Sorry to have missed the column last week but due to sickness I was unable to write my little bit of news from here and there. I would like to thank my friends and neighbors for their thoughtfulness during my illness.

A stork shower was held at the home of Mrs. George Melner Tuesday evening honoring Mrs. Barbara Holmes of Jefferson Street. Twelve guests made the occasion very enjoyable as they took part in several games after which a delicious luncheon was served.

Mr. and Mrs. Floyd Rhodes of Romulus were Sunday guests of Mr. and Mrs. Ernest Moore.

Mr. William Barium and son Eddie went on a week end camping trip to Camp Agawan. Mrs. Myrtle Rayner of Middlebelt Road was one of the victims of icy roads last Monday when she slipped and fell while walking and fractured her arm.

Mr. and Mrs. H. Whitmarsh of Detroit were Saturday evening visitors of the Ernest Moore family. Guess the ground had seen his shadow if he ventured out while the sun was shining. Here's hoping hot winter has over-stayed its visit already.

Two or three suitable trees may suffice a porcupine for an entire winter.
