effort of putting cu-HAVE YOU NOTICED... the window of the Farmington State Bank lately? It will attract your eye in a minute. The window, sponsored by the Groves Walker Post American Legion, has all the information about the Annual Gala Days Celebration coming up next Friday, Saturday and Sunday, Jaly 21, 22 and 23. So he sure and have a look the next time your are up town. You won't want to miss this year's Gala Days and one look at the window will show you why.

PATCH WORK is showing liself again this week around Farmington. We mean the kind of path work that makes our city streets smoother. Evidence of the small black patches is farther proof of the rough wither and spring we experienced around here, a few months ago, will have to ment. anyway, and who have the provide the the provident al about it. The provident of the provident of the provident of the source of the provident of the provident of the provident to make life easier for yourself and your car in a short time now.

tersection to 14 Mile Road, near the terminus of Northwestern Highway. Limited funds necessitate the partial resurfacing of the main north-south artery through the township, Beiknap said. Orchard Lake Road south of the 14 Mile in-tersection must be widened and given a concrete cap in place of the usual backtop surface. This is the treatment given Elfaabeth Lake Road last year. Heavy northbound traffic from Detroit and US-16 have worn Or-chard Lake rough. Although the anced of resurfacing, the county read commission has previously is all focient for the highway is in need of resurfacing, the county read that available funds were not entire length of the highway is all focient for the complete jour said-ficient for the complete jour stati-ficient for the complete jour stati-ficient for the complete jour stati-ficient for the northey another coad of blacktop herveen theorem-ment has approved the stondary mod project, an only mark the We make the cases to journal and the second second

A FELLOW ... by the name of Jay F. Globs brought our attention to something the oliver day not hown? The intersected in. Mr. Globs is president of the Nin present tarkes we pay on gasoline. tarkes which go to pay for the roads (3) we drive on. Mr. Globs talked about the study in the June issue of "Public Roads, Journal of Highway Research" which pointed out that all of the states in the Union, including the District of Columbia, Michigan ranked 43th in state road levies on passenger cars. But, he pointed out, the retail cost of gasoline in Michigan is more than the national average, although our gasoline price is nearly three cents less than the national average. Wonder where the differ-ence goes? Mr. Globs also said the survey aboved the Michigan is more than the rate of hire, 42, and tractortrailer rigs, 54th.

E HAVE RECEIVED .

VE RECEIVED postcard this seek from Pete Tata, who is now visiting in hit, 1, taty. We'd like to tell you what's shown in the pictures captions have been covered by stamps. At any rate, Pete's a use time, but evidently still thinks a lot of Parimington as good endorsement for our newspaper, too. Pete's payin ch week for a nickel paper — he's having The Enterprise it to him each week while he's there. The paper costs in and the postage takes another dollar and tive cents.

WE MAVEN'T SEEN ... any flying saucra yet, and feel genulaely disappointed and cheated about that. The whole idea of flying saucers fascinates us -- we can daydream about the possibility of life on other planets that has far outpaced us, and has learned, perhaps, to live together happily and in peace. It's something for unlimited conjecture on a cool evening after a hot day, anyhow. belknup sale could be done "one then we get enough d whether or not hard Lake where i Change Date Of Annual Boat Trip
