Bec. 3.

### THREE STRUCTURES NOW GOING UP IN LIVONIA

Three major buildings — an industrial plant, a telephone building, and a junior high school — are now under construction in Lt.

are now under construction in Li-vonia.

The largest new structure is a huge Chevrolet spring and bumper plant going up on a 120-acre site at Amrhein and Eecker soads. When completed, the plant will have a floor area of almost 600-000 spiare feet. Production is scheduled to begin next June. A \$387.000 Bell Telephone cen-tral exchange building is under construction at Merriman and Ply-month Roads.

outh Roads.

month Roads.

The building will house the in-tricate dialing equipment needed to serve Livonia's 5,000 telephone company eutonomers. It will be ready for occupancy next summer. The junior high school will be an addition' to Bentley High School. Costing some \$310,000, It will contain 12 classrooms, each campable of accompandating 30 to the students. The building will open its door to students next Sep-tember.

### Edward Bryant Wins

Edward Bryant of 20805 Pea

College.

Bryant was among the 19 players who received the letter award.

Ten other Olivet players received their numeral awards.

The Olivet Comets completed the season with four wins and five defents to fluish fifth in the M. I. A. A. Conference standings.

Several completed and proposed Federal-Aid highway projects have been reviewed on the scene by the House Committee on Public Works during the past weeks. Commit-tee chairman George A. Dondero tee chairman George A. Dondero of Michigan heads the congression-al group that is continuing its study across the country of all types of public works in which the Federal government has an active interest.
