The Schools of Medicine, Dentistry, and Nursing did not have summer graduates. wanis club at Montgomery, indicated that he favored immediate war with Russia; and there has been concrete evidence that general follows a deliberate program at the air college aimed to indoctrinate students with the idea of an immediate attack.

All these matters have been reported to the White House by President Truman is determined that the original concept of military aid down by the founding fathers shall be followed, namely that it is the military's job to win wars not declare them.

Note 1 — If the United States followed the advice of the generals in favor of an early war, it would appear — based on results in Korea — that the military are a long way from being prepared.

Note 2 — A group of far-sighted senators, led by Brian McMahon of Connecticut, have introduced a resolution calling for a disarmament conference to show the world that we would reduce armament if Russia would do the same. While they have no great illusions that Russia would reduce, they feel it important to keep this peaceful goal before the world.

CAPITAL NEWS CAPSULES LECTURE IN LONDON — U. S. Ambassador Douglas has berated the British for talking rearmament but doing nothing. Last week he told Foreign Minister Bevin that the United States was shocked.

BEVIN'S LAST CONFERENCE — British Foreign Minister Bevin cabled Secretary Acheson asking a full review of Anglo-American policies for the Far East when Bevin came to New York this month. This will be Bevin's last major conference as foreign minister of Great Britain. Among other things he will try to persuade the United States not to become further embroiled with Chiang Kai-Shek and the Kuomintang. The reason: Communist China and the Kremlin are making headway in calling this a war between yellow races and whites.

A real Oriental rug may be recognized by the hand-tied knots at the base of the pile, and by the fact that the tufts cannot be pulled out. Rugs are often sold by door to door salesmen with Oriental design but without real Oriental craftsmanship and value.

### CARDS TO SHUT-INS MAKE HOSPITALS MORE HOME-LIKE

O Lord, our Father in Heaven, we thank Thee for our homes, for mercies, Thy joys, Thy shelter and Thy peace. Help us to be Thy children in our homes, and make it like the home in Bethany, where Christ loved to go. Help us to try to bear one another's burdens. May we be burden bearers, not burden makers.

Help us to make hospitals more home-like for such shut-ins as Nick Kobane, whose home will be Receiving Hospital as long as he lives, which will be a great many years.

Fifteen year old Janet Kimball, 1209 Cheyenne, has been a shut-in for the past nine years. Help her in every way possible.

Mr. and Mrs. Robert Williams, 21715 Collingham, their three children, Nan, David and Lee, are newcomers to this community. The past two years have been full of adversities and trials and they are seeking a new start in life. May all see fit to give them a helping hand. Mr. Williams, who will be celebrating a birthday soon, has served as a Scoutmaster and a very good one. He has a way with boys. His own son Lee is a Life Scout and is working now on his Church award, which we understand is difficult for a thirteen year old boy.

Virginia, the mother, will celebrate a birthday on October 10, and has given many hours of service in Methodist Church circles. She is best known for her "sheet cakes". Nan is a Girl Scout and David a Boy Scout and an excellent swimmer. Do your best to make them feel wanted.

George Lim, 13229 Vaughan, Detroit 19, Michigan, is suffering from a skull fracture and missing out on the first school days in a new town. Will you remember him with a few cards?

Young Victor Wolfson, 64 Riverside, Mt. Clemens, is another shut-in who just loves to get mail. Twenty-two year old Edward Bis-

sell, c/o St. Joseph Hospital, Woodward Avenue, Pontiac, is badly in need of your prayers. His leg has been amputated and he is in critical condition.

One of your home town boys has been wounded. Won't you shower him with a bit of cheer? He is Sgt. Donald Bohlinger, RA18294383, Hospital Directory Section, APO 603, c/o Postmaster, San Francisco, California.

If it has been some time since you dropped a card to Mrs. Norman Dosa, 19554 Farmington Road, let us today please, and a special person who is so in need of your cheer is Mrs. E. Stauch, 20300 Hubbard, Farmington.

October 19 Belle Stange, 20180 Mayfield, Farmington, will be celebrating a birthday. How nice it would be to surprise her with a card.

Karen Grundy of Farmington is going through some shut-in days in the Highland Park General Hospital. Remember her, won't you? Let's have some more birthdays.

### Edward Bryant Enrolls At Olivet College

The acceptance of Edward A. Bryant, 31080 West 8 Mile Road, Farmington, for admittance to Olivet college for the 1950 fall semester has been announced by Miss Helen M. Mitchell, Registrar of the college. Formal registration of the new students began September 13 and classes started September 18.

Despite the drafting of young men into the college age to serve in the armed forces, Miss Mitchell said that she does not expect to find any decline in the number of new students enrolling for the fall term. Fall registrations will open the 10th year of Olivet college as an educational institution in Michigan.

### From where I sit... by Joe Marsh

New Use For Old Windmills

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but

if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis' over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

# Looking for honest-to-goodness COMFORT?

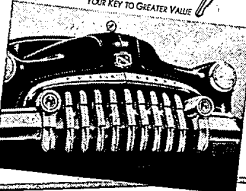

# Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars. But we'd like to offer one suggestion, which is—let a Buick speak for itself. We'd like to have you settle yourself (your family too, if you have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are. More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflow Drive\* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test. All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to. This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant

surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes. Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

\*Standard on ROADMASTER, optional on extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.
