Every autumn our High School has a contest to see who can get the most ads for The Recorder the school magazine. The winner becomes honorary Principal for

a day.

Skip Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear cloice: "I hereby declare today a school holiday!" Knowing Miss Gilbert, the real

principal, it was no surprise to me that she laughed as hard as anybody else... and said to go right ahead.

From where I sit, it's no wonder our youngsters think Miss
Gilbert's such a wonderful person (even though they know
they'll have to make up that
day). Her tolerance, her friendly
way with people of all ages reflect in everything she does. For
instance, at my house Miss Gilbert prefers tea but always respecis my preference for a glass
of beer. As a real person... in
any community, Miss Gilbert belongs at "the head of the class,"
