HAVE YUH NOTICED---

How thin our men are gettin'? It's awful! You know first thing in the mornin' they shovel the walks and then a couple cars spin their wheels out front and throw the snow back on the sidewalk—so they grab their trusty shovels and go forth agin—only this time they think they'll fix it good so they throw the stuff out in the middle of the street—then that derned street cleaner-upper comes along and you guessed it—snow and slush all over the place. Git yer scoop, guys—here we go agin. It's a great fight Maw—put on the skillet—we'll be right home with the bacon. We're gonna git it hot outta the smoke house at Conroys, It's our own hickory smoked stuff fer 59c a lb. And you know somethin' else we got? Fresh fish. Pike fillets. Now these here pike fillets are bein' caught in Lake Erie. They're fresh water fish and they're only 59c a lb. Maybe it aint so much fun to git 'em this way—but it's a lot cheaper than drivin' to Lake Erie.

You've heard of Heinz and his 57 varieties of pickles. We're gittin' jest about that many kinds of dog food. The Defiance people are packin' horse meat in cans now and it's about the cheapest dog food we got — 3 cans fer 22c on this introductory sale. Talk it over with yer dog and if he thinks he'd like to try it stop down and git him some. Then while yer close by you'd better git some of Conrov's coffee while it's still only 69c a lb. Right around the corner there you can git a tall can of Table King pink salmon fer 39c. You gint gonna pass that up — are vuh?

Now we wanna thank the American Legion for the opportunity they gave us which enabled us to show some of our merchandise to the people in this community. We also wanna thank you people for the way you responded to the Mid-Winter Festival. It was a great show and we did have fun, didn't we??? Did you ever find a key that fit that derned chest??
