DANGER - SPEED

With winter weather as an additional hazard to driving, speeding or reckless handling of cars is an unnecessary cause of tragedy.

Many people are hurt day after day when carelessness causes heartbreak, misery, and death.

Automobiles are used for one thing and one thing only: and that is transportation. They are not to be used for driving around corners at fifty to sixty miles per hour or to "pass up" other cars on the road.

Sergeant Floyd H. Sallow of the Farmington Police said, "One hundred and forty-one accidents have occurred in Farmington in the last year; three of these fatal. The causes were reckless driving, intoxication, and excessive speed. My prescription: "caution!"

After school thoughtless students, by obstructing traffic, not only harm themselves but others. You were taught in grade school to stop, look and listen. Do not forget to do so in high school, also.

Traffic lights, stop and warning signs are for a purpose. Speed limits are posted at certain designated places on the road to indicate the danger of speeding. Watch red and green lights at railroad crossings, for these are perilous and treacherous. Remember these warnings are for you. Obey the laws and rules, and driving will be a greater pleasure for everyone.

Here And There With The Alumni

Wedding bells were sounding for Gloria Fenton and her fiance, William McClay, on January 14. The couple will live in Detroit. Our best wishes.

We hear from Margaret Maas that she and Betty Gerds are entering Highland Park Junior College and Wayne, respectively, this month to begin their nurse's training.

LaVerne and Eda (Carnevale) Wadestor announce the birth of their baby last week. It is a girl and will be called Roma Rose; however, she won't be christened until LaVerne gets home in April from Georgia, where he is stationed. The proud mother says the baby weighed 7 lbs. 1 ounce at birth and was 19 inches long.

Just to get you up with the Carl Goers family - Dorothy and her husband, Roy Schowchow, are living at 17674 Salem in Detroit. Lois and Don Lamont reside at 19400 Five Points in Detroit. Lois has been helping out in the post office.

Velma is at Michigan State studying Business Administration. Lore Leldig and Fred Allen from U. of M. came in to chat for a few minutes. Neither looked too abused, despite a rather long grind at Semester exams.

Ruth Garsely chatted with us for a while Friday. She did art work for the '49 Rollcall, so she got a big kick out of some of the sketches for Crispin.

Love, Betty

Lettermen Honored "Sports Round-Up"

The "Sports Round-Up" for all lettermen from the Inter-Lakes schools, and also Clarenceville and Berkley, was given by the Farmington Junior Chamber of Commerce Saturday, February 4, at 7:30 p.m.

There were many speakers from various schools and colleges. They are as follows: from the University of Michigan, former All-American quarterback Mr. George Celtham, from Michigan State College Mr. "Duffy" Daugherty, representing Michigan State Normal was Mr. Harry Ockerman; University of Detroit, Mr. Warren Hiltz; and the coaches from schools in the Inter-Lakes League. Also included in the program were movies of the Michigan - Michigan State football game. Later in the evening a trophy was awarded to Wayne O'Shane, president of Keego Harbor, for being elected the most outstanding player of the past season.

Guests were served refreshments following the program.

Pep Meeting Cheers Aided By Projector

The seniors in Miss Ann Metzger's advisory group presented a new and helpful idea when they sponsored the pep meeting, which was held Friday, February 3, at 3:05 p.m. in the gymnasium. Lettermen cheered on a screen, thus making it possible for everyone to participate in the cheering.

Mr. Donald Hossler, coach of the track team, presented honors to the following tracksters: James Yull, third place; David Turner, fourth place; and James Keck, fifth place.

The All-League football players who were awarded by Coach Nuse were: First team - Bruce Yance, Foster Aschenbrenner, and Lee Tyler; second team - John Boyce; and honorable mentions - David Dirmeyer, George Hayes, Gerald Diefel, George Barrows, and Irving Godfrey.

A pep talk was given by Mr. Tarmo Maattala, which was followed by the singing of the school song.

Camera Club Takes Portraits

Last Thursday night members of the Camera Club received a very good lesson on portrait photography. Mr. Robert Benjamin, adviser to the club, brought a tripod and two cameras, one a Kodak Reflex and the other a Speedgraphic. He used two flood lamps with a white screen as a background.

The principal model for the portraits was Nancy Holcomb. (Incidentally, if Nancy looks a little sunburned, it's because she posed for several minutes under a couple of very hot flood lamps!)

Protection of Wildlife Is A Constant Cause

The Art Club announces a state-wide poster contest advocating the preservation of wildlife being sponsored by the Michigan United Conservation Clubs.

There are two divisions in the contest: Division "A" for students in grades 10 to 12, with prizes ranging from \$100 to \$150; and Division "B" for students in grades 7 to 9, with prizes from \$50 to \$100. Ten honorable mention prizes of \$5 each will also be awarded.

All posters must be in before April 1 of this year. Winning posters will receive state-wide recognition. For rules of the contest, see Mr. Robert Benjamin's bulletin board in Room 22 or the bulletin board in the main study hall.
