F. H. A. Joins National Organization

Carol Wheeler discusses club plans with other members of the Future Homemakers of America, a newly organized group at Farmington High School. Devoted to the interests of girls studying homemaking, the organization is now associated with the state and national club. Pictured left to right are: Carol Long, Clara Hanson, Miss Wheeler, Pat Meyers and Joan Smith.

EXCHANGE CLUB GIVES LUNCHEON FOR SENIOR BOYS

The Exchange Club of the City of Farmington held a luncheon for the senior members of the 1952 football and cross-country teams and their captains for next year.

The meal consisted of roast beef with potatoes and gravy accompanied by side courses of salad and vegetables. The dessert consisted of pumpkin pie.

After the meal football coach Mr. William Nuss introduced the members of the football team and track coach H. H. Humble introduced members of the cross-country team.

The Exchange Club then gave out small gold-colored footballs to the football players and a pin, shaped like a flying foot, for the cross-country runners. B. C.

National Honor Society Members To Be Selected

Students in the upper third of the senior class with qualities of scholarship, service, leadership and character, are eligible for membership in the National Honor Society.

Fifteen per cent of the class is chosen to join this society which was established at Farmington High in 1945.

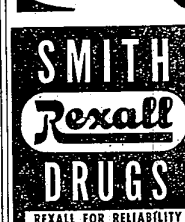

Miss Ruth Bailey, chairman, and other faculty members make the final selections.

The assembly this year to recognize the new members will be March 11, 1953. There will be a luncheon for the new members and the faculty. L. A. D.

STUDENTS TO HEAR TALKS

Farmington High will hear a representative of the Michigan State Foundation on Alcohol Education Tuesday, February 24. He will spend the day talking and showing a film to students from grades seven through twelve.

Physical education classes will not be held that day.

It would take \$69 million watts to light all of the bulbs that are installed in one year in automotive lighting equipment by the Guide Lamp Division of General Motors.

ROLLING DOWN THE RIVER

By Bob Kettler

Fellow came in the garage the other day for a preview look at the new Studebaker for 1953, which incidentally he couldn't get, told us that the new administration was having a lot of fun over the lives of people... and being people, when things look good, they'll gamble on anything. "In fact," he said, "some of them are even going so far as to save money again on the off chance that it will be valuable some day."

Of course we know a lot of people that have been saving money for any number of years. They do it by owning the economical Studebaker, that saves and saves and saves... in money... mileage... gas. We'll have the '53 edition on our floor very shortly and want you to be sure and get around to see it. Of course it will be about a week before we can unveil this ever-so-smart American car with continental styling, but we want you to be on your toes. Let's go smart, we're afraid we won't be able to keep it on the floor long enough to show people. However, in case you can't wait, we have one '52 model left that you can have at a really substantial discount, to enable us to start the new season right from scratch.

Now a certain lady we know has been dropping in this service mart of ours for quite some time. Every time her car needs oil, grease or a bit of tune-up she drives in and she has never failed to come up with a story of sorts. The other day she was telling us of a meeting she attended at which a group of high-brows were discussing the meaning of freedom of speech. "They've a lot of things to learn," she stated. "In fact, when my husband starts to figure this year's income tax, they'll never learn the true meaning of 'free-speech'."

Oh well, we've heard the same sort of expressions used by some motorist whose car fails to start, or stops in the middle of the road, or just up and quits all together. Usually it's the motorist's fault too. If he had brought it around for the expert attention of our mechanics, all those troubles simply wouldn't happen. While we're on the subject, why let it happen to you? These experts of ours will be more than pleased to put your car in the finest of mechanical condition. Bring it in, you'll be glad you did!

That's that, but about the most belittling remark we've heard recently is when an eighth grader told his college freshman brother, "Count yourself again, Bub, you're not so many."

Yours,
BOB KETTLER
