

In 1928, a sport trolling fishery was started at Northport on Grand Traverse bay from whence it has spread and become popular at other points on Lakes Superior and Michigan.

From the time the Great Lakes were discovered to the time of the large fur-trading companies, the "inexhaustible" supplies of fish were drawn upon only for subsistence of area inhabitants.

## F. H. A. DECIDES ON GOLD PINS FOR MEMBERS

The members of the Future Homemakers' Club has decided to buy membership pins. The pins are the official pins, worn by F. H. A. members all over the United States. Each girl is paying for her own pin because of the fact that the funds of the club are very limited.

The club is planning ways of raising funds. They have been granted a basketball game at which to sell refreshments.

The club, which meets only once a month, has started planning for its Christmas meeting on December 22, to be held after school. P. Brown is responsible for planning the meeting. The members of her committee are L. Rackov, B. Graham, C. Wheeler, J. Moss, P. Meyers and J. Smith. Four officers of the F. H. A. had their picture taken on Monday, December 1, by a photographer from the Pontiac Daily Press. The officers are Carl Wheeler, president; Pat Meyers, vice-president; Clara Hanson, secretary; and Joan Smith, treasurer. G. V.

## Senior Trip Club Selects New York City For Trip

The Senior Trip Club has voted to go to New York City in May. The trip is dependent on whether or not the School Board will give the club an extra day off from school. In past years the club has been allowed only one day.

Miss Margaret Lingo and Mr. Leo Peal have been asked to accompany the students on the trip. The trip to New York will cost each student approximately \$56. P. B.

## JOAN DENIES WINS FIRST PLACE IN HIGH SCHOOL TALENT SHOW

The Annual Talent Show sponsored by the Student Council December 6 proved to be a great success as far as talent and attendance were concerned.

First place was awarded to Joanne DeNies, tap dancer, doing a soft shoe to "Tea For Two"; second place went to Ann Redner, singing "My Hero"; and third place was a tie between Joan Eigner and Lenore Gildemeister. Joan played one of her own compositions on the piano and Lenore played the "Fire Dance". All girls are seniors with the exception of Lenore, a junior.

In this writer's opinion, the Student Council could have done a better job on the presentation. They had excellent talent but did not back it up. The Council, knowing they had this program to present last September, waited until two weeks ago to get started.

The lack of a dress rehearsal was evident in the least use of the curtains, the unfamiliarity with the stage by the performers, and the need of practice over the mike by the singers. L. A. D.
