PLAN TO ORGANIZE SCHOOL CITIZENS COMMITTEE SOON

O. E. Dunckel, superintendent
of the Farmington Township
School District, stated Tuesday
that work is continuing on the
proposed organization of a school
Citizens Committee.
The superintendent added that
information is now being gathered
preparatory to the actual for-
mation of the group. Letters are
expected to go out in a few days to
the community, inviting them to
participate.
When planning new farm build-
ings or remodeling, remember that
electricity has more and more uses
each year, advise Michigan State
College agricultural engineers. Put
in enough wiring and outlets.
