

Meadowbrook Murmurs

By Mrs. Dean Eckert
PHONE 0337-M

Bright as the attractive new yellow shutters and doors at the J. N. Caultin residence on List Street are the prospects for our water system this coming year. Richard Friebe, chairman of the advisory committee of the township water system, reports that there has been approximately a 44% gain in collections for water used this year since meters have been installed at all connections. Many unauthorized connections have been located and more are to be found. If you know of someone using water from this system illegally, you'll do a great many folks a favor by reporting it. Phone Mr. Friebe at Farmington 0987-W or contact any member of the water board you may know.

The water for our system comes from Detroit and is being increased gradually. At the same time more new homes are being connected so the situation may remain tight for some time. If you'd like to know more about this, be at the Clarenceville High School at 8 p.m. on July 20. Matthew Carey will have his first annual report completed at that time. We'll remind you again next month.

Mr. Friebe is one of our busiest citizens and our congratulations are now in order to him and Dallas Sullivan who are the newly elected members of our school board. Both men have children in our schools, as do the other board members. In fact, it's rather a coincidence that all five men have daughters ranging from age six to ten. What fewer those little women could wield.

It looks as though the kids are in for some fun this summer, for the Clarenceville Recreation Commission is all set to start things rolling next Monday. Their funds boosted by a recent donation from the Livonia Rotary Club and profits made from the game booth at the Rotary Carnival at Six Mile and Farmington Road last week end, the group has been able to purchase some needed equipment for the six weeks program.

All children of school age are eligible and the time is from nine to five on Monday, Wednesday and Friday, and from one to eight p.m. on Tuesday and Thursday. The two evenings are reserved for adult recreation.

You'll be glad to hear that Armand Brunelle of 25932 Edgewood returned from the hospital last week and is on the road to recovery. Mr. Brunelle was taken ill suddenly last month and rushed to the hospital. He returned home and then returned on June 5 for a serious ulcer operation in which half of his stomach was removed.

Thanks to the miracles of modern surgery and the kind consideration of his employer, Mr. Brunelle will be able to return to work this summer.

So, it was a pretty happy Father's Day Sunday for the two Brunelle daughters, Joyce, a Farmington waitress, is plenty happy about her week's vacation with pay, along with Lois Timons of Randall Street, is in Preston, Canada, this week visiting relatives of Lois.

Speaking of Canada, since several have commented about our confessed "elopement" there (reported last week) we make further comment. Wicked as we were to elope, looking back it seems even more wicked that we had reserved our night at the church two months previously. We had organ music, wedding cake, and photographs taken. Mrs. Murmurs-to-be even surrendered down the aisle and it was all very lovely for the audience had stayed home. We even got away without the rice, old shoes, and switching of suitcases. We didn't let the officials at the Ambassador Bridge get away with their little joke either. They tried to insist on a honeymoon pass.

Getting a looksee at her future is Maureen Wanck, daughter of the Morris Wancks of 29215 Scotten Street. Maureen, who thinks she'd like to be a coed at MSC some day, will start a three-week music course there Monday. A special course for high school students, the classes will extend Monday through Saturday until July 15. Maureen, who just completed her sophomore year, won the annual scholarship from Clarenceville High this year. She plays a leading trumpet in the high school band and also stars on the piano. She'll get an idea of the life of a coed while enjoying her stay at Shaw Dormitory on the campus.

Maureen's mom, who has been a kindergarten teacher in our school system for the past seven years, is glad more than ever this year that school days are over. She's retiring, she says, to the comforts of home, her second full-time job with a husband and two youngsters.

Celebrate Golden Wedding Date

MR. and MRS. FRANK A. HENRY

Mr. and Mrs. Frank A. Henry of 23224 Prospect were honored on their 50th wedding anniversary on Sunday, June 18, at a garden reception given by their son, Mr. Frank A. Henry, Jr., and their daughter, Mrs. George MacDonald. The couple received the congratula-

tions of about 100 of their friends who attended the event.

Mr. and Mrs. Henry were born in Saginaw, Michigan, and were married there in 1900. Later they moved to Detroit where they lived for 30 years, moving to Farmington about five years ago.

"Now perhaps I can get acquainted with all my neighbors," she remarked.

Another of our busiest moms is Mrs. William Eckler of 20009 List Street who has just nursed 14-month old Linda through a bad case of croup. Since they've about outgrown their apartment at the home of her parents, Mr. and Mrs. James Fanzini, the Ecklers are hoping to find a place soon near his work at Northville. Jim is a farm implement salesman, and, we imagine, one of the busiest dads of our neighborhood, too.

Recipe failures can be traced to inaccurate measurements, according to MSC home economists. A teaspoon cannot be relied upon to give you the standard cup used in recipes. A teaspoon or tablespoon used on its own cannot be depended on to give you the measurements that a standard measuring spoon would.

Dorothy Howard is home after attending the University of Michigan for the past year.

LOCALS

Mrs. Elizabeth Schriber of Eight Mile Road was hostess to the members of the O. D. O. Club with a luncheon at Rosemond Hills last Thursday. Mr. and Mrs. Carl Dorman from Santa Monica, California, and Mrs. Roy Taylor of Dexter, Michigan, were among the luncheon guests.

Mr. and Mrs. Billie Fields and little daughter, of Hamilton, Canada, spent Sunday with their grandparents, the David Ryalls, on St. Francis Street.

Louis Zimmermann, sister Mrs. Myron Carrier, and daughter Mrs. Locklin of Los Angeles, California, were visitors in Windsor and Essex, Canada, on Thursday.

Mrs. Margaret Mahoney on 10 Mile Road spent the week end with friends in Detroit.

Mrs. Floyd Sunnasack on Nine Mile Road Thursday entertained her mother, Mrs. Sunnasack, Mrs. G. Gibbs, and her mother, Mrs. Schroeder, Mrs. Frank Nicholson and Mrs. Earl Wilson at luncheon.

Miss Shirley Edgar has returned to her home on Oakland Avenue from Lansing where she attended Michigan State College. Miss Edgar expects to leave for Harbor Point Club at Harbor Springs, Michigan, in July, where she will spend her vacation.

Clara Swain of Lunn, Michigan, is visiting at the Earl Wilson home on Nine Mile Road.

By the way, did anyone remember the short summer we enjoyed in 1950?

and relatives on Sunday in honor of Father's Day.

Mr. and Mrs. James I. Bates from Grand Rapids were guests of the V. O. Bates family on Thomas, and attended the commencement program of their grandson, Clark, on Thursday evening.

Mrs. Milton Marquard and three sons from North Muskegon and Mr. and Mrs. Martin Bates of East Detroit were guests at the V. O. Bates home.

The Oscar Autens on Grand River entertained their parents, the Ralph Autens, and sister and brother-in-law, the Harold Westfalls, Sunday evening, in honor of Mrs. Autens' birthday.

The Roy Corners of Lunn, Michigan, spent the week end with Mr. and Mrs. Earl Wilson on Nine Mile Road.

Mrs. Emily Markham and Mr. and Mrs. R. K. McConchie entertained several friends Thursday evening in honor of their son and grandson, Charles Markham, who was one of the 1950 graduates from Farmington High School.

James Bates left Friday for Denver, Colorado, where he and students from Milford, Holly, Walled Lake and Farmington will attend the National Student Convention being held in Denver. Miss Butler and Miss Joyman, who are teachers at Walled Lake Schools, are accompanying the students. Six cars are required for the trip.

The Earl Wilsons on Nine Mile Road entertained their children, Mr. and Mrs. Wilfred Schoel and daughter from Birmingham, Mr. and Mrs. John Schoel and sons of Detroit, the Clifford School family of Berkley and Mrs. Darrell Lucas and five children, Mr. and Mrs. Earl Holland and children, Mr. and Mrs. Lawrence Wilson and children from Wayne, and Mr. and Mrs. Edwin Duckanan and son of Detroit for dinner on Sunday in honor of Father's Day.

Mrs. Myron Carrier and brother Louis Zimmerman, with his daughter, Mrs. Locklin from Los Angeles, California, left Wednesday for a trip through Kentucky where they will visit relatives and their childhood home.

Mrs. R. P. Robinson of Lake City, Michigan, visited her son Leon and family on Colgate and David Robinson and family in Pontiac last week.

"ROCKET 88" OLDSMOBILE WINS 2178-MILE DURABILITY RUN!

Outperforms 131 other cars in grueling Texas-to-Guatemala test!

Here's proof of the brilliant performance and rugged dependability of the "Rocket 88" Oldsmobile. In a 2178-mile endurance run, down the full length of Mexico on the newly opened Pan-American Highway, a 1950 Oldsmobile "88" topped a field of 131 other cars! So long and hazardous was the route that only 53 of

the 132 entrants finished the race. Twelve popular makes of American cars—and many foreign makes—entered the grueling contest. The course included all types of terrain—over towering mountains—through jungles—across desert flatlands. The Olds "88" took top honors—in fact, three of the first ten and

six of the first twenty were Oldsmobiles! This is clear evidence of the outstanding performance—the outstanding endurance built into every "Rocket" Engine and every Futuramic Oldsmobile! You owe it to yourself to drive this truly remarkable car! Make your date with a "Rocket 8" at your nearest Oldsmobile dealer's!
