

DAYN ARE LONGER . . . Jalely, have you noticed? The old daylight is breaking out earlier in the morning and sticking around later in the evening, and we don't mind a single bit. During these last few days in particular, we have noticed the difference. It's a sure sign that Spring is not too far away. Another sure sign is the fact that the muld is getting a little 'away. But we prefer to keep on the more pleasant side. Several Another sure sign is the fact that the mud is getting a little But we prefer to keep on the more pleasant side. Sever have stopped in to tell us that tullps and other early flower signing to poke through the soil, and we flyure that is mor pleasant side. And in spite of a great many earlier report. Int spot our first robin until last week end. Guess it's of spending too much time looking at the longer days and an i time looking for robins. Oh, well, we will all have bette sin a few weeks — we can blame it on Spring Fever. . we hope

A Freewood Farmington 1060 today: ENTHUSIASM PLUS was on display has Wednesday evening as approximately 100 hoys and their parents jacked into Blakeslee Motor Sales to learn more about the newly drannized Farmington "Little League" baseball Lironia Little League, but they fired pleaty of questions. The most often asked question was, "When do we get started", and that's a wholesome split in any league. These boys will keep the com-mittee really hopping setting thinss lined up. And incidentally, the committees are doing a swell job in getting the program under way before many more weeks. Parmington will have a baseball program they not-only will enjoy but that they can be mighty proud of.

an it must be foling before many more months. ANSWER the roadside clean-up problem may be in the making. At least is action is being taken to ease the situation according to word elved from the Oakland County Sportsmen's Club and Oakland may 4: H Clubs. On April 19 and 29 a county-wide roadside clean-drive will be held under the sponsorbhip of these organizations, y are asking of help from organizations and individuals in the mington area to carry out the program locally. This is the first h program ever (arried on in the county and plans are to make a nannul project. For more information on the program, please tact Howard Shelley, editor Oakland County Sportsman, phone ando 3.7441. Let's get behind this effort and help clean up our munity: ommunity!
