# DIDJA GITCHER CALENDAR???

22019 Grand River

If yuh didn't yuh better come a runnin'. There's only a few left. Yuh know these here Mountain Boys need a home. Speakin' of needin' a home, we got a lotta stuff that needs a home — like fer instance the stuff with the damaged labels that we're sellin' 2/25c. Now this here stuff is too damaged to sell at that price so we're goma have one big pile fer one thin dime. There aint nothin' wrong with the stuff inside. There aint nothin' wrong with havin' liver and onions fer supper if yuh like liver either. We got some nice fresh pork liver fer 19c a lb. Course you gotta have some bacon to fry with it. Would yuh like some sliced bacon fer 39c a lb? Hey - we jest got more meals planned fer yuh this week. Another one is spare ribs and dressing. These spare ribs are only 35c a lb. and there's no pain or strain when you use Devonsheer prepared dressing. Besides bein' easy to fix it's awful darned good eatin'. You know we aint had enuf ice fer the ice fishin' guys and some of 'em are gettin' kindda unhappy about the whole thing so Maw — maybe you could make the old boy happy by givin' him some perch fillets. We got 'em fresh frozen and de-boned fer 35c a lb. And say, howdcha like to sink yer teeth into some beef tenderloin steaks? Betcha you aint had none fer a long time. We got a few we're gonna sell fer 99c a lb. this week. Sounds terrible awful good - huh??

You know we got Hills Coffee in our window fer 75c a lb. and we aint kiddin'. That's what we're sellin' it for but we gotta limit it to two lbs per customer. Course there aint no law that sez yuh can't send the old man and the 3 kids in too!! Then we see by the papers that some of "THE BOYS" are sellin' Spry and Crisco fer 73c fer a 3 lb. can - so we'll jest call their bluff and sell it fer 73c, too. Course now if yuh wanna bake a really good pie yuh wanna use some of our own open kettle rendered lard fer the crust. We're sellin' it 2 lbs. fer 29c and we dood it in a big kettle in the back room all by ourselves. If yuh don't believe us we'll show yuh the kettle. Wanna see it??
