### Fishing Film Ready To Loan To Groups

"Better Fish in Michigan", the conservation department's new color film which shows Michigan's most popular sport in action and explained some of the folklore associated with good and bad fishing, now is available for loan to clubs and organizations.

Eye-filling sights of some of the top fishing waters in the state as well as management work underway to perpetuate them are screened in the 5 1/2 minute film. In the light of latest scientific investigation the film explains in simple language some of the needs of fish.

chronic invalids and long time shut-ins, frequently neglected and forgotten by relatives and friends. These are the folks that most need the cheer cards can give.

The boys and girls will hold their regular week night services at 6:30 next Friday evening at the Neighborhood Church. At this time, Miss Ina Mae Tallman, who has been doing some special work with the youngsters, expects to be with them for the last time, since she is leaving next week end for Bethel College in Indiana.

## SMITH-BERLING COMPANY

31506 GRAND RIVER at ORCHARD LAKE ROAD  
FARMINGTON, MICH. PHONE 2690

One ride on Ford's Sofa-Wide seats (offering top hip and shoulder room in Ford's field) and you'll ask: "Why pay more for roominess and comfort when Ford offers so much for so little?"

There's a lot in your future with a Ford.

White sidewall tires and wheel trim rings optional at extra cost.

Take a "Test Drive" in a Ford and you'll discover, the fine car "feel" of cars that cost hundreds of dollars more. You'll have to keep reminding yourself that this is a low-priced car you're driving.

"Test Drive" it today!

Ford brings big-car V-8 power to the low-price field, too. Yet, with all its big-car features, Ford is low in first cost, low in upkeep, high in resale value.
