ROLLING DOWN THE RIVER

A Christmas Prayer

We thank Thee for this place in which we dwell, for the love that unites us, for the hope with which we expect the morrow, for our friends in all parts of the earth. Bless us if it may be in our innocent endeavors. If it may not be, give us strength to encounter that which is to come, that we may be brave in peril, constant in tribulation, temperate in wrath and in all changes of fortune, and down to the gates of death, loyal and loving one another.

PLAN TO FORM V. F. W. POST AT SOUTHFIELD RALLY

The organization of a Southfield Township Post of the Veterans of Foreign Wars will be the purpose of a rally to be held in Southfield High School, Lahser at Ten Mile Road, on Monday, December 29, 7:30 p.m., according to H. R. Smith, one of the most active local backers of the idea. Jasper Cohn, State Commander of the VFW, and George Stone, District Commander, will be guest speakers. They will discuss the VFW organization and will answer any questions which might arise.

"A local VFW Post would bring many benefits to individuals, and to Southfield Township as a whole," said Smith, who lives at 21679 Fraser Road. "At the present time," he continued, "individuals in the township must travel to veterans organization posts of surrounding communities in order to enjoy the many benefits which are available to the individual in an organization. Furthermore," Smith added, "Southfield Township itself loses many of the important community services available to the individual in such a committee for the Southfield Post, there are an unusually large number of veterans living in Southfield Township, and the community has the potential to support a strong, active organization which could contribute much to the growth and progress of the township."

According to the organizing committee for the Southfield Post, there are an unusually large number of veterans living in Southfield Township, and the community has the potential to support a strong, active organization which could contribute much to the growth and progress of the township. The committee urges all resident veterans, and their wives if possible, to attend the important meeting Monday night.
