Lots of hot water for Automatic Home Laundries with a Timken Heater

An automatic home laundry is of little use if you run out of hot water on wash day.

If you have a new Timken Silent Automatic Oil Burning Water Heater, however, you can be sure of plenty of hot water for the laundry—and all your domestic needs—automatically.

Timken Water Heaters are built around the thrifty Wall-Flame Oil Burner. They burn low-cost No. 2 fuel oil, the cheapest fuel for heating water. Users report big savings over other methods.

Investigate the Timken way to have plenty of hot water for all your needs. Call us today for complete information on the new Timken Oil Burning Water Heaters.

Students Receive Athletic Awards

Many students were given athletic awards at the annual athletic assembly on Thursday, June 1. The school band, under the direction of Mr. Lloyd Smith, opened the program by playing the school song.

Coach Robert Hutton, who acted as M. C., introduced Miss Ann Metzger, who then presented the G.A.A. awards. Four girls' names were added to the honor roll of this organization. They were Judy Hiron, Pat Kelly, Rita Pioner, and Ann Plimpton. Their names will be placed on a plaque with Gladys Pyralis's and Helen Tapp's. Mr. Tarmo Mattila made presentations to the bowlers who won recognition for their fine work. Jim Whitman gave Frank Coon and Fred Giroux gifts for their extra work as league officers. Caroline Gardner and Kenny Siler prizes for winning the Mixed Bowling contest. Ruth Hamlin presented Mr. G. V. Harrison with a trophy for his fine work in the State tournament. Virginia Pryhof and Florence Wallace were given mementos for their achievement throughout the year.

Miss Margaret Lingo then made the cheerleaders award and announced next year's cheerleaders. Virginia Pryhof gave Miss Lingo a token of appreciation for the vision she has rendered as advisor and sponsor.

The cheerleaders were announced for the coming year as Virginia Pryhof, Gerry Hawkins, Charlotte Mottho, Helen Higgins, Jackie Pfister and Dorothy Cant.

The coaches then gave the boys who had worked hard in the field of sports and their achievements. Mr. Hutton announced that 195 awards would be made and that 127 boys would receive them. Mr. Donald Hostler presented the freshmen with the number 1, Helen Higgins, Jackie Pfister and Dorothy Cant.

George Barrons and Jim Crawford made presentations for their teams. George asked Mr. Hutton, Mr. Burtch, and Mr. Nuse to come forward. He thanked each coach for the fine job he had done during the year. Jim called Mr. Housler forward and presented him with a gift from the track team. He also expressed his thanks to the school's newest coach for the outstanding job he did with the track team.

Here And There With The Alumni

Hi There, Nearing the end of the school year, we find we have a few alumni who are being graduated. Those from State are Martin Osmus, Fred Hamlin, and Floyd Quick, Jr. Al Anderson will be graduated on the 17th from U. of M.

Perhaps you read in the paper last week about Betty Hunt's wedding on the 17th. Good luck to you, Betty. Marge Hunt will be the maid of honor and John an usher.

Bill Daines has been studying in the dental school at Ann Arbor.

By the way—Lola (Gately) and Bill Mitchell are living in the upstairs apartment at Schaefer's. Drop in some time.

I've enjoyed being with you this year very much. If there is any news you ever want in this column, just phone it in. Next year's alumni editor will be glad to get it. Good-bye and best of luck.

Love, Betty, R. H.

Journalists Roast Their Own

The journalism class and members of the Quill and Scroll enjoyed a delicious steak roast at Cass Lake on Tuesday, June 6, after school.

With Miss Marion Dammon as supervisor, the hungry reporters feasted on steak with buns and all the trimmings, potato chips, pop, olives, salad, and, as their desert, graham crackers with roasted marshmallows and Hershey bars inside them.

Transportation was provided by members of the class. M. W.

EDITORIAL

LAST DEADLINE

As we, the 1950 Journalism class, put this last issue of Blue and White to bed, we also complete our four years of high school and file them away as pleasant memories of learning to live and work with our teachers and classmates. Although we are in a sense completing one cycle of our lives, our years have been the foundation for what will follow. Through the guidance of our faculty we have chosen and developed special interests which many of us will pursue as we continue in college or in the business world. To these teachers, whom we seldom find time to praise, we would like to express sincere thanks and say that the time and attention you have given us is appreciated.

As a Journalism class, our thanks also go to The Enterprise office, whose staff has cooperated with us in printing our stories, and to our Journalism teacher and sponsor, Miss Marion A. Dammon, who has taught us the background and fundamentals of newspaper writing and whose continuous help has been essential.

We hope that you, our readers, have found valuable news in our columns and evidence of improvement in our news coverage through the year. Besides learning the value of honest, accurate reporting, we have discovered that integrity and intelligence are also essential to our daily living.

It is with regret, but also with confidence, that we cover our typewriter and carry our last copy to the printer, knowing from the experience we have gained, that the Journalism class to follow us will find a great satisfaction in continuing and improving the Blue and White. We wish them success and hope that they, too, will find an unexplainable thrill in meeting their deadlines, and in their first work as reporters.

S. S.

CAN YOU VOTE?

Do you remember when you were given the privilege to vote, the right to select the candidate you wished—Democrat, Republican, Socialist, or member of some other party? That was a glorious day for many people, but what was fought for years ago seems to have lost some of its glory, some of its privilege, and some of its history. Pride in an event such as going to the polls appears past. People have forgotten what they read in their history books. They should not because what they are doing today will be in the history books of tomorrow; your children will be reading your "life" just as we are reading our ancestors'.

What would our country be like if we did not have the power to elect our own choice, to see or hear of bills passed by Congress, or to choose our own democratic president? Yes, these incidents are all important to us, to each person living in this United States.

And just as your candidates are important to you, a small lighted football is important to the students. Every person saw the figures of last month's elections, and every person who did not vote should feel ashamed, not because the issue was lost but because he did not use his right to cast his vote. It would not take long for any man or woman to drive to the gym to vote on June 12. Whether your decision is YES or NO on the field issue, it is still a vote. You will have the satisfaction of knowing you actually helped in making this decision.

The students of F. H. S. are not asking that you vote favoring the project—they merely ask that you go to the polls.

Nurses Hold Florence Nightingale Service

The 27th annual Florence Nightingale Service was held by the Guild of St. Barbara for Nurses in St. Paul's Cathedral Sunday, June 4, at 7:30 p.m.

Student nurses and graduate nurses were present in uniform and all members of Future Nurses Clubs, who were invited by Miss Vera Atchinson, chairman of the event.

The combined club clubs of Henry Ford, Grace Harper, and Highland Park General Hospital schools of nursing formed a choir, which sang for this service. The Right Reverend Russell Hubbard, Suffragan Bishop of Michigan, gave the address.

Summer Program Gets Underway

The summer recreation program, under the direction of Mr. William Nuse, will begin June 26 and continue until August 4. Activities will be held at Farmington and Bond Schools for 6 weeks, and William Grace and Noble Schools for 3 weeks. The program will be held five days a week, Monday through Friday. Supervisors will be Lord Loidig, Yelma Goers and Ann Plimpton, Gerald Plum, James Bates and Donald Bunge.

Softball, baseball, group games, croquet, track and horseback riding will be among the many activities. A baseball clinic will be opened to the Junior High boys. The wading pool will be open to the younger set, and the Red Cross will sponsor a swimming program at Kent Lake. There will be a bus to take them to the park and back. Also included in the schedule of activities are trips to the Detroit Zoo, Greenfield Village, Kalsner-Frazier plant and treasure hunts.

Choir Picnic Rain Darkens

Rain in the forenoon did not dampen the spirits of thirty-two choir members who attended the picnic last Saturday at Cass Lake. The weather cleared in the afternoon, and a few of the members ventured into the water.

Mr. Byron Oliver, Mr. J. W. Henderson, Mr. Louis Gilson, and Mr. Robert Benjamin attended the picnic as sponsors.
