INTRODUCING A STARTLING, NEW, FUN THING TO DO WITH THIS YEAR'S TAX REFUND CHECK: SAVE IT.

We know it's probably not exactly what you had in mind for those extra dollars. But think about it for a minute.

If you deposit all or even just part of your income tax refund check in a regular passbook savings account at First Federal Savings of Detroit as soon as it arrives, it will start earning interest for you from the date of deposit. And it will keep earning every day of the year, at a 5% per year interest rate paid and compounded quarterly. You can withdraw any amount, any time, of course, with no restrictions or penalty.

So before you run out to spend your income tax refund, come in to any of First Federal's 30 metropolitan Detroit offices. Save that refund. Because the only thing nicer than having extra money is having more extra money. And you'll get that at First Federal Savings of Detroit.

We can do more for you if you think first!

ON MAY 8 VOTE

"YES"

ON THE CHARTER FOR FARMINGTON HILLS

AND VOTE FOR

7 COUNCIL MEMBERS

WHY YOU SHOULD VOTE FOR THE CHARTER -

- IT WILL STOP FURTHER ANNEXATION OF TOWNSHIP TERRITORY. If the Charter is approved pending petitions for annexation of three areas of the Township will automatically be void and all other areas will be safe from annexation. We cannot afford to lose any of our tax base.

- INCORPORATION WILL ENCOURAGE BUSINESS AND INDUSTRY TO SETTLE IN OUR COMMUNITY and provide a good sound tax base, because there will no longer be threats of annexation.

- PROFESSIONALLY TRAINED PEOPLE ARE NEEDED TO ADMINISTER LOCAL GOVERNMENT for the 50,000 residents now in the community and to cope with the problems when our population expands rapidly in the next ten years. City government provides better control.

- APPROVAL OF THE CHARTER WILL MEAN LOCAL GOVERNMENT APPROVED BY THE RESIDENTS, rather than administration by state controlled law. The Township form of government was designed for rural areas.

- WE WILL RECEIVE MORE THAN \$900,000 ANNUALLY IN GAS AND WEIGHT TAXES FOR OUR ROADS as an incorporated city. This amount is now paid to the county which will spend only \$202,000 this year in Farmington Township.

- THE CHARTER ESTABLISHES A CEILING ON TAXES for financing of city government. Tax rates can be increased only if the voters approve.

- A CITY GOVERNMENT CAN REGULATE ITS OWN TRAFFIC through use of stop lights and signs. Our traffic is now controlled by county government.

- SOUND PLANNING FOR LAND USE WITHIN THE COMMUNITY CAN PROCEED WITH ASSURANCE that annexation of substantial areas will not make it worthless.

- THE CHARTER PRESERVES THE CHARACTER OF OUR COMMUNITY by embracing the Zoning Ordinances of the Township and the two Villages.

- THE CHARTER'S CODE OF ETHICS SETS A PRECEDENT IN THE STATE OF MICHIGAN with its requirements for conduct and responsibility for the council members and officials.
