HERE you see pictured the Golden Anniversary ROADMASTER - engineered, styled, powered and bodied to be fully worthy of its paragon role in this fiftieth year of Buick building.

A quick listing of simple facts will reveal just cause for celebration.

It hus the world's newest V8 engine. Vertical values; 12-volt electrical-system; 180 pounds lighter; entire engine is so compact, a new, more maneuverable chassic has feen built around it.

th has 188 Pireball horsepower. A new Buick record; engine horsepower per pound increased 40%. thas a compression ratio of 8.5 to 7. Highest compression on the American scene today; bettered fuel economy.

juel economy.
★ It has a dynamic-flow muffler. For the first lime in automotive history, a muffler with zero power loss.
★ It has a new Twin-Turbine Dynaflow Drive. Now adds far swifter, quieter, more efficient gelaway to infinite smoothness at all speed ranges.

IN 50 GREAT YEARS ★ It has new braking power. Most powerful braking action of any Buick in fifty years; plus the new ease of Power Brakes, optional at extra cost. ★ If has a still finer ride. The softest, steadiest, most buoyantly level ride that Buick's advanced engineering has yet produced.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

P. has, also, wondrous handling ease, with Power Steer-ing as standard equipment. It has superb comfort. It has sumpruous fabrics and tailoring. And its acoustics are so thoroughly mastered that it may well be one of the world's most quiet cars.

But no listing of facts can do true justice to this phe-nomenal automobile, or to its brilliant brothers, the 1953 SUPERS and SPECIALS.

And no words can really tell you the beauty you see, the comfort you feel, the excitement you experience—when you look at and drive any one of these big, beautiful, bounteous Buicks for 1953.

Will you come in and see for yourself that these are in simple truth, Buick's greatest cars in five brilliant
