Colleges Offer Financial Aid

Scholarship information has been received by the administration from various universities and colleges throughout the country. This material is posted in Miss Ruth Bailey's room (Room 3) for those interested.

The following schools offer scholarships: Michigan State University, University of Michigan, Michigan College of Mining and Technology, University of Chicago, Carnegie Institute of Technology, Stanford University, Kenyon College, Denison University, Colgate University, Oberlin College, Western College for Women and Rollins College.

To each high school graduating class, the Michigan College of Mining and Technology is awarding a scholarship to either boy or girl interested in applying for one.

Here And There With The Alumni

Hello There,

It was certainly nice to see so many of the alumni home these past weeks. We have been talking to a lot of them, and we've got a lot of news.

Floyd (Junior) Quick, '44, and his wife are living on State's campus. Floyd will be graduated next summer.

By way of Lee Lathrup we hear MSC has great snow ball fights — when there is snow. Lee is studying journalism while at State and has been in the same class as Pat Wheeler.

John from State was Junior Fend, Eliot Tyler, Velma Goers, Jack Clark and Fred Hamlin. Dick Martindale and Dick Wheeler were here from Hamilton, N. Y.

Leidig, Dorothy Howard, Al Gorchow and Johnnie Brooks returned from U. of M. Jim Van Every was around until New Year's from the Houghton School of Mining.

Gardner has been seen about town, home from Olivet.

Margaret Leach has been promoted to Recreational Head in the Tokyo area.

Ed Hies was also on leave. His address is: Ed Hies, I.C.F.A., USS Orion, A. S. 18, Eighth Division, c/o P.O. New York, New York. He has only 18 months longer before he is out.

Louis (Murf) Chazron was home for New Year's. He has finished his basic at Lackland Air Base and is now at Reese Field in Texas.

Love, Betty

Jr. High Organizes Cheerleaders
Miss Shirley Rowe and Mrs. Mary Oliphant have initiated seventh and eighth grade cheering squads respectively. This is the first time there have been junior high teams.

The following girls cheer at both home and away games: Seventh grade — Patricia Groover, Barbara McDonald, Jane Granger, Georgi Vailancourt (captain), Jean Hargraves, Marianne Ratliff; 8th grade — Kay Holcomb, Lenore Gildemeister, Nancy Lutz, Nancy Banks, Jackie Pfeiffer, Mary Lou Whitehead, Sandra Hicks and Donna Cox.

N. S.

Shop Machines Buzz Again

Skilled workmanship is once more being exhibited in shop class. Mr. William Nuse has Dave Dirmeyer working on an end table; Bruce Yanke and Fred Gironx on a book case. Bob Simpson has been making batons for Mr. J. W. Henderson. In the refinishing department, Dick Kosmensky has been mending disfigured school desks.

While Bill Hanson and Bob Stinson are sanding a corner cupboard.

H. D.

Competition Begins In Girls' Athletic Assn.

Now that the practice games are over, the real games have begun.

Last Thursday the basketballs really received a workout. Jones's seniors won over Shaw's seniors with a score of 17 to 6; the juniors gained a score of 15 to 3 over the sophomores; and Hay's freshmen triumphed over Wynn's freshmen with a score of 14 to 6.

Editorials

OUR STAFF PLEDGE
We, of the Journalism class of 1950, present to you our first issue of The Blue and White. We now have met our initial deadline and feel even more sure than before that we have an adventure and a certain responsibility before us in bringing the news to you correctly and completely.

We hope to meet many new friends through our columns and to make the most of our new opportunity to profit by experience.

As a class, we sincerely desire to meet every deadline promptly and to uphold in our writing the standards of good journalism.

With the coming of the New Year, we, too, have made a resolution: to edit the news to the best of our ability, based upon fact and unswayed by prejudice. Our goal is to gain your interest in our page through clear, accurate presentation of the truth.

Editor, S. S.

IN MEMORIAM

Friends and former students of Mrs. Herbert Beaulieu were saddened by the news of her death on Monday, December 19, at her home in Wyandotte. Mrs. Beaulieu was known to most of us as Miss Ruth Bacon. She died of injuries received in a fall. The exact details of the accident are unknown since she never regained consciousness.

Miss Bacon came to Farmington in 1911 as vocal instructor. She also played for the Kiwanis Club. She left here in 1943 to serve as a Recreational Red Cross Director in Air Base Hospitals.

After her return from the Red Cross, she resumed teaching at Wyandotte, where she later married. She is survived by her husband and mother.

Juniors Announce Theme Of J-Hop

"Winter Wonderland" was chosen as the theme for the annual J-Hop by a committee with Mary Weaver as chairman. The dance, which is from 9 p.m. to 12 p.m. on January 25, will feature the music of Jimmy Stevenson.

The committees and chairman for the affair are: Decorations — Sally Lutz; Advertisements — Gabriel Mubling; Orchestra — Bob Clark; Refreshments — Lorene Hamlin; Tickets and Invitations — Dick Alexander; Clean-up — Jim Bates.

Talent Wave Hits Farmington

Because two years have passed since a Talent Show has been given in FHS, the one sponsored by the Student Council is making rapid progress.

The show will be January 14, 1950, at 8 p.m. in the FHS gymnasium. Tickets will be sold at the door.

Only students are eligible to participate. Auditions were held Wednesday at 7 p.m. and Friday after school. A committee consisting of Leo Tyler, Judy Henry, Jane Hamlin, June Turner and Anne Ruch judged.

The winner from FHS will be sent with students to perform assemblies for members of the Interlakes League.

Camera Club Sees Photocopy Demonstration

A short talk and demonstration were given last Thursday by Richard Schreiber on the art of photocopying. The project, which used most of the two-hour period, was concluded with an actual development of the picture that Schreiber took. The negative itself, taken of a drawing in a biology book, was very clear.

Mr. J. J. Manz, advisor to the club, remarked that in time photocopying may become very valuable to many teachers. He stated that it is now possible to take a page of a book, photocopy it, and then project films on a screen, thus eliminating the problem of passing the book to students individually. F.C.

Superintendents Attend Meeting

The Michigan Association of School Superintendents met in Grand Rapids January 6 and 7. Dr. Lee Thurston, State Superintendent of Public Instruction, discussed general school problems and activities of the department. Clair Taylor, Deputy Superintendent, presented a tentative draft of the proposed state aid bill. The uniform finance accounting manual was introduced. This accounting procedure is to become effective July 1, 1950.

Regional meetings of the association were held Saturday. M.W.

Freshmen Down Clarenceville 34 - 21

The freshmen basketball team defeated the reserve squad of Clarenceville last Friday by a score of 34 to 21. The game was played immediately after school in the FHS gymnasium. High scorer for the game was Doyle Nichols, who collected 10 points. He was followed by his brother, Denver, who sank six. Larry Pink, Milton Garner and Richard Tyler came up with five points each. L. G.

Freshmen Welcome Estonian Newcomer

Although she has just recently arrived in the United States from Germany, Helve Haller has found a new home in Farmington.

Helve, whose birthplace is Paarp, Estonia, can not speak English. While in Estonia, however, she did learn some English. Her limited vocabulary has not hindered her making friends.

Although others have looked out for Helve's interest, Caroline Raliff, a fellow freshman whose schedule is similar, has made particular effort to make her feel she is a part of Farmington High School.

H. W.

PIERON TOPS LEAGUERS

Rita Pieron has rolled high game and high series again. Her game was 171 and the series 422. Rita has the highest average of 124, followed by Florence Wallace with 122. The "Lazy Lofters" are leading the league with 1365 points.

R. H.

Tom Taggart was home from the Navy, where he is studying electronics. He hopes to get out October, 1951, and then he will study diesel engineering.

A word of kindness is seldom spoken in vain, while witty sayings are as easily lost as the pearls slipping from a broken string.
