DIVISION Corp.

Sincerely Yours:

Four months ago a group tizens from the Floral Park are the City of Farmington reques ed in writing, that the city admin-istration enact an Ordinance de-signed to protect the lives of our children, valuation of our prop-erty, and the surface of our roads

This movement was initiated at a time when one trucking company was making as high as 100 trips daily through our subdivision, traversing a distance through the subdivision, or about one half mile. The trucking activity started at 5:00 am. and was observed by many of our residents to be moving at unsafe speeds without regard for the residents, causing damaging vibration to our homes and unmerelfully pounding the gravel surface of the road with vehicles weighing in the vicinity of six tons, which we have been told by competent authority, will weigh upwards of 20 ton loaded, as they are a truck and trailer combination.

combination.

These objections are surpassed only by the terrible threat to our children who are obliged to wait for school buses on all corners of

Floral, Lilac and Violet Avenues on Shiawassee between Hawth-orne and Orchard Lake Road. Shiawassee presents the major point of danger. To date none of our children have been killed or injured by this trucking activity through sheer luck. As vitally in-terested citizens we would like to

effective. They have also attempted to intimidate individuals in writing and attempted to have the spokesmannof our group fired from his position. Are these the actions of a desirable influence

Our City Mayor and some of the suncil members have constantly business or at least discriminate against him. We wish to reliterate most emphatically that we are not directing our action against any individual, but it is directed against all heavy hauling on our

tioned reasons which have been repeated to the governing body many times.

Mr. Paul Pare', attorney for the city, has tendered a written legal opinion which clearly shows the city to have the necessary regulatory powers. Naturally, he confuged action will not be taken against the city, which possibility has apparently given rise to some fear in our governing body. We wish to point out, however, that similar regulation, excluding heavy hauling from certain streets, is a common measure in cities introughout the country.

The common city and the control of the city country, and the country in the country of the city country. The country is a common deasure in cities introughout the country.

At the last regular session of the City Council held on October 20, 1952, Mr. James Cavanaugh. A council member, moved that the City attorney draw up an Ordane limiting heavy trucking activity on all secondary received and in the city of the country of
