The pressing need for blood, which has not been forthcoming, has stirred a lot of Legion Posts and Legionnaires into action. But to many Legionnaires the blood need is a continuing program; blood for the fighting men in Korea and for civilian needs.

To Legionnaire Simon H. Schneider, member of Dan Tullins Post No. 678, New York City, it is the Number One program. He has plumped for blood donations for many years in Legion Posts, in civilian defense work and on radio and television. He has proved his sincerity in the work by giving 62 pints of his own blood since 1935.

He gave blood for Britain in the early days of World War II, for fighting men and for civilians in hospitals. Mr. Schneider said he would give more but the Red Cross regulations limit donors to five pints a year.

The next meeting, Tuesday, is open to anyone interested in civil defense in the Farmington area.

SPRINGBROOK SCENES

Mrs. Howard Legg
PHONE FARMINGTON 3011-W

Let's all remember the "Porch Light Drive" on January 31 and our share to aid those who are stricken with polio. We all remember that last year four of our neighborhood column friends were stricken and who knows how many will be affected this year. It is us for you or I. Mr. Robert Barnes, who has been a victim for almost two years, is still receiving the many benefits of your generosity.

Little two year old Linda Taylor, daughter of Mr. and Mrs. Robert Taylor on Springbrook Drive, has just recovered from a case of the mumps.

Mrs. Betty Lohman was honored at a chicken dinner last week at the home of her sister, Mrs. Charles Wheeler. It was her birthday.

Mr. Charles Wheeler broke several ribs in a fall and is still recuperating from the results.
