(Continued from Page One)

half time was Clarencville 25-Clarkston 24.

The score at the end of the third period was 34-32 in favor of Clarkston. The lead changed hands several times in final period, but the Wolves came out on top with a score of 51 to 47.

Elmer Rousseaux was high point man for the Trojans with 13 points. He scored in every period of the game. Jack Wray was runner up with nine points, all of which were scored in the first half.

Velma Goers Gets All "A's" in MSC Fall Term

Velma Jean Goers, a Farmington Junior at Michigan State College, received all "A's" for her fall term work, college authorities report.

Sixty-seven Michigan State College students received all "A's" during the fall term. This is the highest scholastic honor obtainable.

Each term a banquet is given in their honor by President and Mrs. John A. Hannah. The students were feted January 24 in the Union Building and Professor Paul D. Bagwell, head of the written and spoken English department, was the main speaker.

A very lovely stark shower honoring Mr. William Leipke, the former Elmer Morris of Farmington Road, was held at the home of Mrs. Robert Hunter in Northville Thursday evening of last week. Several of our local people were in attendance.

Turn on your porch lights to night, folks. Tonight is that date you were to mark on your calendar: January 31, and here it is already! The Mothers' March will be on in our community as throughout the nation. So, have your dimes ready for the Infants' Paralysis funds that need them so much. Your few dimes will help some person walk again.

Despite the desire to "stay in out of the cold," moms of the neighborhood were on hand Monday evening at South Lyon. A two-year old daughter, Kathy, and a three-month old son, Daniel, complete the Loebe family.

Elementary School moms have been turned-around! household schedules this week with the change of school time. Those children attending half-day sessions have been changed from morning to afternoon classes and vice-versa. It seems that children do better school work in the morning, so both groups have been changed to prove it. Guess it's a known fact that a housewife gets her best work done in the morning, too, so how about those moms whose mornings now are full of children again?

Did you know? There are 375 pupils riding the school buses to Clarencville Schools. Attending the Edgewood and Central grade schools and the Clarencville High School last semester were 1850 students. That's an increase of 22 cents over two years ago. You see, your votes for new schools were badly needed. Will you be on hand February 18 to vote on the new Zoning Ordinance?

America's coal industry has the world's best-trained first aid and safety teams.

Bituminous coal accounted for almost two-thirds of all fuels used to generate electricity last year.

State, Farmington Police Hunt Plaintiff

Farmington City Police and State Police are in a tussle.

A hit and run driver heading west nicked a car at Ten Mile and Grand River Tuesday at 2 p.m. Although no one was injured the driver of the nicked car said he was going to sign a complaint. It was immediately reported to Farmington Police who contacted State Police at Brighton. State Police were on the look-out and picked up the trail of the car just outside of Fowlerville at 2:17. State Police, after a chase, finally stopped the car in Fowlerville at 2:20. The driver had covered 36 miles in 20 minutes.

But now Farmington City and State Police would like to have the driver of the nicked car come into the Farmington station and sign a complaint. So far he hasn't showed up.

assigned specific streets and they will stop at every home having a porch light on during the hour from 6:30 to 7:30 p.m. Following the parade the volunteers will gather at the Clarencville High School to turn in their contributions.

A giant March of Dimes rally has been scheduled for Friday, February 8, at the Farmington Town Hall. The meeting will include a pot luck luncheon which is scheduled to begin at 1:00 p.m. Volunteers from Farmington, Clarencville and Novi are invited to attend the rally. A check for the total amount of the contributions secured in the three communities will be turned over to Mrs. Ruth Parshall, secretary of the Oakland County March of Dimes Chapter.
