I'm
O.K.
But

I want to stay in shape for bowling tonight. Wouldn't want to miss that fun just because one of the beloved children fractured my clavicle.

Business in the United States consists of approximately 500,000 corporations and over 3,400,000 small private enterprises and service companies, the University of Michigan Bureau of Business Research reports.

In 1951, when the U.S. Steel Corporation was organized as one of the first billion dollar corporations, its size was unique.

In the United States there are 55 business enterprises that are worth a billion dollars or more. At least 317 corporations and business organizations have yearly sales of over

100 million dollars.

QUADRIGA "Sew-So" by Kitty Q

LOOK, MA, I'm sewin'
... a bedtime polka!

The minute I spied those made-for-each-other Quadriga polka dots, I saw red-and-white for a robe, reverse (note to blue too) for PJs. I found I didn't have to be a genius to sew with Quadriga Cloth ... it's easy! And because Quadriga washes like a dream, I won't be a washout as a sleepy-time gal.

I'm popping with more ideas ... those wonderful Quadriga prints and plain colors inspire me! And sew to bed...

Having left by plane for an eastern trip from the Willow Run airport Saturday, September 24, the Harry Westland of Orchard Lake Road attended the American Tension Association convention in Atlantic City. While there they were guests at the Traymore Hotel. Mrs. Westland made side trips to Boston and Philadelphia. Later she went to New York City, where she visited friends, went sightseeing, and took in the shows.

It was just 24 years ago on September 19 that Mr. and Mrs. Kenneth Sliers of 12000 Old Orchard Road were married. They celebrated their 24th wedding anniversary by seeing the Spike Jones show. Later in the day they were feted, wined and dined by Detroit friends. A lovely anniversary gift awaited Mrs. Sliers when she and her husband arrived home. It was a dainty set of chin cups and saucers from her husband Ken. The Sliers have two sons, Kenneth, 15, and Richard.

Mr. and Mrs. George Prebo of Saginaw visited their son Stanley and his wife, Jane, at 25610 Grayling Avenue last week end. Both Mr. and Mrs. Prebo, Jr., attend Wayne University at the McNichols branch.

Mrs. Alf Lindgren, of 2650 Orchard Lake Road, is one of the neighbors with whom we would like to get to know better acquainted. Is teaching this year at the Bond School on Orchard Lake at 12 Mile Road.

Mrs. Walter Slusser, Mrs. John Stock, and Miss Olga Rice attended Mission services together Wednesday, September 21.

Mr. Lee Hubert, of 27588 Orchard Lake Road, was a visitor at the Sliers' home on 12 Mile Road Wednesday, September 21.

**Indian Shoots****11 Year Old Duck**

An adult black duck tagged and released on October 16 at this corporation department's Muskegon bay banding station has been reported shot by the Hudson Bay company. In returning the tag to the department's game division, the company advised the 11-year old bird was shot by an Indian at Lac Steul, Ontario.

Game division banding records indicate as high as 30 per cent of tagged black ducks released from this station are shot the same year released. The 11 year old black duck is one of the oldest of game division records.
