will be one of the most powerful
olceps in Washington for whitevotes in Washington for whitting the federal government down to proper size. But it will take time he cautions. That's why he feels an appeal to the laxapayers for patieties is so important. "A yearl or so from now," he said, when people may expect lo see the tangbile results of our program, and I predict that the administration will make real progress." Let us all hope the promise is fulfilled.

Studies made on sample area: confirm the evidences of kill rec ords that mature oak-hickory woodland is the best habitat for fox squirrels in Michigan.
