Seven cents a day is all it will cost you to become a "builder" of St. Mary Hospital. If everyone makes at least the minimum gift of seven cents a day, we will have our resperately-needed hospital in the very near future. Join your neighbors in this community effort by making your contribution now. If a volunteer worker has not as yet called on you, remember that he or she has a lot of visits to complete. Make his or her task a bit lighter by chilling campaign headquarters, PLYMOUTH 2241. This hospital is needed NOW. We cannot AFFORD to delay any longer.
