

Township Board

(Continued from Page One)

The Board approved her employment for one more month, April 15 to May 15, in which to complete the 1952 tax roll. Salary consideration for the trustees was tabled until the next meeting of the Board.

BUSINESS of the evening meeting was recorded by Board Member Fred Westlake after Township Clerk Harry McCracken, for reasons of his own, walked out on the meeting at 10:50 p.m. The meeting lasted until approximately 11:15 p.m.

McCracken's action occurred, quite ironically, after an earlier statement by Supervisor Blanchard to the effect that, for what they are being paid, some of the township employees, himself included, were probably not putting the time on the job that they should be.

Two new plats were approved by the Board subject to the approval of the Oakland County Road Commission. The two plats, Franklin Fairway and Franklin Forest, will include a total of 66 new dwelling units. Both subdivisions are in the vicinity of the Franklin Hills Golf Course. The Board action, Supervisor Blanchard and Clerk Harry McCracken were appointed to represent the Board on the Citizens' School Committee.

The Board voted to investigate further the idea that the township would be required to pay one half the installation cost of a traffic light at Grand River and Middlebelt.

According to a letter received by the Board from the State Highway Department, the Board would be required to pay \$700 in installation costs on the light.

Farmington P.T.A. To See Gymnastic Demonstration

The Farmington P. T. A. will hold its next meeting at 8:00 p.m. April 21 in the high school gymnasium.

Mrs. Gordon Hervele, program chairman, has announced that the program for the evening will be put on by students of the junior and senior high school as they offer a gymnastic demonstration. Miss Donna Lea and Mr. William Kase will be in charge of the participants. An elementary group will also be presented by Mr. Don Hossler.

The annual election of officers will also take place.

City Planning

(Continued from Page One)

The decision to proceed with the planning of commercial development is based on the physical probability that the city will continue to be largely residential. Tupper pointed out in his report that the city has little property left, which is attractive for industrial development. Thus the majority of the land area still vacant will undoubtedly be developed into residential property.

It was moved by James Tennant and supported by James Cavanaugh that the Commission recommend to the City Council that no further plans be approved until they have been examined by the Planning Commission. The purpose of the motion is to establish a closer coordination between the Council and the Commission in future development of property.

The next regular meeting of the Commission was set for Wednesday, May 6.

School Citizens Group To Meet

The first meeting of the Farmington School District Citizens Advisory Committee will be held Monday, April 27, at 8:00 p.m. in the High School Library, O. E. Dunkel, superintendent, announced this week.

A total of eight organizations including 16 citizens have accepted the invitation of the District to join in the committee activity. These organizations include the Bond P. T. A., Farmington P. T. A., Kiwanis Club, West Farmington Farm Bureau, Floral Park Civic Association, Lions Club, Exchange Club and the Farmington Hills Improvement Association. Dunkel stated that other organizations are expected to file their acceptance before the first meeting.

The initial conference will be devoted largely to information such as enrollment figures, finances, and problems of operation. Dunkel emphasized that the future meetings discussions on these subjects will be held in order to secure suggestions from the members and develop an overall program. The Superintendent stated that efforts will be made to have speakers appear before the group who are familiar with the problems of a growing school system.

In addition to studying the operating problems of the school district, the committee will assist in the development of an expanded school curriculum. Dunkel stated that the Board and the education committee are anxious to have the citizens of the community participate in this type of a program. All of the meetings of the committee will be open to the public.

TINY TOT CONTEST TO PUBLICIZE LEGION SHOW

A tiny tot popularity contest is being sponsored by the Groves-Walker Post, American Legion, to promote the show "On Stage America" which will be held Monday and Tuesday, April 27 and 28, at the high school gym, to help raise funds for the Legion Building fund and new high school band uniforms.

A king and queen, prince and princess and duke and duchess of popularity will be crowned. The contest is open to all children in the Farmington area six years and under. Every child who enters will receive a gift and special awards will be given to the winners. There is no entrance fee, no required activity and there will be no judging of children.

Each child entered will have a voting box placed in a business location in the city where all votes for that child will be counted. Each parent counts one vote, a ticket, five votes; a dime, ten votes; a dollar, 100 votes. Votes will be counted each day and postings will be made of the standings. Prizes for the winners will be announced from the stage just before the opening of the last performance of "On Stage America" at 7:40 p.m. A special coronation ceremony will be held at the close of the final performance of Farmington presented. For information on the contest, contact Mrs. Frank Barber, phone Farmington 9363-R, or Miss Love at Farmington 1118-W.

Sewage Plant

(Continued from Page One)

City before the State Stream Control Commission to be held April 23 in Lansing. The purpose of the hearing is to afford the city an opportunity to show cause why the order should not be imposed forcing them to proceed with the construction of the sewage disposal plant. The city is behind schedule in the filling of plans for the proposed plant although they anticipate starting construction in advance of the date required by the state.

More than 40% of all the coal mined in this country since 1800 came from Pennsylvania mines.

TWO FARMINGTON MEN ON SAFETY MEETING PROGRAM

(Continued from Page One)

The installation of officers will be open to the public and all veterans, whether a member of the post or not, are encouraged to attend. The details of veteran legislation, veterans hospital facilities within Michigan, and the very controversial subject of the 50 million dollar trust fund set up in the state for emergency use of World War II and Korean veterans will be outlined.

Kohn, in addition to being State Commander, is chairman of the State Commanders' group. This committee is composed of State Commanders, legislative officers and service officers of all six chartered veterans organizations, including the V.F.W., American Legion, American Spanish War Veterans, and Spanish American War Veterans.

Zoning Board

(Continued from Page One)

THE ZONING BOARD has 60 days in which to study the amendments and hold public hearings before submitting its recommendations to the Township Board. The action on the proposals made by the Township Board, Edward Moesman, chairman of the Zoning Board that drafted the ordinance, was present at the meeting. The invitation of the Board, Members of the Zoning Board are Kelly, Arthur Bassette, Chester Downing and Edward Schmid.

Bituminous coal, which underlies 36% of Kentucky's 40,535 square miles, is the state's most important economic asset.

MUSIC FESTIVAL SET FOR APRIL 30 AT CLARENCEVILLE

On Thursday, April 30, the Clarencville High School music department will present its annual spring festival.

The program will feature all of the various organizations within the music department of the School District, such as the Junior band, senior band, choir, vocal and instrumental ensembles, majorettes and the dance band.

Joe Markell, the band director, will also appear as an instrumental soloist. The program will begin at 8:00 p.m. in the high school gymnasium. There will be no admission charge although a collection will be taken. The program is open to all residents of the community.

RED CROSS DRIVE

(Continued from Page One)

ke, Jr., headed up the Clarencville drive this year. Mrs. Mel Stevens will head the 1954 drive in Farmington and Bayard Tupper will be in charge of the Clarencville campaign. Organizational meetings will be held in the near future.

LIST WINNERS IN V.F.W. AUXILIARY ESSAY CONTEST

Six winners in the V. F. W. Auxiliary-sponsored essay contest have been chosen by judges Mrs. George Nantall, Jr., George McLaughlin and John E. Gildroy.

The winner was Richard Goulet, a Farmington High School student. Under the rules set forth by the sponsoring organization, three winners were to be chosen, two from Farmington and Clarencville.

Other Farmington winners were Patricia Beckett and Loree Clifford.

Winners from the Clarencville schools were Ellis Grace, Carol Hartwig and Donald Knapp, respectively.

Everyone concerned with running the contest expressed extreme satisfaction that the young people showed such interest and aptness of thought. A total of 61 entries were received. Subject of the essay was "Democracy is What We Make It".

STUDY POSSIBLE ESTABLISHMENT OF COMMUNITY HOUSE

A meeting of Farmington citizens was held Monday evening at the home of Nate Mihay, 33718 Grand River, for the purpose of discussing the possible establishment of the joint community house and library in the Farmington area.

Plans were made for the visiting of similar buildings located in Birmingham, Waterford and Livonia. In addition to visiting the buildings, the group plans to discuss the organization, financial establishment of such a project with the local officials.

The Farmington group, which has organized backing in the formative stage, emphasized that the project, when developed, will be on a community-wide basis.

NO HUNTING BILL

(Continued from Page One)

The legislation is approved by the Senate and signed by the Governor, a special vote on the question will be required. A majority vote of the residents of the township must approve the measure before it actually becomes law. The proposal would ban all hunting within the boundaries of Farmington Township.

Camping by tent or trailer is permissible in six state recreation areas and all parks except Dodge No. 4, Palms-Book, Sterling and Mackinac Island.

WELL, NOW THEN - -

It's Tuesday and we gotta dust off the cobwebs and see what we can find around here that you might like. Course there's us — and we're really nice people in our way — but we either weigh too much or not enuf. Then on the other hand there's that little hunk of ground at the side of the store that's fer our customers to set their jalopies in. Course sometimes it gets a little fouled up cause there's so many cars there that aint shoppin' in our store — but we figger they'll stop in someday cause they know we're doin' 'em a favor — and we know they can read too. Speakin' of readin' — didcha notice those little signs the boss put in our windows? Cute — weren't they? We'll have a new edition out this week but to kidda give yuh a preview of coming attractions they'll read somethin' like this. There'll be a big one that sez yuh can git 7 cans of Pet or Carnation milk fer \$1.00. Now that seems like a pretty good deal fer you folks that use a lot of canned milk. Then there'll be another one statin' the fact that if yuh'll step inside you can git a 3 lb. can of Crisco fer just 89c. That seems like a fair askin' price too. Then we're back to that albacore tuna again. Seems like yuh should be about ready fer that agin — you must have the last 3 cans used up by now. They tell us it's mighty fine eatin' — so if yer interested yuh can git 3 cans of it fer \$1.00. This is the white albacore so that makes it gooder — and there aint no limit on it — yuh can have as many as yuh want. If you wanna mix it up fer a salad there's still some of that Salad Bowl dressin' fer 45c a quart. How's that sound??

Yuh know we talk about our home rendered lard and our home cured bacon jest like we lived here. Come to think about it, guess we do spend most of the time we're awake here — but this week we wanna tell yuh about our bacon. We really truly do cure and smoke this bacon right here in the store. If yuh wanna see our smoke house we'll be glad to show it to you. It's quite an un-attractive contraption — but it turns out the kind of bacon you wish you could git ahold of. We have a fresh batch this week end and we'll have it all sliced fer yuh fer 69c a lb. We'll have some of those boneless veal rolls agin fer 59c a lb. too. Yuh know there's not a bone in 'em so they slice swell fer sandwiches. If yer huntin' somethin' quick yuh should try our cube steaks. They fry real fast and they're jest 79c a lb. Then there's butter — and this week we got a whizzer. It's Tilden's creamy butter — carton packed — in 1/4 lb. sticks fer jest 69c a lb. Yuh know that Tildens is one of the better brands of butter, doncha???
