MSC "Flying Classroom" Goes to Europe

Michigan State College will launch its first annual European "Flying Chastroom" March 18, under direction of Prof. Carl M. Horn, head of continuing education at MSO. Horn, left, discusses plans with M. A. Waldo of Waldo Travel Agency in Lansing, technical consultant for the tour, and Dr. Paul H. Kinsel, right, director of travel service for the National Education Association. Sixty top-flight educations from every state in the mation will take part ducational conditions in 12 study of economics, including if possible, Czechoslovakia. Several thousand organizations will join hands to provide scholarships for one representative from each state, as selected by state educational committees. Horn is the nation's leading exponent of "education with wings" and has directed five regional and national "Flying Classroom" studies in the past five years.
