**Victor Lionel Gagner**  
Victor Lionel Gagner died in St. Joseph's Mercy Hospital April 9, 1952, following several weeks illness.

He was born in Gladstone, Michigan, December 11, 1907, the son of Joseph and Marie (Parent) Gagner, and was married to Margaret Ingham of Gladstone May 25, 1928. He had lived at 25980 Charla, Livonia, since 1937.

Mr. Gagner was employed by Nash-Kelvinator Corporation. He was a member of Our Lady of Sorrows Church, Holy Name Society and Monahan Council 2590 of the Knights of Columbus.

He is survived by his wife, Margaret; his mother, Mrs. Louis LaCombe of Gladstone; one brother, Roque Gagner of Farmington, and one sister, Mrs. Herbert Milnes of Chicago, Illinois.

A Rosary service was recited at the Spencer J. Heene Funeral Home at 8:30 Friday evening. Burial service was at 10:45 a.m. Saturday in the Chapel of Holy Sepulchre Cemetery. Interment was in Holy Sepulchre Mausoleum.

## Ethel D. Watson

Mrs. Ethel D. Watson died following several months illness at her residence, 33509 Colfax, on April 11, 1952.

She was born January 21, 1918, in Crandon, Wisconsin, the daughter of Wesley and Kathleen (Miller) King and was married February 8, 1944, to Clyde Watson, who survives her.

She also is survived by her mother, Mrs. Kathleen King of Crandon, Wisconsin; two brothers, Franklin King of Walled Lake and Merrill King of Big Falls, Minnesota; and two sisters, Mrs. Clergy Stacey of Racine, Wisconsin and Mrs. Helen Meister of Crandon, Wisconsin.

Funeral services were held from the Spencer J. Heene Funeral Home at 2:00 p.m. Monday with Rev. O. J. Clouger of the Dearborn Church of God officiating. Interment was in Glen Eden Cemetery.

## John A. Ethier

John A. Ethier died in a Pontiac hospital April 13, 1952, following a short illness.

He was born in Simco, Ontario, Canada, January 8, 1890, the son of David and Mary Ethier and had lived in and around Farmington ninety-one of his ninety-two years.

He is survived by one son, James D. Ethier of Southfield.

Funeral services were held from the Spencer J. Heene Funeral Home at 2:00 p.m. Wednesday with Rev. R. St. Pierre of the Farmington Methodist Church officiating. Interment was in Chrencville Cemetery.

## Alice Emily Sherman

Mrs. Alice Emily Sherman of 19310 Farmington Road, Livonia, died at 3 a.m. Friday, April 15, in University Hospital, Ann Arbor. She had been at the hospital three weeks.

She was born in Arcadia, Michigan, June 3, 1883, daughter of Isaac A. and Alice E. (Hurd) Perrin. She married the late Rev. Edward Sherman in Manistique, Michigan, in 1902. She lived the last 42 years in Livonia.

Mrs. Sherman was a member of the Baptist Church. Surviving are four sons, Eschell, L. of Livonia, Paul R. of Denver, Colorado, Howard M. of Northville and John H. of Livonia; two daughters, Mrs. Mary Owen of Livonia and Mrs. Beulah Miller of Fowlerville; one brother, Daniel R. Perrin; 22 grandchildren and four great-grandchildren.

Services will be held in the Thayer Funeral Home at 2 p.m. Friday. Burial will be in North Farmington Cemetery.

About 40 per cent of the nation's rock phosphate supply is in Florida and 60 per cent in the Rocky Mountain States.

Strive for higher yields per acre this year. It's the way to higher profits. Good management practices pay off.

## Floral Park Civic Association News

W. L. HURKE  
Phone Farm. 1050-J

About two weeks ago I was asked by Mrs. Lenz, the local blood drive chairman, to get in touch with eight or ten of our prominent citizens and arrange for a speaker or to make a plea for your cooperation in this important drive. The speakers were to make a two-minute talk at the Civic Theatre following the special showing of "Red Cross Film on the need for blood." Every one of these persons cooperated willingly, and I sure hope you had the pleasure of hearing them. And what's more, I hope you reacted to their message by signing a blood pledge for the collection of last Monday and Tuesday. If you didn't, you should have. Many thanks to the following for your unselfish cooperation: L. Gullen, E. Hutton, K. Loomis, J. Cavanaugh, O. Dunkel, Rev. C. Schultz, H. Tupper, J. Tennant and E. H. H. H.

A number of people have asked me recently when the city was going to fix up that portion of Shawansee between Power and Highland Lakes Road, which has been so bad this spring. I came down to our subdivision from uptown today and the road has apparently been graded at least. No permanent or semi-permanent work will be done on this part until the heavy hauling and digging work, incidental to building the new high school, has been completed. Pitches for sewage and water pipe have to be excavated, and many heavy trucks will make hundreds of trips through that area, so it would be prudent to attempt to do any road surfacing now.

Attended a meeting of the Hideaway Property Owners Association several weeks ago, and got a good sort of their problems. Some of their concerns of the moment are our concerns, too. They are interested in the formation of a planning group for the Farmington area, as we are. They are interested in the upkeep and improvement of county roads, which matter is of direct and indirect benefit to us in this area. I was glad that Frank Nicholls and I were invited to attend this get-together. It was a pleasant association and we will be glad to cooperate with their organization in anything that is of mutual interest to both our areas. I know this much — after hearing what their many problems are, I came away knowing that we, in the City of Farmington, are a lot better off in many ways. There are too many advantages to discuss here, but believe me, there is a lot more done with your tax money within the city.

A number of the newly placed street signs in our area have no doubt caught your eye. Your civic association was responsible for the placing of these signs. Some were purchased by the city and some were purchased by our treasury. At our last regular meeting on April 7, the board of trustees voted an expenditure for an additional sign warning drivers of the nearness of children. This is to be placed at the intersection of Hawthorne and Shawansee, and is being done at the sensible suggestion of Mack McKelvey, a member of the board and resident of Hawthorne.

I got home from downtown a little early on Wednesday of last week and noticed the city's road grader working in this area. Certainly made a big improvement in the riding quality of my four year old car. But rains the latter part

## Northern Pike Plentiful At Lake Leelanau

Lake Leelanau, one of the larger fishing waters in the northern lower peninsula, could stand a lot more northern pike fishing. Season opens March 15 but opens again April 25.

Completing a survey of the lake, the conservation department's fisheries research institute also includes the following management recommendations: brush shelter installations and continuation of the lake trout and rainbow trout stocking program in the northern half of the lake.

## Novi Girl Scout Leaders Complete Training Course

The following ladies in Novi completed the Intermediate and Novice leaders course April 9: Mrs. K. Bassett, Mrs. B. Skellenger, Mrs. R. Laplant, Mrs. L. Harwood, Mrs. William Tessway, Mrs. W. Edelman, Mrs. L. Skelton, Mrs. G. Schinamin and Mrs. K. Cook. The meetings were held at the Farmington Town Hall and consisted of three hours a day and a cookout. Miss Mary Jane Redwine, district director of Southern Oakland Girl Scouts, Incorporated, and Mrs. Snow, volunteers, conducted the meetings. At the last session Mrs. Alice Kelly gave a very interesting talk on Girl Scouting with nature.

There was a Girl Scout leader and neighborhood committee meeting at the Novi School April 14 at 8:00 p.m. Mrs. D. Edelman and Mrs. L. Clark were hostesses. Future meetings of this group will be held on the first Monday of each month beginning May 6.

Day Camp training will be available to all leaders and committee members and anyone interested on April 24 from 10 a.m. until 3 p.m. For further information call Violet Skelton at Northville 995-32.

A camp licensing course with week end camping facilities is

available May 7, 14, 21 and 22. Anyone interested call neighborhood chairman Mrs. B. Skellenger.

Novi Browne Troop 3 had a regular meeting April 8. They decorated Easter eggs, donated by Mrs. W. Edelman, and made walnut shell bunnies. Treats were donated by Carol Moody and Judy Ritter. Special Easter treats were given by Sharon LaFond.

Anyone desiring to sell or give Girl Scout or Brownie uniforms contact Mrs. Fred Loyne at Northville 987-31. A few uniforms are now available for sale.

## ATTENDS MEETING

Mrs. Florence Edgar, of 33215 Oakland Road, attended the spring meeting of the Michigan Music Teachers Association at the University of Michigan campus Monday. While there she attended the dedication of the Reiger organ in the Hill auditorium.

More than three million tons of coal are used annually in North Carolina for the generation of electricity.

## ENTERTAIN ON EASTER

Mr. and Mrs. James Smith of Tuck Road, entertained their daughter and family, Mr. and Mrs. Bado from Capex, Michigan, and Mrs. Lena Bado, over the Easter week end. Mr. and Mrs. Ernest Smith and family were guests on Sunday afternoon.

Livestock must have plenty of salt the year round.

## ARTHRITIS—RHEUMATISM

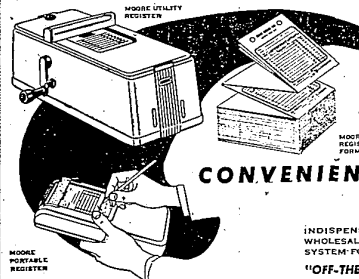

Do you suffer the pains of arthritis and rheumatism? Do your shoulders, hands, knees, or feet pain you? Do you wake up mornings stiffened, actually more tired than when you went to bed? Do you feel discouraged and down hearted, as though it were all impossible?

Well, dear friend, I have gone through all of this for twelve years with very little relief after having carried on a program of treatment which cost nearly thirty dollars a month for several years. However, I have found blessed relief, all without the use of drugs, and at a cost of a few dollars a month. I cannot express my full appreciation for the marvelous improvement I have experienced.

You will send me your name and address. I shall be very happy to give you information regarding the nature of the product that has given me such wonderful relief.

Charles L. Warner,  
529 St. Joseph Street,  
Adrian, Michigan

## COUNTY SOIL TESTING LABS MAKE BIG GROWTH

From a single county soil testing laboratory in 1946 to 42 operating in Michigan in early 1952. That's been the growth of convenient facilities to enable farmers and urban gardeners to discover the plant food needs of the soil they till. The above picture is typical of the inside of a county soil testing laboratory. It shows E. E. Hargrave, county agricultural agent of Mecosta county, testing soil in his laboratory in Big Rapids. The map below shows the counties with state soil testing laboratories; dots indicate the counties with labs and arrows indicate counties using facilities in neighboring centers. County extension offices, aided by other agencies, have promoted the installation of soil testing equipment within the counties. (MBC Photo)
