New Areas Open
For Duck Hunters
Open to duck hunting for the first time this fall will be over, 1,000 acres of new waterfowh habitat in nine locations throughout the state, the conservation department amountes.
With the aid of \$43,000 in Pitt man-Robertson funds, the game division has finished work on eight profects and one, the 163-acre oid dependent of the conservation department of the following the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and one, the 163-acre oid for the first profects and the first profect area, \$2 \text{ acres on Measures in Gladewin county, will not be completed until December.}

Three-fourths of the cost came from Federal large.

until December.

Three-fourths of the cost came
from Federal taxes on sporting
from Federal taxes on sporting
from Federal taxes on sporting
from Sportsmen's license
money. A \$75,00 Pittman-Robertson budget has been set up for lare in conservation de

arms and amministics and onequarter from sportsmen's license
money. A \$75.600 Pittiman-Robertson budget has been set up for
continued improyement work with
a number of new flooding projects
scheduled in 1955.

Besides adding considerable water and marsh alea to the inland
waterfowl nesting grounds in the
state, the projects will ald at water
stabilization in the game and recreation areas in which they are located. Ponds are expected to be
brought up to maximum levels
with fall rains.

Eight project areas now ready
for duck hunters October 7 are:
French Farm lake, Emmet courty, where a dam and spillway was
bullt to increase size of flooded
area to 802 acres;

Chilson pond, Brighton state rec-
