DON'T TRUST TO LUCK!

Self treatment and diagnosis can be dangerous. Don't trust to luck when you have something physically wrong... consult your Doctor right away. When he prescribes, bring your prescription here. We don't trust to luck, either. We are exacting.

With the rapid growth of the Township and City of Farmington it is virtually impossible to contact each citizen to invite you, if you are eligible, to join the American Legion Auxiliary. If your husband, father or brother has served in the Korean conflict, has an honorable discharge and is a member, or is eligible to become a member of the Legion, you are eligible, needed and wanted in the Legion Auxiliary, the largest and the greatest organization in the world.

Our Junior group enrolls girls from one year old to 18 years and the adult group from 18 up. Meetings are held on the second Monday of every month at 8:00 p.m.

Those of you who are members or have been members of another unit in any city state are cordially invited to visit our unit at any meeting and bring a friend or friends. You will find us a friendly, happy group striving to aid in the good of our community, state and nation and mixing singing and fun in our meetings. We have a membership of 131 in Farmington and this is a last stand plea for a total of 150 members by June 1. If you are eligible and would like to join we would certainly like to enroll you or your daughter or both. Please call Mary Markell, president of Farmington Unit 346, at Farmington 3017.

Sunday, May 24, at 8:00 p.m. memorial services for the deceased members of the Post and Auxiliary will be held in the Farmington Post Home. This is a most significant ceremony. The public is invited and every member of the post and auxiliary is urged to attend. A lunch will be served to the ladies of the auxiliary following the services.

May 21, 22 and 23 are Poppy Ways. When you see the ladies in the streets from 5:00 a.m. to 6:00 p.m. those days remember the poppies were made by our servicemen in hospitals who were physically handicapped serving their country, protecting you and me and our loved ones. Give as generously as you possibly can that we may show these men we have not forgotten what they have sacrificed for us.

On Saturday, May 30, the Auxiliary will participate in the Memorial Day parade. The parade will form at the high school and go out Grand River to the cemetery where, with fervent prayer and the salute of guns, we will pay tribute to our departed friends and heroes.

Wednesday, June 10, has been set as the date for the annual election of the officers for the 18th District, to be held in the Millard Post Home. Caucus is at 10:30 a.m., luncheon at 12 noon, election of officers at 1:30 p.m. All members keep this date in mind and plan to attend.

The Commander of the 18th District and the president of the Auxiliary, Walter Mueber and Mrs. Hal (Trena) Quinn, were honored at a dinner dance held in the Royal Oak Post Home. The dinner was preceded by a cocktail hour and followed by four hours of dancing. Highlight of the evening came as a complete surprise to President Quinn when the Commander presented her with the following citation: "This citation is awarded to one who we believe to be the finest and the most outstanding District President in the fifty-six departments of the American Legion Auxiliary, who not only carried her membership quota over the top in February, but in so doing carried each of her eighteen units with her, thereby making a record achievement second to none and one that will stand in the history of the Auxiliary for many years to come. No other District president ever accomplished so much in so short a time."

Mt. Carmel Hospital Schedules Open House

The public is cordially invited to attend and inspect the laboratories at Mt. Carmel Mercy Hospital Sunday afternoon, May 17. Here you may observe medical technologists performing some of the tests which are so helpful to doctors in the diagnosis and treatment of disease.

The need today for qualified medical technologists is fully as great as the need for trained nurses, though perhaps not as well publicized.

Some of the other hospitals observing Laboratory Open House include Wayne County General Hospital, Saturday, May 16, 1-4 p.m.; Providence Hospital, Sunday, May 17; Women's Hospital, Friday, May 15; and Old Grace Hospital, Saturday, May 16, from 2:00 to 4:00 p.m.

THANK YOU LETTER SENT BY DUTCH TO AREA RESIDENT

Editor's Note:

The following letter was received recently by Mr. and Mrs. Richard King of 31774 Trest-tain. The letter expresses the feeling of appreciation many Dutch people have for residents of this area who came to the aid of the Lowlands during the recent flood disaster.

"My Dear Ila: I have still to say some words to you before I'll post this letter."

The disaster which struck our country has broken many hearts indeed, but also the hearts of the Dutch people were warmed by all the world's sympathy. Especially from your country too, and I will not forget to thank you and Dick for all the help and sympathy from your people. Holland will never forget it!

With much love and thanks from your Dutch pen friends, Stans and Wim"
