HOT WATER LUXURY With an Automatic GAS WATER HEATER

Fast • Convenient • Clean

The luxury of clean hot water begins the day you install an automatic Gas water heater. You'll find household chores are easier and faster. The whole family will enjoy the pleasure of all the hot water they want day and night. No more weary trips to the basement to tend the old fashioned heater everytime someone wants hot water. And here is one luxury that is both practical and economical because you get convenience and dependability for only a few cents a day.
