Russell - Prisk Wedding Vows Spoken In Double-Ring Ceremony May 9

Marilyn Jane Russell became the bride of Joseph John Prisk in a double ring ceremony performed by Rev. A. Stanley Stone in the Farmington Methodist Church Saturday, May 10, at 7:15 p.m.

The church was decorated with candelabra, white gladioli and palms. White satin ribbons marked off the aisle down which Marilyn was escorted by her father, Walter L. Russell. The bride wore an off-the-shoulder gown fashioned with a lace bodice and satin hoop skirt with patters of lace shaping into a full train. A matching Juliet cap, outlined with net and seed pearls, held the fragrant veil of nylon tulle. She carried a white tullement covered with a white orchid.

Mrs. Robert J. Gordon was matriarch of honor and Carol Anne Russell, sister of the bride, was maid of honor. Bridesmaids were Karen Russell, the bride's cousin, Margaret Prisk, sister of the groom, and Karen Schell.

The flower girl, Patsy Anne Sullivan, dropped rose petals as she came down the aisle. The rings were carried by William C. Prisk, nephew of the groom.

William Prisk acted as best man for his brother. Ushers were Pfc. James Russell, James Andrew Vitony, James Joseph and Robert Gordon.

YOUR Pharmacist SAYS...

Health is important—more important than any commodity you can buy. Yet some persons, after being cured of an illness, pay their doctor bills last. They let the doctor wait for his money. This is not consistent with the fact that health is imperative for happiness.

TOO MUCH ASPIRIN CAN KILL CHILD, WARNS DOCTOR

Ordinary aspirin tablets carelessly left within reach of children are a potential killer in your home, states a University of Michigan physician.

Aspirin tablets contain five grains of acetyl salicylic acid, a deadly poison if you get too much. Dr. Ernest H. Watson, associate professor of pediatrics and communicable diseases, explains. Four tablets are fatal to a child under five years of age.

The proper amount of aspirin for children is measured on a scale of one grain of aspirin for each year of a child's age up to five years, he points out. Thus, a child under five years of age should never take a whole aspirin, unless prescribed by a physician.

Such innocent looking pills in home should be kept under lock and key, for the accident rate among children from careless poisoning is appalling, Dr. Watson says.

"While combat divisions in Korea, with all of their lethal weapons, are killing one fighting soldier," he reveals, "we at home, in peace and complacency, kill three children through these needless accidents."

"Parents should remember that they have to do the thinking for young children," Dr. Watson stresses. "Usually, everything a child picks up goes straight to the mouth. While an adult will expect anything that tastes bad, a child will almost always swallow it."

First vice-president Trena Quina in distributing 150 service baskets containing candy, gum, cigarettes and washcloths to the boys in Maybury Sanatorium.

Last Thursday on Achievement Day in Farmington High School, awards were presented to members of the Americanism essay contest by Trena Quina. Awards on good citizenship were made by Commander Charles Larson. Awards for the poppy contest were presented by the winners at Our Lady of Sorrows School by President Mary Willard. All of the contests are sponsored by the American Legion and the Auxiliary.

District Memorial Services will be held in the American Legion Hall on Grand River Sunday, May 25, at 3 p.m. The public is cordially invited. A lunch will be served following the services.

The annual Decoration Day parade will start at 9:30 a.m. Friday, May 20, at Farmington High School. All members of the Post and Auxiliary are urged to be on hand to march in the parade.

The Seventeenth District election of officers for '52 and '53 will be held in the hall on June 11.

We are happy to learn that Mrs. Cobn, mother of our district president, Ada Goers, is home from the hospital and doing nicely. Also the good news list, Mrs. Harold Quinn, who underwent surgery in St. Joseph's Hospital last week, is doing fine.

HOME AGENT GIVES LAUNDRY TIPS TO HOUSEWIVES

It makes a big difference how many pieces you put in your automatic washer and the assortment is important, too.

Mrs. Josephine Lawyer, county home demonstration agent, reports the findings of her recent contacts at Ohio State College. The Ohio researchers found — after washing 20,000 pounds of soiled clothes — that for all automatic washers, 75 to 80 pounds is the best load. A better job of washing. You might well weigh your washing until you know by experience what makes an 8-pound load.

A combination of large and small pieces is the most practical and satisfactory assortment for a family washing. Small items in a single load wash well, but a lot of sheets gives trouble — so in some smaller pieces with the sheets and everything will move freely in the washer.

Mrs. Lawyer suggested the following types and assortment: two sheets, two pillow slips, two bath towels, two men's white shirts, two luncheon cloths and about a pound of tea towels or handkerchiefs.

The Ohio workers found that in a typical family wash, there would be two such loads, then a third load of dresses and undergarments and that time a load of colored or badly-soiled items
