

TWO YOUTHS HURT IN AUTO ACCIDENT ON GRAND RIVER

Two Farmington youths were seriously injured when their car struck a parked truck on Grand River near Truck Road Monday evening.

The accident occurred about 9:30 Monday evening. James Crane, 19, of 23149 Floral, Farmington, and Donald Davis, 17, of 21705 Colgate, were injured in the accident and taken to Redford Receiving Hospital. Crane was treated for head injuries and Davis for head and internal injuries.

The driver of the truck, Donald Black, 1637 26th Avenue, Calgary, Alberta, Canada, was uninjured.

Congress granted a federal charter to the Boy Scouts of America in 1916.

Jaycee Show

(Continued from Page One)

year's show would feature a variety of instrumentalists, vocalists and new acts. Even the mixed chorus, which is usually uncertain as to early a date, is rapidly taking shape according to the directors.

The Jaycee organization has expressed its appreciation of the fact that Mrs. Eileen Standley, as in past years, will again accompany the entire show.

Jaycee president James Warner urges anyone interested in a really fine show to assure themselves of a seat on March 20 by purchasing a ticket from any Farmington Jaycee.

Only Colorado has more bituminous coal than Illinois.

FALCON DEBATE BOW OUT IN FINAL ROUND OF TOURNAMENT

Farmington High School's debate team was defeated by Northville in the final round of the District Elimination Tournament, held Monday at the Farmington Methodist Church.

June Turner and Lou Dowling represented Farmington on both the affirmative and negative side of the question. Farmington defeated Cass City in the first round of the tournament held Monday morning. Northville defeated St. Clair Shores in other first round debates.

Farmington drew a bye in the second round while Northville defeated Midland in the final round Monday afternoon. Farmington lost to Northville on a two to one decision. Farmington debated the affirmative side against the Northville negative.

June Turner and Lou Dowling have been offered scholarships by the University of Michigan, Wayne University and Michigan State College.

UNITED FUND

(Continued from Page One)

paid that the quota has been reached.

The administrative board directed Hunt to proceed with the distribution of the funds to the respective United Fund and Community Chest agencies. The initial distribution will have to be from the cash donations. Further payments will be made as soon as pledges are paid. The \$100 surplus will be placed in the local emergency fund.

Joseph Koehler was invited to become a member of the administrative board and was requested to accept the chairmanship of the 1953-54 Farmington campaign. Vern Willard, chairman of the 1952-53 drive, will continue as a member of the board.

The next meeting of the United Fund Board will be held Tuesday, March 24, at 8:00 p.m. in the Farmington Town Hall.

Bentley Downs Falcons 52 - 37 February 24

The Farmington Falcons were downed by the Bentley Bulldogs in a low-scoring contest played at the Falcon gym, 52-37.

Bentley took an early lead of 10 points but Farmington narrowed the margin to six at intermission. The half ended 10-10.

Went 20-23 with Bentley on top. Bentley pulled away early in the third period from the hapless Falcons.

Werner Mack and Dick Taylor paced Farmington in the point department with 13 and 10 points respectively.

W.S.C.S. Meet Features Playlet, Novel Contest

The W. S. C. S. met Thursday evening for the social affair of the month at the Orchard Methodist Church. Mrs. Clyde Graham and Mrs. Roy Casse were in charge of the program.

A playlet entitled "Discipline" was given by Mrs. Arden Calhoun, Mrs. Klonig Johnson and Mrs. Ivan Hoekstra.

Paper plates, ribbons, flowers, etc., were given each member with which to make fancy hats — the time limit being 15 minutes. Mrs. C. E. Cole and Mrs. Robert Currie won the event.

Capture Robbers

examination set for March 2. Neither man was able to pay the required bond of \$2,500 each and they are now being held in the Oakland County Jail.

DESTRORY OLD MEDICINES Safeguard your family's health by clearing out old medicines in your medicine cabinet now, urge Michigan State College home management specialists.

Install New Coal Vending Machine

One of the first self-serve coal vending machines in this section of the country is now in operation at the Farmington Lumber and Coal Company, 22900 Grand River. The machine is in operation 24 hours a day. All customers have to do is place their own container under the dispenser, put their money in the slot and walk away with their load of coal. The vending machine is located in the east side of the Lumber Company Office at the front of the parking area.

8:00 p.m. Recreation Commission

CUB CAPERS

The Middlebelt Cub Pack 109 met last Thursday for a pack meeting at the Middlebelt School. All five Den participants and everyone enjoyed the dinner. The centerpieces were made by the boys — and they are to be congratulated for the fine work of making the dinner so attractive.

After dinner a short business meeting for adults was held while the children had time for recreation and play. The following was a formal presentation by Mr. Walte, Cubmaster, of registration certificates and "Bobcat Awards" to those boys whose names appeared as having applied last month for the award.

New boys who have fulfilled their Bobcat requirements and who will receive their awards at the next pack meeting are Harold Wilcox, David Oldford and Jack Hayward.

Boys from Den 5 who received other awards are Douglas E. Thomson, David Koskela and Benny Mannisto.

A big evening is planned for next month, so watch for advertisements and try to plan to join us. The boys will do the entertaining.

Planning Group

(Continued from Page One)

a long range view of what is best for the City of Farmington and work toward making it a reality. Loomis stated that although the Commission was strictly advisory, none of the members should overlook the importance of the program.

The next meeting of the Commission will be held Monday evening, March 2, at 8:00 p.m. at the Municipal Building. Nolan stated that the setting up of committees will be taken care of at the next meeting as well as other organizational plans.

Electric utility companies in the U. S. use an average of 300,000 tons of bituminous coal daily.

Novi News

By MRS. GEORGE WAITT

NORTHVILLE 1200-W2

Jimmy Towns, who is stationed at Port Leonard Wood, Missouri, was home for the week end and his parents, Mr. and Mrs. Roy E. Bell. They also had their son Duane and his wife and baby of Walley Lake as dinner guests Sunday.

Mr. and Mrs. Doyle Ward and little daughter returned home on Saturday after a three weeks' visit in California and Arizona.

Mr. and Mrs. Everett Rooney and their two small daughters left on Thursday for a two-week visit with relatives in Iowa.

Last Friday evening at the First Baptist Church of Plymouth the Rev. Grace Morse of North Boston Church was guest speaker. Fourteen churches of all denominations cooperated. The crowd was large.

On the fourth of March the Baptist Church will hold what is termed a religious education workshop under the leadership of the State Religious Educator of Muskegon, who is head of the Women's work. The meeting will be held from 10:00 a.m. to 3:00 p.m. with time out for a noon luncheon. All ladies interested in vacation and Sunday School work are invited. Ladies and teachers of the Wayne Association, of which Novi is a part, will be present.

Next Sunday evening, March 1, the Woman's Missionary Society of the Baptist Church will give a TV program showing the work of missionaries from all over the world, to which the public is invited.

The W. S. C. S. of the Methodist Church is sponsoring cottage prayer meetings during Lent. The first was held Tuesday at the home of Mrs. A. McCollum.

The Board of Commerce held its annual dinner and party at the new community hall on Saturday evening, February 21, with 210 present. The meal was a full course affair and was put on at the home of the Rehoboth Lodge. This was followed by a program under the supervision of Leo Harwood, Walter Tucker and Jack Crawford, and Bill Harris as master of ceremonies.

This was the largest gathering they have ever had and the first opportunity for the showing of our new community building. Last but not least, there was dancing which was well attended.

Mr. and Mrs. Eddie Barzana were Pontiac business callers on Friday.

Mrs. Orlando Munro has been confined to her home with pneumonia.

More than 15,000 trucks are used in U. S. surface coal mines.

Goodwill Trucks To Visit Farmington Monday

The familiar red Goodwill Industries pick-up trucks will be in the Farmington area on Monday, March 2, to collect usable household materials needed to provide jobs and training for the 330 physically handicapped persons in the Goodwill Workshops in Detroit.

Residents in the Farmington community who wish to have a Goodwill truck stop at their home are requested to call Laura Auti at Farmington 1461-M or by addressing a post card to Goodwill Industries, 6522 Brush Street, Detroit 2, Michigan.

In order to make "Not Charity But Chance", a reality to a greater number of physically handicapped persons this year, Goodwill Industries is asking for greater contributions of materials from the housewives in this area.

John Clappison Sells Insurance

Soil conditioners can help some crops break through heavy soils, but it's expensive outside the greenhouse. One MSC soil scientist figures "about \$1,000 per acre."

FEELIN' FITTEY-FIED?

Kinda fit to be tied? Dunno what to fix to eat — should start yer house cleanin', but don't feel like it — wish it was vacation time but can't afford that either. Oh well, such is life in the far, far North. We feel that way too so can't think of much different to tell yuh about only that we've got that pony express workin' agin' and if things go like they're supposed to we'll have fresh oysters direct from Maryland this week end. We'll have fancy standards and extra large ones — you know, the fryin' kind. Course we got salmon and tuna in a can, too. The salmon is Alaskan Honey-boy (aint that a dilly of a name?) fer 45c and some Empress white albacore tuna whatcha can git 3 cans of fer \$1.00. Then if yuh find some pep maybe yuh'd like to bake somethin' fer the week end. Fer that we have a 25 lb. bag of Gold Medal flour fer \$1.99 and a 3 lb. can of Crisco fer 79c. If yuh'd kinda like one last thing at a mince meat pie before summer we have some Dinning Car mince meat fer 39c a jar — or if yer still too tired wudlacha be interested in one of our frozen pies that all yuh gotta do is bake? They come in six delicious flavors — apple, peach, cherry, blueberry, mince and pumpkin. With pie yuh gotta have coffee — S and W fer 79c a lb. — aint that right??

When yuh asks the small fry what they want for lunch it doesn't take 'em long to tell yuh. It's hamburgs or hot dogs — and with it they gotta have catsup. Wanna buy a couple bottles of De-fiance fer 35c? Then they'll have a cup of cocoa. Fer 49c you can git a lb. can of Nestles Instant — didcha know that? We'd rather have somethin' like a steak and you can git either a round or a sirloin fer 89c a lb. We got in that "what'll we eat" rut last week end so took home a domestic rabbit and yuh know it really was good. We git 'em here fresh from a local farmer and freeze 'em right away. If you want somethin' different there's an idea, anyhow. There's always U. S. choice beef roasts fer 59c a lb. and pork and veal and ham and spam and a lb. of Vlasic butter fer 69c and didcha gitcher free dish with yer box of pretzels yet?? Better hurry, there aint very many left and we won't be havin' no more — neither.
