

School Religious Group Holds Weekly Meetings

Voice of Christian Youth meetings are held on Tuesday at 4:00 p.m. in Room 102.

The president of this club is Robert Townsley, the vice-president is Donna Dorman, secretary is Elaine Johnson and the council representative is Glenn Evans. New officers are elected every semester.

There is gospel music at every meeting with Donna Dorman as song leader and Elaine Johnson and Dorothy Robertson as pianists.

Each and every Tuesday there is something different, trumpet player, soloist, or group singing. A different speaker is scheduled for each meeting.

At the last meeting, Tuesday, December 2, a team from the Detroit Bible Institute was scheduled. They included Thomas Contre, who plays trombone and leads song singing, and Norm Gular.

Editorial

What is this Student Study group? What is its purpose? Why do we need one? There are probably many students in our high school who are asking these very same questions as I'd like to answer them. First of all, this Student Study group is a committee of high school students with Mr. Schmidt, superintendent, as its moderator.

The purpose of this group is to help in the solution of various problems of the school and find different methods of improving the school.

The group is made up of thirteen members. The Student Council selected six of the members and also its president, Howard Goers. The class presidents are also in the group. The following people make up this committee: Barbara Almsworth, Shirley Chestnut, Donna Dorman, Donna Rel Favro, Ralph Gault, Howard Goers, Edward Heath, Donald Melton, Robert McDougall, Richard Robenault, Thomas Rutilla and Patricia Storti.

Some of the problems that this group will attempt to solve are: cleanliness of the school, treatment of school and personal property, courtesy, school spirit, classroom procedures, unnecessary disturbances and vandalism.

Perhaps some of our students are wondering about these problems. Maybe to them, these problems do not exist. This is partly true because our school is not infested with problems to a great extent but we must always be on the look-out to improve our school. Some of these problems which we have, this group is going to try and solve them so that this school will be a better school for our students. After school for our students. At present, in order to have a school that we will be proud of we must keep improving it, and always be ready to keep it a place of learning that our community and parents will be proud of. This Student Study group is one of the ways we can have a good school, let's wish them good luck in all their undertakings.

Senior Highlights

This week's Senior Hi-Light is that five foot, eleven inch, good looking boy with brown hair and green eyes, a Nat King Cole fan and hunting lad. Yes, you guessed it! None other than Rudy Cooper.

Rudy's favorite colors are yellow and brown, especially on the dogs that his gal wears.

His favorite song is "Rock of Gibraltar". Rudy's ambition is to be a policeman (better watch out, kids). His favorite subject is shop and his best liked food is smelt.

Rudy says he was born at home on August 8, 1934. If you ever want to look him up just find Lela Benton (Honey) or Ferd Bergland. Rudy's pet peeve is people who argue and don't know what they are arguing about. His favorite saying is, "Hey Baby". As far as stars are concerned, his favorites are those comes Dean Martin and Jerry Lewis.

Last of all Rudy says his favorite pastime is, "Belting with my girl and fighting over who loves who the most." That certainly is a debatable question for where you see one you see the other.

G. S.

Our female Senior Hi-Light this week is Nancy McCarville, a 5' 4" cute miss with brown hair that will not take a permanent, and hazel eyes that turn green when she sees a certain red head. Nancy's birthdate is April 9, 1935, which is exactly two months before her friend Anne Allen, who has heard the fact many times over since they met. Her friends include Sally Alberta, Joan Melton, Pat Nagle and Karen Scott.

Her favorite color is red, perhaps this is because her look-alike dresses shared with her sister Mary Ann were always red. Nancy's favorite food is Smorgasbord dinner because she likes the excitement of not knowing what she is eating. Her pet peeve is people who tease her and favorite subjects are Journalism and English. Of her seven brothers and sisters Nancy likes the baby, Billy, the best. He can't talk back yet.

Her favorite song is really "September Song", but I think "Naughty Angelina" fits her better. How many hearts have you broken, Nancy? In the male department she shows partiality to uniforms whether it be Marine, Air Force or Army. But she has been known to stray from the track and go out with civilians.

Her favorite dance band is Wayne King.

Jane Reetz Tops In Contest

Students from Clarensville have been busy preparing five-minute speeches on the topic "Speak for Democracy", for this topic is the choice of the Voice of Democracy contest. The contest, sponsored by the National Association of Radio and Television Broadcasters, the Radio - Television Manufacturers Association, and the United States Junior Chamber of Commerce, is in its sixth year.

Clarensville students, sponsored by the Farmington Junior Chamber of Commerce, entered the contest, which selects four equal national winners, who are given week-long, all-expense trips to Washington, D.C., \$500 college scholarship checks and a choice of television or radio - phonograph receivers.

Eliminations were held, and after a decision, two top winners were chosen. Jane Reetz and Nancy Moore, sophomores, were the two winners. Judging on these two were held, and Jane came out on top. Nancy, however, because of her fine work, was allowed to go to WJR radio station, where a recording of Jane's speech was cut. After this, the girls watched the show "Pipeline Pete" and met radio celebrities such as Ron Gamble and Bud Guest. Dale MacIntyre cut the record for Jane.

Clarensville High is very grateful to the Farmington Junior Chamber of Commerce and Dale MacIntyre, who were so necessary and helpful to them in this contest.
