## NOTICE

Commencing August 25th a new schedule of  
banking hours will become effective as follows:

Monday	9:00 a.m. to 3:00 p.m.
Tuesday	9:00 a.m. to 3:00 p.m.
Wednesday	9:00 a.m. to 12:00 noon
Thursday	9:00 a.m. to 3:00 p.m.
FRIDAY CONTINUOUSLY 9:00 a.m. to 7:30 p.m.	
Saturday	9:00 a.m. to 12:00 noon

It will be noted that the bank will close at 12:00 noon each Wednesday and Saturday, but will remain open continuously on Fridays from 9:00 a.m. to 7:30 p.m. In view of the great demand for service on the week-ends, a survey was made and conclusion reached that additional hours made available at that time would result in better service. We believe that many who customarily come in Saturday mornings may now find it advantageous to transact their business on Fridays instead.

## Dorothy Simon Becomes Bride Of Carl Markham

Dorothy Simon, daughter of Mr. and Mrs. D. J. Simon, 277490 Ten Mile Road, became the bride of Carl R. Markham, son of Mr. and Mrs. Carl Markham, Sr., August 2 at 4:00 p.m. The Rev. Carl Schultz officiated at the doubling ceremony held at the Salem Church.

Dorothy is a 1949 graduate of Farmington High School and is employed by the Baker Construction Company. Carl also is a graduate of Farmington High School and is with the U. S. Navy, stationed at Norfolk, Virginia.

The bride wore a gown of embroidered organza over a white tulle skirt. A wide tulle sash and bow completed her dress. Her headpiece was a band of the shaggy length veil embroidered with pearls. The bride carried a bouquet of white lilies, stephanotis and a cascade of green ivy.

Miss Ruth Gately, maid of honor, was gown in a dress of white organza over green tulle, but her length. She carried rubrum lilies with green ivy. Robert Herbert acted as best man and Orville Brown ushered.

The bride's mother wore a gown of navy silk with white polka dots. Navy accessories and a corsage of pink mums completed her costume. Mrs. Markham, mother of the groom, selected a gold gown with cream accessories. She wore a corsage of bronze mums.

A reception was held at the home of the bride following the ceremony. A buffet supper was served. Wedding cake and a large bouquet of gladioli and other garden flowers decorated the home.

Mrs. Markham chose a navy suit for their wedding trip to the upper peninsula and Cheboygan.

Mr. Markham will return to his home at Norfolk and the new Mrs. Markham will continue to live with her parents.

## LAKE TROUT SECOND IN GREAT LAKES FISH PRODUCTION

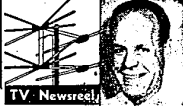

Lake trout proved to be a surprising second in May and June commercial fish production on Michigan Great Lakes waters, the conservation department's fish division disclosed.

Over 737,000 pounds of lake trout were caught to boost the May and June commercial harvest for all species to 1,527,000 pounds, and bring the total for the first six months of 1950 to over 9,084,000 pounds. Total 1949 catch amounted to about 25 million pounds.

Lake Superior accounted for all trout except for approximately 11,000 pounds taken in Lake Michigan. None were reported caught by Lake Huron commercial fishermen. Lake trout are believed to be the chief victims of the sea lampreys which are present in all Great Lakes waters.

Whitefish led May and June production with over 825,000 pounds. Over 516,000 pounds were caught in Lake Michigan. Yellow perch catch was third best with 389,000 pounds. Lake Michigan haul of this species totaled 345,000 pounds. Some 514,000 pounds of chubs were netted for the fourth best haul.

The two-month commercial catch of all species including yellow perch, suckers and others from the Michigan waters of the Great Lakes: Lake Michigan, 1,813,000 pounds; Lake Huron, 1,235,000 pounds; Lake Superior, 1,065,000 pounds; and Lake Erie, 413,000.

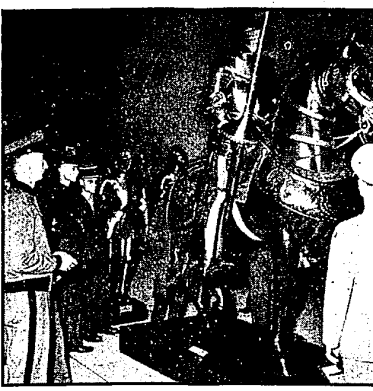

TV News

By GENE HYMES  
A well-known college president has come out with a big plug for television. And that's as welcome as pop on a picnic. . . as far as we're concerned. He gives us a good answer to that big question: When will television program improve? The president maintains they're improving right along. He says it's a matter of time. Radio helped to familiarize us with Bach, Beethoven and Mozart. And TV is coming right up with such outstanding fare as the Ballet, the opera, . . . etc. Pretty soon we'll be as familiar with Shakespeare, Beethoven, Shaw and Puccini as we are with wild west pictures and musical comedies. Something for everybody. . . we always say.

Circle August 18, 19 and 20 on your social calendar and journey out to Novi for their annual Gala Days celebration. There's lots of fun in store for you — so be sure to plan now on being there.

Since television supplies so many types of programs to suit all tastes. . . it's no wonder they call it the Happy Medium. You'll reach a Happy Medium between price and set. . . when you choose an Admiral. The new Admiral combines the best of into electronic developments. You can depend on it. . . and our top service for top reception. FARMINGTON RADIO-TELEVISION CO., 33304 Grand River. Phone Farmington 0947.

## Albert Melchert Takes Donna Shirliff As Bride

Donna G. Shirliff and Albert H. Melchert of New Hudson spoke their vows August 27 in the South Lyon Lutheran Church.

The bride is the daughter of Mr. and Mrs. G. E. Shirliff of Walpole Lake. The groom is the son of Mr. and Mrs. Edward Melchert of New Hudson.

Rev. A. Mass officiated at the doubling ceremony.

The bride wore a gown of pale aqua embroidered organza over silk and carried an arm bouquet of white chrysanthemums centered with pale yellow roses.

Maxine Shirliff, sister of the bride, acted as maid of honor, wearing a gown of pink and carrying pink gladioli. Walter Melchert, a brother of the groom, was best man.

Mrs. Shirliff chose a dress of navy and white silk. The groom's mother wore a dress of printed silk. Both had corsages of pink and white carnations.

A reception for the immediate family was held at the home of the bride following the 7:30 wedding.

The three-tiered wedding cake trimmed with roses served as decorations.

Mrs. Melchert chose a rose color for their trip to northern Michigan. They will make their home in New Hudson.

How Hudson, with exclusive recessed floor,  
brings you the world's **Best Ride**

HUDSON

"Step-down" design, with its recessed floor, brings space between frame members, which is welded in place, into Hudson's passenger compartment. This results in America's lowest center of gravity (and full road clearance) for a smoother, steadier, safer ride than is possible in any other car!

OTHER CARS

Floor is on top of the frame, so the vital space between frame members is not available for passengers. This creates a higher center of gravity which results in less stability, less smoothness as you ride, particularly on curves, in cross winds and on rough roads.

YOU ARE especially invited to try a Hudson ride, to enjoy a new way of going not available elsewhere at any price!

Hudson's new way of building automobiles with exclusive recessed floor ("step-down" design) results in America's lowest center of gravity—which is the key to the steadiest road-hugging ride ever known!

Hudson's exclusive recessed floor also results in low-built, streamlined beauty. Right along with full road clearance, it brings you more head and seating room than in any other car!

And brilliant, high-compression engine performance, a traditional characteristic with Hudson, is another engineering triumph that makes riding in this great car the outstanding automotive experience of the year! Won't you try it soon?

The new, lower-priced Pacemaker brings you all of Hudson's great advantages for just a few Dollars More Than The Lowest-Priced Cars!

Hudsons, with recessed floors, their great array of high-quality, low-life features, and advanced design, are among the leaders in resale value, as shown by Official Used Car Guide Books!
