PLAN TO STRENGTHEN DRIVER TESTS TO PROMOTE SAFETY ON HIGHWAYS

A tentative draft calling for the revision of the rules and regulations governing the issuance of drivers' licenses and a tightening up of examinations has been agreed upon by the Secretary of State and the Michigan State Police.

The revision has been under study for a considerable period of time and was discussed at a conference of Secretary of State Fred M. Alger, Jr., Secretary of State-elect Owen J. Cleary and State Police Commissioner Joseph A. Childs.

The next step will be the presentation of the proposal to a representative meeting of all interested governmental and police agencies, public safety groups and others who have a primary concern in the problem.

It is hoped to hold this meeting the latter part of January. The proposal, with such modifications as may be made at that time, will then be ready to place in effect.

The program is aimed primarily at those applying for driving permits the first time. The written examination will be expanded and the vision test made more complete. The road test also will be more thorough.

"The office of the Secretary of State and State Police have had this under study for a long time," said Commissioner Childs, "and have prepared an examination which we think will better fit today's needs and requirements."
