Seniors Sponsor Soc-Hop In Gym

The Senior Class of Clarenceville High School gave the first dance in the new gym last Friday evening. The dance was called the "Soc-Hop" and, appropriately, everyone who came danced in their stocking feet.

Approximately 150 students and alumni attended. The Seniors were well pleased because permission to give the dance had been received only two days before.

The reason for wearing socks was that the floor had not been sanded and shoe marks would have wrecked the finish. The Seniors sold socks at the door for those who wanted to protect their own from getting dirty.

Music was provided by the Theodore, its record supply having been restocked.

Tunes by Billy Eckstine and Perry Como set the right mood for the dancing couples and a broom dance, directed by Ed Estep, highlighted the evening.

Refreshments were plentiful as the Seniors sold candy, potato chips and pop.

CLARENCEVILLE SETS UP INTRAMURAL PROGRAM

This week, for the first time, an intramural athletics program was inaugurated at G.H.S. by Mr. Cassimir Ryniak, director of Boys Intramural Activities. Games in two hand touchball were scheduled beginning Monday with four teams participating.

Soccer games as well as football have been scheduled for later on in the fall season, and 50 boys are out for the teams. All teams in football as well as soccer will compete in round robin tournament play.

Games will be held every night of the week except Friday night. Available for the contests are the regular football field, another football field to be set up near the baseball diamond, and the fields on the West side of Middlebelt.

Ryniak plans to use the fields west of Middlebelt exclusively for soccer. After completion of Clarenceville's new gym, Mr. Ryniak will organize basketball and volleyball teams from each class to play during the winter months. It is hoped to have time available for play most nights of the week, and results of games will be posted on bulletin boards.

Bob Riggs, Don Rutilla, Gus Davis, and other senior boys will officiate at the football games this fall and later at the basketball games.

Strictly Seniors

Introducing our first senior this week, Miss Norma Lee Gault, class president for the third time since her freshman year. She has maintained better than a "B" average all through high school.

Norma is a great sports fan. She hasn't missed a football, basketball or baseball game in two years. Her hobbies are drawing pictures of people, and semi-classical music. Her favorite selection is "Rhapsody in Blue". She was a member of the Michigan Consolidated Gas Company Glee Club for several years.

Norma is taking a College preparatory course and plans to become a nurse. She will attend Graceland College at Lamont, Iowa. From there she will be transferred to a sanitarium in Independence, Missouri, for future work.

Our second senior for this week is Bob Riggs, class vice president this year and owner of three previous class offices.

A short review of his political life finds him as vice-president of his freshman class, president as a Sophomore and Junior and this year was elected to the vice presidency post.

Bob is taking a college preparatory course and his main ambition in life is to become a sports announcer.

Mr. Riggs has also been sports editor on the school paper for his four school years and is finishing out this year in a dual occupation of Editor and Sports Editor of "The Trojan Banner".

He enjoys basketball very much and looks forward to having a good time playing in the new gym this year.

His personal opinion of the Student Council is this, "What can we do with them, or what can we do without them?"

His future plans are to enter College and then get a job at a radio station. A secret ambition is to travel all over the world.

Calendar

Thursday, October 13, Roller Skating Party at Riverside Arena, sponsored by the Junior class, 7:30 to 10:00.

Friday, October 14, Inkster Vikings vs. Clarenceville High School there at 3:15 p.m.

EDITORIAL

Well, we had our first assembly last week and it turned out fine. World-famous Mr. Paul Burke, billed as the fastest cartoonist on earth, gave us the assembly, which was enjoyed by all.

The conduct of the pupils for this assembly deserved a red star, but we feel not a gold star for the conduct could still be improved.

We all know that is very important to talk while the main speaker is addressing the audience; also that full cooperation should be given him, if he should ask for help from the audience.

These two things are vitally needed if an assembly program is to be a complete success. This year for the first time with the new auditorium-gymnasium it is possible for the entire school to gather together for the assemblies.

MANN PRESENTS ALL LEAGUE BAND AWARDS TO TEN

At the first assembly on October 3, several students from the All-League Band were presented especially designed awards for membership in the band last year. Mr. Mann, Clarenceville band director, presented the awards. Former band members who were not present will receive their awards soon.

Those who received awards are: Myrna Groves, French horn; Jane Rutilla, clarinet; John Robertson, clarinet; John Shuffett, trumpet; Naureen Waack, cornet; Roy Grace, bass; Douglas Gault, saxophone.

1948 graduates who will receive awards are Marion Graves, clarinet; Fred Grose, trumpet and Bob Teahan, drums.

Trojan Talk

The talk of the town at half time was Mr. Mann in his chic new uniform, a grey double-breasted job with red piping. It added color to the already colorful C.H.S. band.

On one play last Friday Bob Childress, Trojan end, captured a white Farmington helmet five yards behind scrimmage. This brilliant play was nullified by the fact that nobody was in the helmet.

Tomorrow afternoon the Trojans play Inkster. A 2-0 victory was copied last year. Let's hope Coach Charlie Greig's boys repeat. We think they can.

Don't be surprised if our page is blessed with pictures of Clarenceville's football games from now on. This will happen as soon as our staff photographer gets a camera.

Clarenceville's passing attack was really smooth in Friday's tussle with Farmington. Q.B. Hank Albers hit his receivers on 10 occasions for a grand total of 147 yards. Outstanding were Hank's accurate passes and Nelson's circus catches along with Pat Heaphy, who did pretty well for himself, too.

C.H.S. Student Council Holds Meeting October 6

The student council of Clarenceville held its weekly meeting on Thursday, October 6. The council has set up a monitor system for the balls at noon. The monitors include boys and girls of junior and senior high. They will keep order during noon hours.

The council also appointed a committee to select rooms that students are to eat in at noon.

Juniors Sponsor Skating Party

Tonight the Junior Class of Clarenceville High School will launch its first in a series of activities by sponsoring a Roller Skating party to be held at Riverside Arena. The hours are from 7:30 to 10:00 p.m.

This is the initial activity for the Junior Class this year, which also has a dance coming up October 28 in the new gymnasium. Next week the annual J-Hop will be held for the first time in the new gym. Previous J-Hops have been held in Botsford Tavern.

Three hundred tickets were ordered for tonight and the Juniors have been busy at work ambushing the student body and attempting to get rid of their tickets. As an added feature to the program, Boys Intramural Director, Cassimir Ryniak will give waste lessons to those interested.

Clarenceville G.A.A. Begins Bowling Oct. 10

The Girls Athletic Association of C.H.S. got under way Thursday evening, October 6, at a meeting held in the school. At the meeting six bowling teams were organized to bowl in competition with each other every Monday evening at Farmington Recreation.

This is the first year that C.H.S. girls have had intramural sports. Miss Moyers, girl's athletic director, is giving the girls pointers on how to bowl.

At Thursday's meeting officers for the bowling league were also elected. Officers are: Barbara Sowers, president; Norma Gault, vice president; Lillian Panicle, treasurer, and Marilyn Russell, secretary.

Band League Elects Officers

The Western Oakland County Band League elected new members October 4.

The officers of the band league are Mr. Arthur Mann, president; Helmut Holland-Moritz from Walled Lake, Secretary-Treasurer.

The band is planning an active year. The All-League Band will have tryouts around November 1.

Plans for forming a Junior High All-League Band are in the making. Members will be picked as for the Senior All-League Band from Clarenceville, Walled Lake, Farmington, Keego Harbor, Milford and Holly.

The first United States Census was taken in 1790.

C.H.S. AND F.H.S. BANDS PERFORM AT ANNUAL GAME

The Clarenceville band put on a splendid half-time show along with the Farmington band.

They marched through Farmington before the game and played at the Falcon pep rally.

At the flag-raising ceremony preceding the game, both bands marched on the field and played the National Anthem. During half-time the band formed an "F" and a "C" and played the Clarenceville school song.

Three cheers for Don Rutilla and Bob Godette. They have already begun conditioning for basketball. They must have their eyes on the new gym.

Pvt. C. E. Wolfe Gets Promotion

Private Charles E. Wolfe, son of Mr. and Mrs. E. Wolfe, of Farmington, a member of the 7th Cavalry Regiment, was recently promoted to the rank of Private First Class.

He is stationed in Tokyo, Japan. Private First Class Wolfe recently completed eight weeks of maneuvers training. His duties is that of an arms man, which takes care of the rifles for Headquarters and Headquarters Company of which he belongs.

OUR Extra Care MEANS Longer Wear

QUALITY SUIT CLEANING

It's been scientifically proven that correct cleaning prolongs the life of fabrics. We use the best methods yet invented. Here you're assured of:—

- More dirt removed
- Colors like new
- Odorless
- Careful pressing
