### Farmington G. A. A. To Make Ball Diamonds

Farmington High's G. A. A. played its first volley ball game of the season on Wednesday, March 25. Culham's team defeated Bishop and Gezeley's team defeated Morton.

G. A. A. members will play baseball as soon as the weather permits. The officers and Miss Donna Lea, sponsor, plan to make the baseball diamonds and to construct sandbags for use as bases.

### ROLLING DOWN THE RIVER

By Bob Kettler

Well they went and took federal control off various items and in spite of reports to the contrary, prices are going up so fast that every time we save a dollar we lose two bits.

Of course that makes it all the easier to understand the story some joker, in search of a motor-tune-up, tells us while waiting for his car. He happened, he when in strolled a furry black and white animal, known in some parts as a skunk. While the patrons stood petrified in their tracks to keep from exciting their visitors, the "two wheels" strolled about the aisles and finally came on some price tags near enough to the floor to be easily read. The poor animal took one look at the prices, gasped and quickly left the store without spending a cent.

Oh well, we have window shoppers in every walk of life, but it's stories like that that make us wonder whether we should keep on writing this column. But then again, if we didn't we might be unable to tell some of you how truly marvelous the '53 Studebaker is. There's a car for you, beautiful, rugged, powerful, economical, no matter what you want in a car, you will find it in a Studebaker. And if it so happens you're looking for something beautifully different, see the Studebaker "Starliner," hard-top convertible. Startlingly low, surprisingly roomy, it's the car of tomorrow that you can have today. Drop in and see it this week end.

The father of a couple of teenagers drove in this motor mart of ours to have the family car serviced by our expert lubrication men. Told us the kids were well, according to the last reports he had, but as far as he could figure, modern-day relationship between parents and their growing children was strictly a "touch-and-go" affair.

Which reminds us, if you'll let these experts of ours give your car a touch of new grease and oil, you'll discover it will go for many more miles of better, easier driving. Bring it in to-day.

That's that, but we don't have a tag line to end this thing this week. If you have one... tell us! If you want a new car... we'll tell you! But please don't pass us. Of course if we're in a new Studebaker and you aren't... you couldn't!

Yours,

### 31 Hopefuls Answer First Call For Ball Players At Clarenceville

Coch Harry McKitrick stated that 31 candidates showed up for the 1953 opening baseball practice on Monday, March 23. Among the baseball enthusiasts who showed up for practice are eight letter winners returning from last year. The returning men are as follows: pitchers, Glen Evans and Pat Killeen; infield, Jim Merlans, Tom Rutilla and Bob Gross; outfield, David Johnston, Gene Patterson, Bill Myers and Clay Robbins.

Clarenceville, the defending Wayne-Oakland County League baseball champions, are now rounding into shape in preparation for a 12-game schedule which they will face this year.

Coch McKitrick stated that his biggest problem this year is his pitching staff, with only two varsity hurlers returning from last year. However, the major part of the squad is made up of freshmen and sophomores who have showed great ability. McKitrick also stated that a number of the boys out for baseball have gained much experience by playing leagues. The Trojans wound up the 1952 season with a 7-3 record, winning 6 games and losing 2 in league competition to clinch the top spot in the league.

### SCHOOL CARNIVAL DRAWS HUNDREDS, MAKES PROFIT

The Athletic Association's Carnival took in over \$1,100, according to Mr. Warren Piche, faculty co-chairman of the project which was held Saturday from 1:00 to 11:00 p.m.

However, there are approximately \$300 in expenses which must be deducted.

Seniors Erna Day and Pete Peterson reigned on the festivities after being elected by the student body. Erna drew the ticket for the prize radio, which was awarded to Joanne Empey.

Mr. Piche and Miss Margaret Lingo wish to express their gratitude to the numerous people who assisted and cooperated so well.

### Farmington Girl

### Scout News

First reports on the cookie sale indicate our girls and leaders have made a bang out of this year and, aided by the friendly interest of our merchants, the newspaper and local movie theatre, have sold to date 5,400 boxes. Mint cookies, offered for the first time to clubs and organizations, have numbered 144 sales to date.

These larger groups have invited our Girl Scouts to be represented at future meetings to present the cookies and this will add to the present totals. Farmington is one part of Southern Oakland County and all the profits benefit our girls' camping facilities. It is not too late for groups to contact Mrs. Stedie Cox, the local cookie chairman, at Farmington 1769, for further orders.

There is to be an indoor day camp session at the home of Mrs. J. P. McKay at 31835 Fourteen Mile Road on April 15 from 10:00 a.m. to 2:30 p.m. It is a nose bag affair and coffee will be served by the hostess. Mrs. McKay emphasizes that there will be a nursery at day camp this year so young leaders may participate. Call Mayfair 6-2487 if you can help.

Girls from Our Lady of Sorrows Troop and Mrs. March's Troop 171 were seen at the Flower Show on Saturday. The show was a real breath of spring and was lovely to see.

Coch Harold Humble is as follows: Pentathlon, April 9, 19. Clarenceville, April 16. Howell, April 24. Trenton, April 28. Western Michigan Relays, May 1. League Meet, May 7. Regional, May 16. State Finals, May 23.

### F.H.S. FALCONS FACE 12 GAME BASEBALL SEASON

As baseball practice went into its third week, Farmington High's team is beginning to take shape. Coach Warren Piche has listed 16 returning lettermen who will form the nucleus of this year's team.

Though the opening game is still three weeks away, the team has been working out almost daily on batting. Several prospective pitchers have been taking turns on the mound.

The schedule is as follows: April 24, Tuesday, Clarenceville, there.

April 24, Friday, Waterford, there.

April 28, Tuesday, Keego Harbor, there.

May 1, Friday, Berkley, there.

May 5, Tuesday, Southfield, there.

May 8, Friday, Walled Lake, there.

May 12, Tuesday, Waterford, there.

May 15, Friday, Keego Harbor, there.

May 19, Tuesday, Berkley, there.

May 22, Friday, Southfield, there.

May 25, Monday, Clarenceville, there.

May 26, Tuesday, Walled Lake, there.

All games will start at 4:00 p.m. this year. B. C.

## AN OPEN LETTER To Our Policy Holders:

We have represented the Auto-Owners Insurance Company of Lansing for more than 20 years, and during that period have done our level best not only to provide sound insurance protection for our policyholders, but to serve them faithfully as well. Now, because of the press of our automobile business, it has become clear that we do not have the time to properly look after our insurance business... that our policyholders can best be served by someone spending their full time as an insurance agent.

For that reason we are transferring all of our Auto-Owners policies to Mr. Earl Laverty, whom many of you already know. He has been in the insurance business since 1940 and is excellently qualified to look after your insurance requirements.

It is with a great deal of regret that we announce this decision. We have appreciated your friendship as well as your business through the years and are grateful to you... but by this decision we are once again serving you best, and it will be a personal favor to me if you will place your confidence in Mr. Laverty and allow him to continue as my successor and your insurance man.

Sincerely,  
V. R. BLAKESLEE
