TROJANS DROP  
FIRST LEAGUE TILT  
TO HOLLY, 15-11

The Clareneville Trojans suffered their first defeat of the current season as they were handed a 15-11 defeat at the hands of Holly, in a high-scoring baseball game played at Holly on April 23.

The Trojans opened the scoring in their half of the first inning as they notched two runs on one hit.

They added two more tallies in the second inning on three hits. With two out, Evans, Merriam and Myers combined three consecutive singles to score two runs.

Holly, trailing by four runs, opened their scoring attack in the last of the third, as they pounded seven runs across the plate on three hits. Holly combined their three hits with three walks to account for their big seven-run rally.

The Trojans produced four runs in the top half of the fourth inning to once again lead Holly 8-7. Holly took the lead in their half of the fourth, as they produced four runs on three hits to take an 11-8 lead.

Holly added three more runs in the bottom of the fifth to take a 14-11 lead. They added one more in the sixth to ice the game at 15-11.

The Trojans were held scoreless in the last two innings.

Holly produced 15 runs on 11 hits while the Trojans notched 11 runs on 11 hits.

Clareneville will venture to Northville Thursday in an attempt to gain their first league victory. They now have a 1500 average, winning one game and losing one.

Area Students Receive  
Scholarships At MSC

Two Farmington area students have been awarded one year scholarships by Michigan State College, according to J. Robert Stewart, scholarship director at Michigan State.

Miss Ruth Mary Robertson of Clareneville High School and Donald M. Osmus of Farmington High School were named to receive the honor.

Osmus and Miss Robertson were among a total of 455 who received the entrance scholarships.

The awards, which become effective in fall term, 1953, were made on the basis of financial need of each candidate in addition to their scholastic achievement, leadership ability, and contribution to school life, Stewart said.

The scholarships cover tuition fees of the recipients. They are awarded for one year, but may be renewed for four years if the student maintains a satisfactory scholastic average.
