Michigan Mirror

(Continued from Page Two)

high hopes for a good legislative session in Michigan — "If the Republicans really mean what they say."

Construction of the new state office building is slowing because of a lower allocation of steel than was expected. Bad news for state workers now housed in rabbit warrens in Lansing and East Lansing.

Discovery of uranium mineralization in the upper Huronian iron formation of the Marquette range has been announced. It is not known whether the uranium content will warrant mining operations.

Michigan newspapers will be host to ten Michigan festival queens at the Michigan Press Association's All-Michigan Dinner Saturday, January 25, of Michigan State College.

With scrap drives being discussed again to bolster slackening auto production, Michiganians are reminded of World War II days. Copper is one of the most vital metals running short. John B. Martin, auditor general, says Michigan, above all states, should take its own steps to stimulate a scrap drive.

State park visitors last year paid \$107,046 for hot dogs, pop and candy.

The state now owns 955,000 acres of land under oil and gas lease, netting \$1,300,000 in bonuses, rentals and royalties during the year.

State Controller Robert F. Steadman has been urging the governor to fight the battle for critical material shortages by having a state lobbyist assigned to Washington on a permanent basis.

When bill No. 100 is filed in the house of representatives it is a traditional time for signers of the proposed law to treat members of the chamber. This year Reps. Robert E. Faulkner, Coloma, and William S. Bloomfield, Royal Oak, both Republicans, did a bit of lobbying with it. They passed out jars of Michigan-produced jelly to each member.

Michigan has been cited as having the most liberal prison parole policy and yet the lowest rate of parolees sent back to prison. A refreshing thought it is, after watching crime claim the nation's top news the last year.

Taking No Chances

Mrs. Joseph Rome, Detroit, is taking no chances of having the family's summer vacation plans upset. First request for a family tent reservation, received by the Brighton state resort area manager, was postmarked January 1.

WAVE Shirley LeBlanc Stationed In Florida

Stationed at the U. S. Naval Air Station, Jacksonville, Florida, is Shirley (Jackie) LeBlanc, tradesman airman, WAVES, USN, daughter of Mr. and Mrs. Raymond A. LeBlanc of 21450 Whittington, Naval authorities report.

"Miss LeBlanc entered the Naval service in February, 1951, and received her recruit training at the U. S. Naval Training Center, Great Lakes, Illinois.

Before entering the Navy, she attended Clarenceville High School. The Naval Air Station, Jacksonville, not only serves as a home base for many aircraft squadrons attached to the Atlantic Fleet, but is also one of the largest training areas for Naval Aviation.

Mothercraft Classes Held By Health Dept.

A series of mothercraft classes began at the Wayne County Department of Health on Wednesday, January 23, with a discussion on "A New Life Begins". The program for mothers-to-be will be continued with the following discussions:

- "Birth of a Baby" on Wednesday, January 30, 1:30 p.m.
- "Nutrition For You and Baby" on Wednesday, February 6, 1:30 p.m.
- "Baby's Personal Needs" on Wednesday, February 13, 1:30 p.m.
- "When There Are Three" on Wednesday, February 20, 1:30 p.m.

All expectant mothers are invited to attend the classes at the Health Department. For information call Logan 1-3320 or Wayne 2455.

Present "Job" Program

To help solve the growing problem of unemployment in Detroit, WJR is cooperating with the Michigan Employment Security Commission in presenting to the public interest a new series of programs, "Jobs and Men Wanted", every Tuesday at 10:15 to 10:30 p.m.

Elect County PMA Members

Elections for Production and Marketing Community and County committees have recently been held in Oakland County. The elections were to select a chairman, a vice-chairman, regular member and first and second alternates for the Communities; also to select a delegate to attend the county convention and select a county committee. The purpose of the county and community committees is to administer the agricultural conservation program, sugar program, federal crop insurance program and any other activities that the congress may designate.

Elected from Farmington, Royal Oak and Southfield Townships were E. Collin Copeman, chairman and delegate, and Lester Evert, vice-chairman. For regular member there is a tie between Lawrence Thurman and Wayne Wixon. A revote has been arranged.

For Novi Township, Ford S. Brooks was elected chairman and delegate. A tie between Aaron Oliver and Earl Banks exists for vice-chairman. Arthur Heislip is first alternate and there is a tie vote for second alternate between George Hines and J. W. Erwin. A revote has been arranged.

In West Bloomfield Walter Weber del chairman and Donald Dickie is vice-chairman. Nicholas Dehority was elected second alternate and Fred Fortus delegate. Ward DeConck and William Meithead are tied for regular member holding.

The county convention was held Friday, December 28, 1951, at the PMA office in Pontiac with 15 delegates present. Walter R. Cook, of Orion Township, was elected chairman, Earl C. Taylor of Rose Township is vice-chairman, Cyll Oliver of West Bloomfield Township was named regular member, Stanley Allen of Oxford Township is first alternate and Harold Doebler of Independence Township is second alternate.

Sincerely Yours:

Letters submitted to the Editor for publication must be signed. Opinions expressed in this column are those of the writer and do not necessarily represent the policies of this newspaper.

To the Editor: Can't something be done about the deplorable mail deliveries we've been getting... or rather... not getting?

Yesterday (January 14) a friend of mine received my Christmas card. It was mailed December 15. She lives in Farmington too.

Today (January 15) I received a business letter from Chicago dated December 1. Suppose it were something like a notice of lapse of insurance or illness in the family? Forty-five days for a letter!

Why can't Farmington hire extra help like other post offices? During the Christmas rush I had to stand in the package line in order to buy stamps. There were other windows, but no extra help to sell stamps.

I live on a rural route and yet have to walk three blocks for my mail. The mailman won't sell stamps either, although I thought that was part of rural delivery. Perhaps if enough people start complaining about mail service something can be done.

Sincerely,
Mrs. Leslie Tinson

Man kind never loses any good thing, physical, intellectual or moral, till it finds a better, and then the loss is a gain. No steps backward is the rule of human history.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves: The dynamic darling pictured here is the 1952 ROADMASTER. It has the mightiest engine in Buick history. It has the biggest brakes of any postwar Buick. It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the

same sure feel of control you have always known in straightaway driving — takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over — and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.
