ADVISE FREEZING FISH

Fish fillets are good to freeze since no waste is stored and the fish is ready to use when removed. Michigan State College foods specialists recomment freezing—together in one package—the number of fillets needed for one meal for the family.

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week! "What's that for?" I asked. "Your memory slipping?"

"It's not for me," she answers
"it's to remind you, and every
body else who asks what it's for body eise who asks what it's for to contribute to the Woman's Club Library Fund. We need \$200 and we figured we'd get more help if we could get people to ask us about it."

Well, as it turned out, the re-ribbon worked just fine. The ladies are having the library al
