Bell Company officials stated tha Bell Company officials stated that the authorized increase will add about \$5,500,000 annually to the company's revenue after taxes. The order actually adds \$5,200,000. Officials of the company stated that the increases, although less than inceded, would help to strengthen Michigan Bell's financial condition. The purpose of the increased in the increase of the increase in the condition, to its plant in order to meet the expanding needs of the people, officials added. Improvement of this service means that more money must be invested, and to attract that money from investors, Michigan Bell must have adequate earnings.

experimental grass patch, has been treated the new herbicide to eliminate crabgrass. The untreated side shows dealty of crabgrass on same patch before the

Availability of a new dry-applied prowder which kills crahgrass but does not harm desirable lawn grasses has been announced by Robert-son's Hardware, dealers for O. M. Scott and Sons Go.

The herbicide eliminates spravite continued from Page One) and hit of the day scoring Rousseaux, Bob Werschin followed with a single, but Miller was thrown out at the plate and Bud Lynch thied out to left field for the second out. Welliams alsgled, scoring for experience to odd cut. (Continued from Page Gne) ond hit of the day seoring Rouseaux, Bob Werschin followed with a single, but Miller was thrown out at the plate and Bud Lynch flied out to left field for the second out. Wellman singled, scoring Gatteri and Bob Lynch doubted, scoring Wershen and Wellman. Siegert ended the inning by grounding out.

administered, O. M. Scott says.

From experiments conducted by agronomists and lawn owners in the past several years, the producers of SCUTL have learned that it is best applied when crabgrass is flourishing, usually in July and August. The treatments should be made before the crabgrass has an opportunity to drop the seeds that will live to plague the lawn in fu-Slegert ended the inning oy ground ing out.

Clareneeville was leading 6 to 3 going into the ninth inning when Australe three runs and tying up the game. They scored their runs on two hits, a walk and two errors. Bob Lynch led off with a single to open the last haid of the ninth for Clareneeville. Yackley batted for Sullvan and singled with Lynch stopping at third. Roas seaux came through with a very timely single to score Lynch with the winning run.

Clareneeville plays P. N. A. at Nankin Mills this Sunday.

Interment was in Holy Sepulchre

There is no fit search after truth which does not, first of all, begin to live the truth which it knows.

ROLLING DOWN THE RIVER

By Bob Kettler

An old die-hard surrendered the other day. Came in and traded the old relic he had driven since the time of square tires for a lovely new 1950 Studebaker Champlon. He told stress our a tovely new 1950 studebaker Champion. He 1950 dus the old car was all right but had bad educational habits. The head man in the church borger of the control of watched his Dad start the car many a time, spoke up, "I think I know what the trouble is, Reverend," he advised. "I think you got to say "goddamit".

Well so much for education.
That fellow is getting some real
"larnin' " right now in economy
and efficiency every time he
takes his Studebaker out of the

Don't know whether we can call this a contribution or not, but a woman down the street who recently purchased a wee bit of a Cocker Spanel, sent this along, "Nothing," says ask, will train people to hang up their clothes more quickly, than to have a pup around the house."

Offering number two—from a guy named John D. who should know: "After a certain age some folks discover that a square mea has a tendency to make on

Why not send in something of your own. We'll print it, with recedit lines if desired, and what a relief it will be to us. This filling a column every week is the tog rive us brain tailque—some hing to be avoided at all costanal we 'overheard the remark that any future bein pow falls in the classification of "too little area is the send of the costant way for the send that the classification of "too little area is the costant way for the send that any future bein pow falls in the classification of "too little area is the send that way for the send that way for the send that way the

Oh yes, before we go—advertising. Will all you lugs and lasses who plan a holiday or vacation trip, drop around have the car completely labricated. A motor tune-up would help beautifully, too. It will help towards a better vacation. It will also keep our experts out shop right in "experting".

Yours.
