**VARSITY CLUB
SPONSORS SENIOR -
FACULTY GAME**

The newly formed Varsity Club sponsored the Senior - Faculty basketball game that was held in the Clarenceville gym Tuesday, February 4.

The Varsity Club held a special meeting Tuesday, January 28, in order to settle some of the problems about the Senior - Faculty game. Committees were appointed for selling tickets and refreshments and the day of the game as part of an advertising stunt.

The profits from the game were placed in the athletic fund, which is used for 'buying much-needed sports equipment. The profit from the refreshments went into the club treasury.

**Seniors, Sophomores Win
In Volleyball Playoffs**

The Senior boys' volleyball team defeated the Junior team 39 - 19 in the first game of the playoffs. Each team will play twice during the playoffs, and the team that comes out with the best record will be the volleyball champions. These playoffs eliminated a long series of games which have been played at noon as parts of a non-day program in the gym.

The Sophomores defeated the Freshmen in their first round of the volleyball tournament 30 to 15, Wednesday, January 29. At this time the seniors and sophomores are undefeated while the Juniors and freshmen each have suffered one defeat. The tournament will end in March.

EDITORIALS

What's wrong with our Junior-Senior class friendship this year?

To be warring against each other that we can't work together and help each other? Is it a personal grudge of many of the students or is it jealousy as a whole? These questions are "Food for Thought." Last year at this time the Junior and Senior classes were helping each other, patronizing each others' dances, Seniors helped the Juniors with their "Hop and Banquet. Juniors helped Seniors with their Prom and many other activities. This year it is altogether different, which is going to make it a lot more difficult.

In order to raise money to go to Washington, D. C. or wherever else a class desires, we must have cooperation and a feeling of friendship between classes. We must have one another's help to get anything. These are our two biggest years in high, and we should make the most of it. It is so hard not to be together, and would it not seem so much more pleasant if we could remember the good times, and not think of this class jealousy?

February, the second month of the year, and the shortest. Its name comes from a Latin word meaning "the month of the Romans was the month in which the Romans were purified for religious festivals. February originally had 30 days to add to the month of July, which was named after him. This caused Emperor Augustus to take another day off to add to August, the month named after him. Now February has only 28 days, but every fourth year it has one extra day.

What does February mean to the American people? What has this month meant to us? First of all it was the birth month of George Washington, our first president, a man who helped put our country on its feet by his work on the Constitution. Another great man born during this month was Henry Wade, who was the only American ever honored by having a post office named in his honor. Washington, Westminister Abbey, Abraham Lincoln, the troubled, unappreciated, great president and orator, was born in this month.

Not only were there great men born during our short month but other famous days are connected with February. St. Valentine's Day, when people who like each other send small heart-shaped cards, falls in February. Ground Hog Day on February 2, the day that supposedly will tell us how long winter will last by the shadow of that little animal.

The Mardi Gras, the festival of New Orleans, is held in February. The Boy Scouts of America, the organization that has helped to pro-

**CLASSES ELECT
COUNCIL MEMBERS
IN MEETINGS**

On January 28, the students of Clarenceville High School began the second semester with an assembly presented by the Student Council. The purpose of the assembly was to give the students an opportunity of a Council meeting. The members of the Student Council gave a mock meeting where student behavior at the games, in the halls, and the noon programs was discussed. The students then held a meeting to elect the new Student Council representatives for the coming year. They are as follows:

Seniors — Jerry Carr, Tom Hartford, Russell Robitaille and Elmer Rousseau.

Juniors — Barbara Alsworth, Charles Edmonds, Brian Evans and Russ Gagnier. Sophomores — Joyce Cook, Ellis Grace, Melvin Koch and Pat Stord.

Freshmen — Donna Dorman, Glen Reed and Richard Robert.

Eighth Grade — Pat Denton, Donna DeFarnen, Glen Kelly and Ben Malaak.

Seventh Grade — Diana Benson, Paul Frederick, Robert MacDowall and Don Nelson.

ALUMNI NEWS

Well, don't look too surprised, but this seems to be the best month for the stork to come for quite a few alumni of Clarenceville. Some of the proud parents who will have shining faces, in the future are Jean (Hoppe) Luttman and Beth (Hoppe) Christensen are both going to be proud mothers pretty soon. Edith Ellsworth is going to have another pup to add to her son also. That's enough news for the work club. Now for some Uncle Sam news.

Dick Latimer has joined the Navy Reserves. Fred Sinclair is in the Army and his brother Johnny is studying radio at Aberdeen, New York. Bob Layland, Bob Sonnenberg and Lloyd Wilcox are in the Marines.

For our College news Fred Grosse is studying at Michigan State and Glen Grimm is back studying at Wayne University after recovering from an operation. Robert Godette is studying at Valparaiso.

More better sportsmanship and better American boys was founded in February. All these important American days and people are connected with February. This may be the shortest month, but by far it is not the most uneventful.

**Debate Teams
Win At Holly**

Debates held in Holly High School January 31 saw Clarenceville negative defeat Milford affirmative. Northville negative defeated Clarkston Negative, Clarenceville affirmative defeated Holly negative, Northville affirmative defeated Clarkston negative, and Holly affirmative defeated Milford negative.

The debate totals now stand as follows:

School	Won	Lost
Northville	6	0
Clarenceville	3	3
Clarkston	3	3
Milford	2	4
Holly	1	5

Next week Clarenceville affirmative will debate Clarkston and Clarenceville negative will debate Holly. If Clarenceville wins both these debates, our team will be eligible for the regional debates. This means they will be among the first 34 debaters of the state. So let's give a word of encouragement to our debaters and hope for the best next week.

The debaters for the affirmative team are Ellis Grace and Meribah Meyer. The negative team is Annie Allan and Tom Hartford.

Michigan's first telephone system was established in Ontonagon in 1876.

Circumstances do not shape men, but reveal them.
