New League Holds  
Council Meeting

Student Council representatives from Clarenceville High School met last Wednesday, April 26, at Holly High School with Northville, Holly, Milford, and Clarkston in a joint student council meeting. The purpose of the meeting was to discuss the formation of a new school activity league.

Another meeting is to be held in November at Northville High School when the five schools will complete the league discussion and draw up a constitution.

The representatives from Clarenceville were Albert Simcheck, student council president, Jane Rutilla, student council secretary, Kay Riddell, representative from the junior class, and Barbara Wynditch, representative from the sophomore class.

STUDENT COUNCIL  
DISCUSSES HALL  
TRAFFIC PROBLEM

The Clarenceville High School Student Council met Tuesday, April 25, to discuss the traffic problem in the halls while classes are passing. Mrs. Chamberlain and Miss Myers set up a system on paper and it was presented to the council for further discussion and organization. A committee was appointed to meet with these teachers to do further work on this.

The committee on investigating the lawn planting reported to the council that it would take approximately 75 pounds of seed plus fertilizer to begin the planting. The raking crew has already begun to rake. A letter is to be sent to the board of education for the purpose of asking them to put up a fence around the front yard.

Here And There  
With The Alumni

Hi All!

We saw Richard King coming out of the Farmington Bakery. He is doing all right and said to say "Hello" to everyone.

While talking to Shirley Moody and Bob Sonnenberg we found their wedding date is set for June 23, not the 17th. They are sure making nice plans. Good luck!

Dick Letimer and Johnny Rittiger planned a fishing trip up north but, due to weather conditions they had to postpone it until another week. When they do go they can bring back a few fish for us, too.

Fred Grose and Bill Nicolas were home from school last week end. Fred said he was getting along fine. We haven't talked to Bill but he sure looks good.

Well, Gerry Priebe and Jack Williams are now married. They had a beautiful wedding Saturday, April 22. We sure wish them lots of love.

One of our graduates of the year went to the Farmington Prom and said it was very nice. Alumni! Don't forget the Clarenceville Prom May 29, 8:00 to 12:00 in the gym. The seniors promise a good time for all alumni.

## Editorial

Tuberculosis is one of the worst scourges of civilized nations. The fight against this terrible disease is now going on full force. With the use of the x-ray and the skin test it is now possible to find out conclusively whether or not tuberculosis or T.B. as it is commonly called, is present.

Next week a portable x-ray unit will be here to check for T.B. The necessity of an x-ray cannot be stressed enough. If you have ever known anyone who has had TB and talked to him you have probably found out that he, too, will encourage x-rays. But the necessity of getting an x-ray lies not only with the students but also with each parent and adult in the community. On May 5 and 6 everyone who wishes an x-ray will be able to get one. Having this picture taken is not only a privilege but also an obligation. It is your duty to get an x-ray for the protection of yourself and everyone else around you. We hope that all students and adults who read this will inform others and that the turn-out next week will show us to be a health-minded community.

Reserves Take Opener,  
Beat Dublin 4 - 3

The Clarenceville Reserve baseball team in its first game of the season played the Dublin Reserves team on the Clarenceville diamond. The Trojans put up a good showing and took the opener by beating the Dublin Reserves 4 to 3.

Ferry Heaslip, Clarenceville pitcher, was handicapped by a sore arm but pitched a very good game, allowing only four hits, walking one and having 12 strikeouts. No one really got any hits until the third inning, when a single by Faler, and Dobitalle and a grounder by Joe Whyte accounted for Clarenceville's first three runs.

In the fourth inning Dublin's center fielder came in on a fielder's error for their first run. The sixth inning proved to be fatal to the Trojans when Dublin's pitcher and the first baseman came in off a single and ground-out by Johnson and Turpin to tie the score 3 to 3.

With the score tied, the Trojans went into the seventh inning determined to win. Keller, first man up, struck out, but Faler got on base on an infield error, stole second, and came home on a single by shortstop Joe Whyte, to put the Trojans in the lead 4 to 3 and to win the game.

In Annual Band-A-Lee.

Friday, May 12, the Clarenceville Band will attend the annual Band-A-Lee at Milford.

The Band-A-Lee will consist of a parade and a mass concert composed of six high school bands amounting to about 300 students.

The bands participating in this Band-A-Lee are from Holly, Milford, Keego Harbor, Walled Lake, Farmington, and Clarenceville.

The director from each school will have charge of two numbers. The Band-A-Lee is sponsored by the Western Oakland County Band League and the Milford Rotary.

All Stars Take  
League Crown

Tom Rutlla and Richard Woods combined scoring forces last Wednesday afternoon to lead the eighth grade All Stars to a 10 - 7 triumph over the ninth grade Silverstreaks. The victory gave the All Stars the Intramural Championship. The game was played before an assembly of all grades in the school. Two seniors, Henry Albers and Eugene Derrick officiated the game. During half time a group of seventh grade boys entertained with a game of crab soccer which ended in a draw. Mr. Casimir Rydzak, intramural director, was in charge of the program.

Both teams battled to a standstill in the opening quarter, but Tom Rutlla dropped in a basket and a free throw to put the All Stars into a 3 - 2 lead over the Silverstreaks in the second quarter. Burglund scored once for the Silverstreaks. In the third quarter Tom Rutlla added a basket and a free throw and Richard Wood tipped in another field goal to jump the All Stars' point total to eight. The Silverstreaks tallied as Ken LaDue scored on a field goal attempt.

The final stanza saw Burglund and Latwinski of the Silverstreaks score a field goal and a free throw while Woods of the All Stars dropped in the All Stars' final two points on a basket.

The final score showed the All Stars with ten points and the Silverstreaks with seven. The All Stars will receive a trophy in appreciation of their efforts. B. R.
