr. and Mrs. Ralph McKenzie of Vancouver, British Columbia, visited with the Harold McCrackens of Detroit, and with Mr. and Mrs. Harry McCracken of 12 Mile Road, returning Sunday night.

Brillies down is the rule to remember when drying household linens. If wet linens stand where the brillies are fastened it will loosen them. This is especially harmful to brushes with wooden backs.

Miss Tina Carnevale of 12 Mile Road was a guest of Mrs. Custer of Power Road and her son, Guy, master of Pontiac, on a motor trip through several different states. They visited Tina's grandmother, Mrs. Della Frazier of Jefferson City, Missouri. While they visited for two weeks they saw the State Penitentiary and visited the State Dam. They arrived last week.

Mr. and Mrs. Lord from Potomac, Pennsylvania, Mr. and Mrs. Banner of Detroit, and Mr. and Mrs.

Junior High Teacher Tours Western States

Mrs. Mary Oliphant, mathematics instructor, took a month's vacation traveling westward this summer. Her tour extended from the western western states including Colorado, Oregon, Wyoming and California.

Famous places such as Glacier National Park, Yellowstone National Park, the Black Hills, and the Great Salt Lake were visited.

Mrs. Oliphant enjoyed not only the scenic beauty of the West but also the various sights strange to Michigan. She was impressed with the vast rolling waves of the ocean and the pastel stucco homes common to California.

Her trip home extended across the Lake at Milwaukee and through the upper part of Michigan.

She hopes to tour the entire United States in the future. S. L.

Cartoonist Speaks At Assembly

Mr. Paul Burke, "the fastest man on earth with chalk", will entertain the Farmington High School students on October 3 at 9:45 a.m. in the gymnasium.

This cartoonist has lectured in every state in the United States, the British Isles, and in various cities in Europe. Originally from Ireland, Mr. Burke is also very popular with the men in the Army Hospitals.

In his lecture he will discuss cartoons, their place in our life today, and his work with Ripley and Disney. As a highlight, Mr. Burke will ask for volunteers from the students to come up to the stage and draw a few lines on a blackboard. He will then proceed to sketch a cartoon around these lines as quickly as possible.

This is the first of four assemblies that the Student Council sponsors for the year. The others will include a pianist, a lecturer, and a traveler who will show colored films. A. R.

Under forest management, it is possible to take a harvest from the woods and still leave a grow-
