

Universalist Church Holds Rummage Sale

The ladies of the Farmington Universalist Church have been busy the past week getting ready for a rummage sale Friday and Saturday of this week. Mrs. Max Hulet is chairman of the committee, having charge of the undertaking. The basement of the church at the corner of School Street and Warner Avenue, has been taken on the appearance of a general clothing store. Tables lined along the wall of one side are loaded with bargains in shirts, sweaters and underwear for both men and boys. Women's dresses and coats, men's suits and overcoats hang on racks down the center of the room. There is also a table of women's hats and purses as well as plenty of toys for children. The women are taking this method of earning money that they may equip the new kitchen and dining room being planned for the church.

CONSERVATION DEPARTMENT BUDGET \$12 MILLION

A \$12,714,000 state conservation department budget for the next fiscal year, including \$4,352,000 for parks operation, development and expansion, has been approved by the conservation commission and will be presented to the special session of the legislature.

With many southern Michigan state parks drawing above capacity crowds from game and fish license revenue and \$5,037,000 would come from the state general fund. About \$1,057,000 federal aid would be received in matching funds for game, forest fire and farm forestry work. Another \$165,000 would come from the park fees and concessions fund.

At its October meeting the conservation commission also approved further experimentation in fishing regulations for that part of the north branch of Au Sable river running from Crawford county line to below Lovells bridge. Effective in the 1950 trout season, anglers in these waters will be limited to artificial flies for bait, may not take any species of trout less than 10 inches and may not take or hold in possession more than 10 trout of which not more than five may be brook.

Other changes in sport fishing regulations endorsed by the commission also will be incorporated in the 1950 fish law digest.

One of the important waterfowl areas in the state, the St. Clair Flats, was recommended for dedication to public conservation use. This eventually will mean a total of some 20,000 acres of land, marsh and water in the Lake St. Clair area which will be preserved for public hunting and fishing. In accordance with the dedication program, the department will retain in public ownership all unleased lots and state-owned land within undeveloped areas.

Not approved was the request by commercial fishing interests for large scale state hatchery production of lake trout and whitefish. Neither was permission granted to take lake trout for spawn from the Great Lakes during the closed season.

The conservation commission deferred action on a possible change in the 22-year-old checkerboarding policy followed in granting oil and gas leases on state-owned land.

Every man who observes vigilantly and resolves steadfastly grows unconsciously into genius.

LEGAL NOTICES

NOTICE OF SALE
Twenty-Eight Thousand Dollars
Special Assessment Bonds,
Farmington Township, Oakland
County, Michigan

Notice is hereby given that sealed bids will be accepted by the Township of Farmington, Oakland County, Michigan, at the office of its Township Clerk up to eight o'clock p.m., on the 14th day of November, A. D. 1949, and they will be publicly opened, read and considered at the meeting then held for the purchase of Twenty-eight Thousand Dollars (\$28,000) of Special Assessment Bonds of said Township, payable solely from and in anticipation of the collections of Special Assessment District Roll No. 1 of said Township, on any reassessments thereof which assessments were levied for the purpose of constructing a well, pumping station and water lines in Woodbine subdivision. The bids must be in the form of a check or cash, and will be received by the Township Clerk on or before the 14th day of November, 1949, be in the denomination of One Thousand Dollars (\$1,000) each, be numbered and be in direct order of their maturity, and mature as follows:

One Thousand Dollars (\$1,000) on the first day of November of each year from 1951 through and including 1962, and Two Thousand Dollars (\$2,000) on the first day of November each year beginning in 1963 through and including the year 1970.

And shall be coupled bonds, shall bear interest at the rate bid by the purchaser, but not to exceed six (6) per cent, per annum, with interest payable on the first day of November and May of each year. Bids shall be for all said bonds and shall state the rate of interest in multiple of one-fourth of one per cent (1%) and the rate on any one bond for each coupon period shall be at one rate only. The accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery. No bids at less than par will be considered.

The Township reserves the right to call in and redeem in whole or in part all such bonds for redemption payment before maturity on any interest payment date by payment of the par value thereof, plus interest thereon, and to make such payment, providing notice of such call (or redemption) shall be given at least thirty (30) days prior to such redemption date by publication in a newspaper published in Detroit, Michigan, and carrying as a part of its regular service notices of the sale of municipal bonds. The bonds will be payable at a bank of the company in Detroit, Michigan.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all future due interest on the bonds from November 1, 1949, to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Township of Farmington.

The successful bidder will be furnished without expense the unqualified approving opinion as to validity of said bonds by the law firm of Miller, Canfield, Stone, and Stone, of Detroit, Michigan. The Township will pay the cost of furnishing the bonds.

Harry McCracken,
Township Clerk.

The Trojan Banner

SENIORS GET PICTURES TAKEN BY H. A. POWELL

Clarencville seniors are having their graduation pictures taken this week by Powell Studios. Sittings are scheduled starting at 9:00 both mornings, and 35 students will be accommodated each day.

The seniors were given a few helpful hints on how to dress and look their best for the portraits. They were told not to change their usual style of hairdress, and boys were warned to get haircuts at least four days in advance. Those who wear glasses regularly should not remove them.

Seniors are reminded that a sitting fee of \$2.00 will be assessed at this time.

Blackhawks Lead In Intra-Murals

The 9th grade Blackhawks lengthened their lead in the C. H. S. intra-mural league with victories over the Broncos and Spartans last week. Meanwhile, the Broncos and Spartans are tied for second place with one win and one loss each.

Mr. Ryniak, Intra-Mural Athletic Director, states that he would like to have more teams enter the league. He is interested in forming teams may contact Mr. Ryniak. Standings in the league as of Monday, October 31, are as follows:

Team	W	L	T
Blackhawks	5	1	0
Broncos	3	2	1
Spartans	3	2	1
Longhorns	0	6	0

Stuff & Nonsense

It seems The Farmington Enterprise has competition at Clarencville High with the starting up of The Commercial News, sponsored by Mrs. Van Praeger. It's much on the same principle as the old Banner but put out for the use of the commercial students.

First hour study hall is becoming a popular place with the students. It seems that you can get quite a bit of correspondence done in there. Maybe we should ask a couple seniors, for it seems they ought to know.

The Senior Candy Sales are coming along as well as can be expected, but Washington is still a long way off. Mr. Mann and Miss Meyland are beginning to feel like they have been run through the proverbial washboard a thousand times already since school began.

While walking down our second story hall, I saw a face peering in. I don't be frightened just because it's time for Hallows' eve. It's merely the painters on their ladders putting the finishing touches on the windows to prepare them for the cold weather in store.

With the new year starting, it seems the pass-word for the Senior class is "ring, ring, who's got the ring?" Could it be love or are they getting ready for the J-Hop?

Central Holds Costume Party

The Clarencville grade school had its traditional Hallows' Eve party on Monday, October 31, on the playground at Central. The 500 students dressed up in their various Hallows' Eve costumes and paraded in front of the teachers, who selected the best out of every room who had the best costume. Prizes were given to the winners. Then the classes retired to their rooms for their traditional party.

ENROLLMENT AT CENTRAL

The enrollment at Clarencville Central School is the largest this year it has ever been.

The 500 students who compose the enrollment show how rapidly our school district is increasing.

Editorial

Hats off and three cheers for the first women of our community.

During the past two weeks our editorials have been quite critical. This week we decided to change our tune.

These four wonderful ladies that we are so enthused about are Mrs. Rutla, Mrs. Hoppe, Mrs. Monette, and Mrs. LaVaque.

These ladies prepare for the children at Central and Edgewood schools some mighty tasty lunches and just for the meager sum of 10c a plate.

The ladies are up bright and early in the morning to be at their respective schools at about 5:30 a.m. to continue working until 12:30. The children are given a printed schedule of the coming week's menus to bring home to their parents. This helps to familiarize the parents with the wholesome food which their children will eat the coming weeks and bring out the comparison cost of quality.

A typical menu consists of vegetable beef steak, peanut butter and honey sandwiches and rice pudding. This is a tempting treat for anyone who eats lunch anywhere and anytime.

Menus are changed daily and weekly.

When first glancing at this menu your editor felt quite a gnawing at his stomach as lunch hour was drawing near. For quite a while he was tempted to stay for lunch and enjoy this treat.

A new kitchen this year has been installed at Edgewood School and a new refrigerator has been purchased at the Central Branch of the school.

All in all it was a wonderful feeling seeing the work that these ladies were doing for the future leaders of our community. Of course here's the catch. The kitchen needs more equipment so that it can function properly. The hot-lunch program is under the Federal Government subsidy program, therefore, making such a wholesome and inexpensive lunch available for our school children.

Menus are cooperatively planned by Mrs. Rutla, Mrs. LaVaque and Mrs. Mummy.

Calendar

Wednesday, November 2, Hearing test for the 7th and 8th grades, 1st through 4th periods.

Friday, November 4, Allen Park vs. Clarencville in football. There at 3:00 p.m.

Thursday, November 10, Gratiot Reserves vs. Clarencville in football. There at 3:00 p.m.

Friday, November 11, Fitzgerald vs. Clarencville in football, there at 3:00 p.m.

Saturday, November 12, J-Hop at the C. H. S. gym. From 9:00 p.m. to 12 p.m.

JUNIOR HIGH RECEIVES HEALTH EXAMINATIONS

The Clarencville Junior High School was given hearing tests on Wednesday, November 2, by the Physical Education teachers, Miss Myers and Mr. Ryniak. The purpose of this test was to determine whether or not the students need further examination or help. This test was the first of a series of examinations given by health directors. This was also the beginning of a health examination record to be kept on file. Mrs. Scott, Wayne County Health Nurse, will supervise the examinations.

JUNIORS HOLD ANNUAL J-HOP

The Juniors are staging their annual J-Hop November 12, 1949, in the Clarencville High School Gym. This will be the first semi-formal dance to be held in the new gym.

Music is to be provided by Stan Johnson and his seven-piece orchestra from Ypsilanti, Michigan. There will be interrupted dancing from 9 until 12. Decorations will be a complete surprise.

Tickets may be purchased from any junior.

Home Ec Students Organize "Sitters Club"

A Baby-Sitters' club has been organized in the Clarencville School District. The club is to benefit those who wish to spend an evening out and have their children well taken care of. The procedure of hiring a sitter is as follows:

1. Call Winifred Lawerson, secretary, at Farmington 1-24 after 4:30. She will give you the names in your neighborhood.

2. If possible, the first time you have a sitter call her a day in advance to enable her to let her parents to become acquainted with you and the children.

The sitter must be accompanied to and from your home if at night.

4. Leave a telephone number where you or a relative may be reached.

5. A sitter's fee is 35¢ per hour and 50¢ per hour after midnight.

6. Inform the sitter of her duties.

7. All club sitters have had instructions and experience in babysitting.

Trojan Talk

The whole Trojan team starred in Friday's game under the lights with Northville. Coach Greig's boys outgained and outblocked the Mustangs forward wall throughout the game, and the CHS backfield was fast and efficient in gaining ground. Dale Pound and Fred Sinclair sped through holes in the line to roll up a major part of the yardage in making 11 first downs.

Northville's big 200 lb. backs met defeat around left end at the hands of a mighty mite, Little 125 lb. Bob Childers held the Mustangs to an average of minus one yard per try around his end.

The brothers Simcheck, Al and Ron were the most frequently mentioned players over the loud speaker. They were in on nearly every play and Al blocked the kick that gave Clarencville a safety and victory.

Spider Shufflet played his first full game at defensive tackle Friday night. He did pretty well, too, for only 15 yards were made through him in the entire game.

Dale Pound revealed himself on Northville with his sensational pass interception, and scored 2 plays later by vaulting the line. Dale played the best game of his high school career in our opinion and we have been watching him through three seasons of play.

Clarencville has a new cheerleader in the person of Sammy LaBrecque, a 6th grader. Sammy is the first to be a cheerleader at C. H. S.

Next on the agenda is Allen Park, whom the Trojans meet at Allen Park this week.

Eighth Graders Elect New Class Officers

The eighth grade elections were held at Clarencville October 26. Officers elected to the positions are as follows:

Robert Sünkel, president; Larry Trucker, vice-president; Ruth Standburg, Secretary and treasurer.

YOUR OLD TRUCK MAY TRADE FOR \$25 TO \$200 MORE THAN YOU THINK

THESE FOLKS MADE MONEY ON A FORD TRUCK TRADE!

Why Don't You?

"My old truck was just about ready for retirement, so when I heard about the big trade-in allowances my Ford Dealer was making, I decided to deal. If I had waited a few months longer, I would have had to take a couple of hundred dollars less for my old truck."—Roy Glig.

"When I decided to trade in my old truck, I did a little shopping around to see how good's deal I could make. The best deal was at Ford! My old truck brought me \$75 more from my Ford Dealer than it would have at three other places."—Ben Fleischman.

"My old truck was facing some big repair bills. So, when I heard that my Ford Dealer was making big trade-in allowances, I went down to see. In an action to a dandy allowance, I figure I made a fast \$200 on a Ford Truck trade. Used truck prices were slipping so fast that in 90 days, the kind of truck I traded in was selling for \$200 less."—Leonard Dolbe.

"When I heard my Ford Dealer was making the best truck deals in town, I decided to check. I made up my mind the spot, and I'm tickled pink I did. Used truck values have slipped in the last three months, so that I figure my other thinking and fast action got me at least \$175 extra on a Ford Truck trade."—Andrew Hyslop.

"When he topped the best previous offer by \$100, my Ford Dealer proved he was making the best truck 'deals' in town. But that isn't all I figure I made another \$150 by trading rather than waiting because used truck values were slipping so fast."—Sam Partien.
