### Foul Weather Halts Falcon - Trojan Trackmen

The Farmington vs. Clarencville track meet scheduled for last Thursday, April 16, was cancelled because of bad weather. The meet was tentatively re-scheduled for Friday, April 17, but cold weather again forced the cancellation of the meet.

The Farmington trackmen ran through time trials despite cold winds.

The next Farmington meet is scheduled for Friday night, April 24, at Howell.

### RECORD SEASON IS ANTICIPATED AT CAMP AGAWAM

With opening date still two months away, more than 800 Boy Scouts have signed up for a two weeks' stay at Camp Agawam. The camp, located on Tommy's Lake near Lake Orion, is owned and operated by Clinton Valley Council of the Boy Scouts of America.

Last year 535 Scouts attended camp. Anticipating an increase for this year activities were added to care for another 30 Scouts per week. The Camping Committee of the Council originally believed that a six week season would be long enough but have found that a seventh week will be necessary to take care of the many Scouts who desire to attend camp.

The 1953 season will be the longest in the history of the camp, setting an all time record in the camp history which dates back to 1922.

Some of this increase is due to the increase in the number of Boy Scouts in the Council during the past year. But much credit must be given to the enthusiastic response on the part of Scouts and leaders to a new form of camp savings which was inaugurated in February. Each unit leader has been selling stamps to his Scouts each week. These stamps worth 25 cents each rapidly mount up to the Scout's credit. He thereby saves for camp through previous months rather than having to supply the lump sum at camp time.

The Council Camp Committee that is guiding the present development is composed of: John Hunt, Farmington, chairman; Bob Skellenger, Novi; Ralph Bennett, Mt. Clemens; Norton Gilbert, Pontiac; Wm. Pascher, Pontiac; John Ostrander, Pontiac; Gilbert Pierce, Pontiac; Wm. Barnum, Farmington; Wm. DeGrace, Pontiac.

### Cub Pack 109 Receives Charter

Pack 109 gave their impressions, in the form of tableaux, of historical figures in Scouting on Thursday, April 15, at the Middlebelt School.

Parents, friends, brothers and sisters saw the Cub's interpretations of various luminaries in the Scouting circle.

Den Chief Snyder, Hawkins, Waters and Koskela acted as narrators as the Cub interpreted Buffalo Bill, Indian Scouts, Kit Carson and Daniel Boone.

Caricatures, bronze and colorfully decorated Indians, blackened natives of deep Africa, racoon-hatted pioneers of early America, and buckskin-clad scouts gave the Cub and audience an appreciation of the rich lore from which Scouting stems.

Cubs, Den Pads and Den Mothers and committeemen witnessed their charter by Cub Commissioner Louis Gilson. The Commissioner congratulated everyone for making a reality of an organization which received its start late last fall. The pack charter will remain in Middlebelt School. The Middlebelt P.T.A. sponsors Pack 109.

Cub Ronald Thomson attained the rank of Scout during formal graduation ceremonies. Scout Thomson is the first Cub to leave the ranks of Pack 109 to become a member of its brother organization, Troop 109.

The Pack theme for May centers about the national theme of Cub Scouts throughout America, "Nature Study".

An outing, scheduled tentatively for May 16, is planned for Cub Scouts and parents near or about the Kensington Park area. Committeemen and den fathers will be in charge of the outing.

The hulking black bear spends much of his time hunting for insects, which form an important part of his diet. He will rip a stump or rotting log to pieces in his search for insect larvae and ants. Mostly, of course, he lives on fruit, berries, roots, bark and leaves. His diet is one of the most varied in the animal kingdom.

### CRACKERS AND RODS ROLL HIGH SCORES FOR '52-'53 SEASON

The official bowling season for the boys at Farmington High was completed last week with the "Pin Crackers" finishing first with a nine-point lead.

The records of the season have been compiled and it has been found that the first two teams dominate the record book for the year. The results are: team high three games: "Hot Rods", 2159; "Pin Crackers", 2134; "Pin Crackers", 2123. Team high single game: "Pin Crackers", 765; "Pin Crackers", 755; "Hot Rods", 744.

John Gatzley and Larry Smotherman took all honors in individual games rolled this year. The following are individual records of the season: Individual high three games: Gatzley, 540; Smotherman, 539; Gatzley, 530.

Individual high single game: Gatzley, 231; Smotherman, 211; Gatzley, 201.

A banquet will be given in the near future to honor the teams and members will receive their trophies.

J. Shutt

### KEYMEN CHOSEN TO HELP WATCH MICHIGAN FORESTS.

Machinery of Michigan's important forest fire control system has been put to work as the spring fire hazard season approaches.

Already, 1,000 "keymen" have been appointed to keep sharp watch on forest lands in their areas.

Keymen are generally farmers, loggers, and land owners, persons with a vested interest in forest preservation. They are provided with basic fire fighting equipment to keep at home. When fires occur nearby, keymen are often first to arrive and may take quick action toward halting the blaze.

Also, keymen serve as a reserve fighting force for the conservation department when big fires threaten.

The 140 fire towers in Michigan alone will all be manned and operating. About 30 men will be hired as lookouts this year for work in these towers, many to be hired without need of civil service exams.

The department's fire administration division is accepting applications now for this work.

Department airplanes also have been up this year flying smoke patrol. Most flying has been done in the southern lower peninsula, but as the spring hazard develops, planes will go to work in the north also.

Spring is generally the most hazardous time for forests. Woods are tinder dry and fires that develop often race through large areas in short order.

Forest users are urged to use extreme caution while in the woods this spring.

### FARMINGTON CLUBS SPONSOR SIX BOYS FOR MSC BOYS' STATE

"Volverine Boys' State winners from Farmington High have been chosen for the 1953 summer program on the campus of Michigan State College from June 18 to 25.

For the first time, nine students have been chosen. Six will be sent and there are three alternates. Those chosen are Jim Brewbaker, Richard Goulet, Alan Alexander, Kord Blod, Wayne Dryden and Paul Kosmeny. Alternates are: Werner Mack, Wayne Blakely and Donald Ross.

These students were selected on the basis of good character, mental alertness, personality, honesty, ability to get along with others, sportsmanship, and leadership.

When the boys reach Michigan State they will be assigned to one of the two political parties until after elections. The boys will elect a Governor, Lieutenant Governor, etc. The three divisions of government (judicial, legislative and executive) will be formed and will be under the supervision of Chief Counsellors. The purpose of this program is to develop leadership, prove the advantage of citizenship, and to promote the art of clean sportsmanship.

Those clubs sponsoring Boys' State this year are: Lions Club, Exchange Club, Kiwanis Club, Junior Chamber of Commerce, and the Township and City of Farmington.

S.A.L.

### CUB CAPERS

Everyone enjoyed Pack 49's monthly program based on Hawaii. All the Dens made fine contributions, which all helped to make the evening successful. The Den exhibits were excellent and were of a scale that offered good group contribution. Den 15 was voted first prize—it was the most elaborate exhibit, showing examples of food grown on the islands.

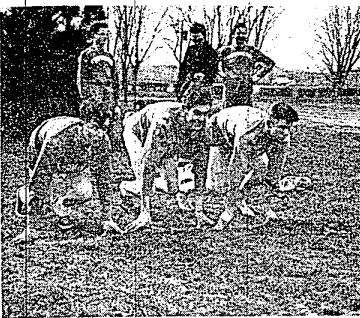

Priests for the individual projects were awarded to George Green of Den 13 for his coconut craft, Phillip Wood of Den 16 for his boat, George Lindbloom of Den 2 for his rock and metal collection.

Two Hawaiian games were demonstrated. The game "Unah" was won by Charles Thompson, Den 5. The runner-up was Kirt Nathan of Den 14. The other games, called Kule'i Wa Wae, was won by George Green with Walter Gale being the runner-up.

The attendance award was given to the Den with the highest percentage of attendance.

Also a very interesting movie was shown. The film was educational, dealing with one of the Hawaiian Islands' main resources, the pineapple. The film was interesting to the Cub Scouts because it gave them a view of the people that live on the island and their habits.

### On The Mark --- Get Set --- Snow

The Farmington High School track team has been practicing continually the past several weeks in spite of weather which has postponed the first meeting with Clarencville runners two times. In the above photo Falcon runners (left to right) Bob Syme, quarter-mile trial while several of their teammates look on. Coach Harold Humble hopes to get the boys off to a winning season against Howell on April 24.

### Softball League Slated For Scouts

Committeemen of Farmington Scout Pack 109 report initial plans for the formation of a junior softball league and first practice has been called for Saturday, April 25.

Cubmaster Walls and treasurer Leon Robinson, acting in the capacity of coaches, invite any boy between the ages of 8 and 12 to report for general plans and practice on April 25 at 10:30 a.m. on the Noble School playground.

Evolving practices and games, commencing after April 25, will have Arno Tikkanen and Bill May working with Walls and Robinson. A number of positions as team managers, trainers, base umpires and infield and outfield assistant coaches are available to boys above the age of 12 years.

A storage area for one million tons of coal has been provided at the Joppa, Illinois, plant of the Atomic Energy Commission.
