Mr. and Mrs. Loren Ray are on their way from the west coast to Michigan, where they expect to enjoy a vacation visit with Mrs. Ray's parents, Mr. and Mrs. Leslie Boyd and other relatives in this vicinity.

A grass fire originating in rubbish being burned near the Bigelow home Saturday afternoon assumed such proportions that combined efforts of neighbors and the fire department were needed to prevent flames from reaching buildings. A similar fire Sunday afternoon near the Reddy residence, off Farmington Road near Shadydale, kept a dozen alarmed people very busy for an hour or so. Later on, in the afternoon of the same day, a lighted cigarette accidentally dropped at the rear of the Attama property started a grass fire which spread so rapidly that furious efforts of two dozen people were all that prevented buildings from being destroyed. Fruit trees and berry vines are believed damaged. Most threatened was the Tallman property on Mayfield.

Mr. and Mrs. Don Sloan and son, Charlie, also Mrs. Harold Sloan, all from Akron, Ohio, were guests last week end of the Edwin Johnsons and other relatives in this vicinity.

Mrs. Willet, from Detroit, was the week end guest of her son, Cecil Willet and his family. Mr. and Mrs. Robert Judd and their eldest daughter, Norman, from near Grosse Pointe, were calling in this neighborhood last Sunday afternoon.

The Goodsons of Parker Avenue spent last Sunday with relatives in Detroit. Donald Kauranen was the guest last week end of his grandmother in Detroit.

Mr. and Mrs. Herman Keyser of Huntington Woods, were Sunday night guests of Mr. and Mrs. O. R. Ault.

This week for the first time since the "muddled in" period began, the school bus traveled on Norfolk.

Julius Walt, of Farmington Road, has been suffering a severe attack of flu.

Mrs. M. E. Ault, Mrs. Clinton Ault, and Mrs. Forrest Ault were over at Waterford Thursday attending a luncheon and style show held under the auspices of the Eastern Star Lodge.

Shirley Grundy, Patty Schult, and Patty Baldwin were among the local girls promoted to Senior Scouts at a public meeting held in Bentley High School Wednesday evening. An interesting program had been arranged and a large group of parents and friends were on hand to enjoy it.

On the dates peas were being planted in this neighborhood, Mr. and Mrs. John Mercer were gathering fresh ones from their vegetable garden in Hawthorne, California.

Mrs. Emerson Ault was in Detroit Friday night attending a stork shower honoring Mrs. Vincent Bolland.

Mrs. Russell of Farmington Road is in Mt. Carmel Hospital, where she recently underwent surgery.

The Turners, who purchased and are occupying the Mercer property on Seven Mile Road, have installed a gas furnace and made other improvements.

Mrs. Gamble, who resides with her daughter, Mrs. Opal Immen, has returned from a visit with relatives at Gladstone, Michigan.

Workers returning from Willow Run Friday evening report finding it necessary to pause and wipe snow from their windshields. In our own immediate neighborhood there were showers of very cold raindrops mixed with snow.

Mrs. Emerson Ault left Saturday morning for a ten day visit with her daughter, Mrs. Johnson Porter and family, near New London, Ohio.

Al Hardy and his son, Dale, from Garden City, were Thursday night supper guests of Mrs. Christana Rehahn.

Mrs. Catherine Hessler, who has frequently been the house guest of Mrs. Rehahn and made the acquaintance of some of the neighbors about, is reported quite ill at her home in Detroit. Mrs. Hessler is 86 years old.

Measles epidemic seems on the wane. John Reddy and Darla Mae Jennings, who have been victims, are returning to school this week.

Constableman Roger Graham of Mayfield Avenue is now located in the Wisconsin area.

Joanne Willet was confined to her home part of this last week.

A bridal shower honoring Miss Mary White, whose marriage to Donald Voorheis is to be an event of next month, was held at the Voorheis residence on Shadydale Avenue Friday evening. Mrs. Albert Owen, Mrs. Austin Ault, and Mrs. Norman Gedig acted as hostesses.

Miss Phyllis Ault of Brentwood Avenue has been confined to her home with a severe cold most of this last week.

William White from near Lansing

is the guest for a few days of the Browns, on Shadydale Avenue. Herman Schult of Shadydale Avenue was quite ill part of this last week.

Arnold Jennings of Norfolk Avenue is reported ill with measles.

The Magners and Mrs. V. Reddy were off to the airport Tuesday evening to meet Mr. Reddy, who was returning from a business trip. Freda Ault was calling again on Esther Haas, near Redford, Wednesday evening. Mrs. Haas, who has had a long tedious illness, is slowly convalescing. Mr. and Mrs. Haas formerly resided on Hubbard Avenue.

Mrs. Charles Armstrong was calling again on her sister, Miss Maude Gallagher, in Glenbrook Hospital Wednesday. Miss Gallagher seems to be somewhat improved.

Mr. and Mrs. Robert Hunter, Ray Bloch, and baby Mary Margaret Hunter were calling in the neighborhood last Monday evening.

Mrs. John Mercer, a former worker in the W. S. C. S. of the Livonia Methodist Church, writes that she is beginning to feel very much at home in a friendly Presbyterian church at Hawthorne, California. She finds that a large proportion of the congregation are easterners, many from Michigan. However, she has not yet entered into the activities of the Women's Auxiliary of the church.

Sunshine Sisters met in the Neighborhood Church last Wednesday afternoon. Sickness in the neighborhood interfered greatly with attendance. No special topic had been assigned, but ladies were asked to bring reports of sermons they had heard the previous Sunday.

Mrs. Armstrong's contribution was most interesting. The same plan will be carried out during the devotional period at the next Sunshine meeting, to be held Wednesday afternoon, May 3, in the Neighborhood Church.

Model Plane Movie Available To Groups

A 16 mm sound movie "Wings Over the World", is available in Farmington for showing to youth groups, clubs, and similar activities. It was announced last week by W. C. Cumbers, regional manager of the Plymouth Motor Corporation.

The film, in full color, shows some of the scenes recorded during the Plymouth Third International Model Plane Contest. The film also shows how model plane enthusiasts are learning, through their hobby, principles of aeronautics.

The film is available to groups by writing Mr. Cumbers at Plymouth Motor Corporation, P. O. Box 1518, Detroit.

Surfaces to be painted should be prepared properly before you ever pick up the brush. It will save you many dollars, say Michigan State College agricultural engineers.

Here's record-breaking proof of Chevrolet Truck Value...

Chevrolet dealers are selling more than 1350 CHEVROLET TRUCKS A DAY!

Performance Leaders

The most powerful trucks and finest performance Chevrolet ever built. The great new Load-Master 105-h.p. Valve-in-Head engine provides higher pulling power and faster acceleration for heavy-duty hauling. Improved, more powerful Thill-Master engine, too!

Price Leaders

From start to finish, you're money ahead with Chevrolet trucks. The great new Load-Master 105-h.p. Valve-in-Head engine provides higher pulling power and faster acceleration for heavy-duty hauling. Improved, more powerful Thill-Master engine, too!

No other truck ever came close to this record...

Proof again that Chevrolet trucks are Popularity Leaders because they're Value Leaders!

America's truck buyers are careful buyers. They compare features, compare performance, compare value. They buy on facts, not claims. And that's why they are buying new Chevrolet trucks at this record-breaking rate—buying more Chevrolet trucks by far than any other make. What greater proof could there be that Chevrolet is the truck for you, too! Come in and look over the Advance-Design models. Big, rugged, heavy-duty trucks with more power than ever. Trucks for every trade and every need. Come in today!

*We and other Chevrolet dealers throughout the nation have just completed the greatest truck-selling month in our history—delivering new Chevrolet trucks at the record-breaking rate of more than 1350 a day.

Popularity Leaders

Final and official 1949 registrations show that in every State in the Union more people bought Chevrolet trucks than any other make. In total, Chevrolet trucks were ordered over the next two makes combined—convincing proof of greater value.

Payload Leaders

You can haul more goods more miles—at lower cost per ton mile—in Chevrolet trucks. Advance-Design and rugged construction bring you important savings in operating and repair costs. Greater hill-climbing power and faster getaway reduce total trip time.
